8 or any portion of the costs of the 2022 County-Wide Library Facilities Transformation Project—  
9 Phase I, the reimbursement of preliminary expenses related thereto and all incidental expenses  
10 incurred in connection therewith, including necessary engineering, design and related activities

29 Project, adopted a resolution approving the issuance of the Bonds in an original aggregate principal  
30 amount not to exceed Thirty-Seven Million Dollars (\$37,000,000) and the expenditure of the  
31 Public Library Non-Bond Funds in an amount not to exceed Twenty-Six Million Dollars  
32 (\$26,000,000) for the purpose of providing funds to pay for (a) all or any portion of the costs of

34 of preliminary expenses related thereto and all incidental expenses incurred in connection  
35 therewith, including necessary engineering, design, and related activities (all of which are deemed

38 **WHEREAS**, pursuant to Indiana Code §6-1.1-17-20.3(c) and Indiana Code §6-1.1-18-  
39 5(k), each as amended, if the Public Library is proposing to make an additional appropriation for

1 a year, and the additional appropriation would result in the budget for the Public Library for that  
2 year increasing (as compared to the previous year) by a percentage that is greater than the result  
3 of the maximum levy growth quotient determined under Indiana Code §6-1.1-18.5-2, as amended,  
4 for the calendar year minus one (1), then the Public Library must first obtain the approval of such  
5 additional appropriation by the Common Council of the City of Fort Wayne, Indiana (the  
6 “Council”) due to the fact that the Public Library’s territory is not entirely contained within a city  
7 or town but more than fifty percent (50%) of the assessed valuation of the Public Library is

10 County-Wide Library Facilities Transformation Project—Phase I, the reimbursement of  
11 preliminary expenses related thereto and all incidental expenses incurred in connection therewith,  
12 including necessary engineering, design, and related activities (all of which are deemed to be a  
13 part of the 2022 County-Wide Library Facilities Transformation Project—Phase I), and the costs  
14 of selling and issuing the Bonds, the Board has requested the approval of the Common Council,  
15 pursuant to Indiana Code §6-1.1-17-20.3(c) and Indiana Code §6-1.1-18-5(k), each as amended,  
16 regarding the 2022 County-Wide Library Facilities Transformation Project Phase I Appropriations  
17 and the Bonds, and

18 **WHEREAS**, based on all of the foregoing, the Common Council now finds in support of  
19 the 2022 County-Wide Library Facilities Transformation Project—Phase I and that the Bonds and  
20 the 2022 County-Wide Library Facilities Transformation Project Phase I Appropriations should  
21 be approved in order to pay for all or any portion of the 2022 County-Wide Library Facilities  
22 Transformation Project—Phase I, including, but not limited to, the costs of issuing the Bonds; and

23 **WHEREAS**, notice of a hearing on said appropriations has been published as required by  
24 law; and

25 **WHEREAS**, such public hearing has been held on the date hereof at this location and prior  
26 to consideration of this ordinance at which all taxpayers and interested persons had an opportunity  
27 to appear and express their views as to such issuance of the Bonds and additional appropriations;

28 **NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE**  
29 **CITY OF FORT WAYNE, INDIANA, as follows:**

30 Section 1. Approval of Bonds. Based on the fact that (a) no one testified in opposition to

**SUMMARY OF MATTERS RELATED TO THE FORT WAYNE COMMON COUNCIL  
ORDINANCE APPROVING CERTAIN ADDITIONAL APPROPRIATIONS AND  
ISSUANCE OF BONDS BY THE ALLEN COUNTY PUBLIC LIBRARY**

Description of the **additional appropriation** process that applies to the Public Library

Even though Indiana law recognizes the Public Library and its property tax levies and rates as a local governmental entity that is separate from all other local governmental entities, the Public Library must obtain the approval of the Common Council of the additional appropriations of the Public Library's funds, including funds in Public Library's general fund and the proceeds of general obligation bonds issued by the Public Library and interest earnings on those bond proceeds. This requirement is due to the Library Board being an appointed governing body and having more than 50% of the assessed value of the real property within the geographical boundaries of the Public Library located within the geographical boundaries of the City of Fort Wayne.

With respect to the specific appropriations in this Ordinance, the Public Library is requesting the Common Council approve appropriation of (a) funds in the Library's general fund in the amount of \$18,000,000, which is in addition to the \$8,000,000 appropriation of funds from the Library's general fund for the Main Library roof replacement and solar project approved by the Common Council in August 2024, and (b) the proceeds of general obligation bonds to be issued by the Public Library and already approved by the Allen County Council and the interest earned on those bond proceeds during the construction, renovation and/or equipping of the various library branches that will be part of the 2022 County-Wide Library Facilities Transformation Project—Phase I. **Neither of these appropriations are requesting the City of Fort Wayne or any local governmental entity other than the Public Library to spend any of their funds or issue any bonds for the 2022 County-Wide Library Facilities Transformation Project—Phase I.**

Finally, under Indiana law, the appropriations of local governmental entities for construction projects do not lapse or expire at the end of a calendar year. Instead, they remain in effect until the project is completed or abandoned by the local governmental entity. Once these appropriations are approved, the Library Board will be the entity that approves all expenditures paid with these funds for the 2022 County-Wide Library Facilities Transformation Project—Phase I as a part of its normal claims approval process. The Public Library will return to the Common Council in the future for approval of appropriations only in the event it needs to increase either or both appropriations above the amounts set forth in the Ordinance. Notwithstanding the fore foregoing, it should be noted that the Public Library will present its budget to the Common County for approval on an annual basis.

Certain details related to the **general obligation bonds** of the Public Library

As previously stated, the Public Library and its property tax levies and rates are recognized under Indiana law as being separate from all other local governmental entities. This recognition as a separate local governmental entity extends to the general obligation bonds issued by the Public Library. Any general obligation bonds issued by the Public Library will be repaid from a separate fund of the Public Library, known as a bond fund, which bond fund will be funded with a separate tax levy and rate imposed by the Public Library. If this annual levy is not sufficient to pay the principal and interest on any such bonds, the bondholders will have recourse against only the Public Library and the Public Library's funds and not against any other local governmental entity or such funds of any other local governmental entity, including, but not limited to, the City of Fort Wayne.

Any effect on tax rates as a result of the Public Library's bond issuance is as a result of the Public Library's actions and is not the result of the actions of any other local governmental entity.
