Indiana Code Title 6. Taxation § 6-1.1-17-20.3

Current as of January 02, 2024 | Updated by [FindLaw Staff](#)

Sec. 20.3. (a) Except as provided in [section 20.4](#) of this chapter, this section applies only to the governing body of a public library that:

- (1) is not comprised of a majority of officials who are elected to serve on the governing body; and
- (2) has a percentage increase in the proposed budget for the taxing unit for the ensuing calendar year that is more than the result of:
 - (A) the maximum levy growth quotient determined under [IC 6-1.1-18.5-2](#) for the ensuing calendar year, rounded to the nearest thousandth (0.001); minus
 - (B) one (1).

For purposes of this section, an individual who qualifies to be appointed to a governing body or serves on a governing body because of the individual's status as an elected official of another taxing unit shall be treated as an official who was not elected to serve on the governing body.

(b) This section does not apply to an entity whose tax levies are subject to review and modification by a city-county legislative body under [IC 36-3-6-9](#).

(c) If:

(1) the assessed valuation of a public library's territory is entirely contained within a city or town; or

(2) the assessed valuation of a public library's territory is not entirely contained within a city or town but more than fifty percent (50%) of the assessed valuation of the public library's territory is contained within the city or town;

the governing body shall submit its proposed budget and property tax levy to the city or town fiscal body in the manner prescribed by the department of local government finance before September 2 of a year. However, the governing body shall submit its proposed budget and property tax levy to the county fiscal body in the manner provided in subsection (d), rather than to the city or town fiscal body, if more than fifty percent (50%) of the parcels of real property within the jurisdiction of the public library are located outside the city or town.

(d) If subsection (c) does not apply or the public library's territory covers more than one (1) county, the governing body of the public library shall submit its proposed budget and property tax levy to the county fiscal body in the county where the public library has the most assessed

valuation. The proposed budget and levy shall be submitted to the county fiscal body in the manner prescribed by the department of local government finance before September 2 of a year.

(e) The fiscal body of the city, town, or county (whichever applies) shall review each budget and proposed tax levy and adopt a final budget and tax levy for the public library. The fiscal body may reduce or modify but not increase the proposed budget or tax levy.

(f) If a public library fails to file the information required in subsection (c) or (d), whichever applies, with the appropriate fiscal body by the time prescribed by this section, the most recent annual appropriations and annual tax levy of that public library are continued for the ensuing budget year.

(g) If the appropriate fiscal body fails to complete the requirements of subsection (e) before the adoption deadline in [section 5](#) of this chapter for any public library subject to this section, the most recent annual appropriations and annual tax levy of the city, town, or county, whichever applies, are continued for the ensuing budget year.

Re: Budget Adjustment for Allen County Public Library

Well, if you hang around long enough, there will be a first time for everything. In my almost 29 years of service to the City, I have never brought another taxing unit's appropriation to the table.

As explained in the ordinance, per IC 6-1.1-17-20.3c, if the Allen County Public Library's territory is not entirely contained within a city or town but more than fifty percent (50%) of the assessed valuation of the public library's territory is contained within the city or town, the governing body shall submit its proposed budget and property tax levy to the city or town fiscal body.

However, according to the Allen County Public Library, special provisions still apply for Indiana public libraries that govern when binding review kicks in. Those provisions state as long as the library proposed expenditure budget stays at or below the MLGQ, it remains in a non-binding review status and the annual budget process proceeds through the ACPL board.

The Allen County Public Library is requesting an additional appropriation of \$8,000,000 for a Roof/Chillers/Solar panel project. There will be representatives from the library to answer any questions.
