ATTACHMENT TO VACATION PETITION SUBMITTED
BY STN REALTY INDIANA, LLC

Your petitioner, STN Realty, Indiana, LLC ("STN"), is located at 2288 Main St. Extension Sayreville, New Jersey 08872. The telephone number is (732) 721-5544. The contact person at STN is Lionel Pena (lpena@sabert.com). STN seeks to vacate a platted but undeveloped right-of-way depicted as Land Drive within Earth Industrial Park, Section II, a plat recorded in Plat Book number 37, page 98, as document number 75-19673. A copy of the Plat which depicts Land Drive is attached hereto as Exhibit A. STN also petitions to vacate a platted but undeveloped right-of-way known as Sandhill Drive located immediately north of Earth Industrial Park, Section II and running parallel to the northern border of Earth Industrial Park, Section II in an east west direction starting at its intersection with Mark Drive and ending where the right-of-way terminates east of Ardmore Avenue. Sandhill Drive to the east was vacated pursuant to Dec. Res 1392-75.

The contact person with respect to this Vacation Petition is Stephen L. Fink, Esq., Barnes & Thornburg LLP located at 888 S. Harrison Street, Suite 600, Fort Wayne, Indiana 46802-2206; telephone number (260) 425-4664; facsimile (260) 424-8316; email - sfink@btlaw.com.

Sabert is a company affiliated with STN. Sabert operates the manufacturing facility located at 3511 Engel Rd., Fort Wayne, Indiana 46809 (the "Facility"). The Facility is immediately north of Sandhill Drive which is immediately north of the real estate platted as Earth Industrial Park, Section II. The purpose of the proposed vacations is to enable Sabert to expand the Facility by 292,000 square feet to the south. This expansion will enable Sabert to add additional machinery and employees, thereby enhancing Fort Wayne's tax base and providing additional jobs for its citizens.

Earth Industrial Park, Section II was platted in 1975. The plat contemplates 11 lots and a roadway known as "Land Drive." Notwithstanding the passage of nearly forty-five years, nothing

has been constructed on the real estate platted as Earth Industrial Park, and Land Drive has never been constructed. STN owns all of the real estate within Earth Industrial Park, Section II, subject to the easement of Land Drive. As stated above, Land Drive has never been improved or otherwise developed, notwithstanding the platting of Land Drive nearly 45 years ago. Similarly, none of the lots within Earth Industrial Park have ever been developed. It is STN's belief that there are no utilities or other infrastructure located within the Land Drive right-of-way.

STN owns all of the land abutting Land Drive, with the exception of Ardmore Avenue at the west end of Land Drive and undeveloped Earth Drive located at the east end of Land Drive.

In January, 2011, Todd Bauer submitted a Vacation Petition requesting the vacation of the entire plat of Earth Industrial Park, Section II. On January 26, 2011, notice was transmitted which states that the Vacation Petition is "to vacate the platted lots, easements, and rights-of-way in Earth Industrial Park, Section II" A hearing was held on February 14 after which the Plan Commission entered its Findings of Fact stating that the Plan Commission approves the vacation "for platted lots 11 through 21 and easements of Earth Industrial Park, Section II." The February 21, 2011 Findings of Fact includes "the proposed use for this property will utilize the entire property and the platted right-of-way, easements, and lot lines would prohibit the development." I.C. § 6-7-4-711(a) provides that the "Plan Commission has exclusive control over the vacation of plats or parts of plats." It is well settled that the recording of plat grants to the municipality an easement for the streets depicted in the plat. *Bass v. Salyer*, 923 N.E.2d 961, 966 (Ind. App. 2010). It seems clear that Land Drive has already been vacated. STN also believes it has the right to the vacation of Land Drive as the owner of all of the land within the Plat. STN is submitting this Petition out of an abundance of caution.

Conditions in the platted area have changed so as to defeat the original purpose of Land Drive and Sandhill Drive. The platted area contemplates eleven lots. STN and Sabert contemplate building across all of these lots with one structure instead of eleven separate structures. This is in the public's interest because the construction of the structure will significantly increase the tax base. Furthermore, the increase in employment is also in the public's interest. STN owns all of the land within Earth Industrial Park and to the north thereof, subject to the easements of Land Drive and Sandhill Drive, and STN is of the opinion that the value of its land will increase by the vacation of Land Drive and Sandhill Drive.

REQUEST:	To vacate all of Land Drive within Earth Industrial Park, Section II, and Sandhill Drive (aka Genth) located north of Earth Industrial Park, Section II and west of Mark Drive.	
LOCATION:	Between 4419 and 4705 Ardmore Avenue, and south of 3511 Engle Road (Sabert Corporation) (Section 21 of Wayne Township)	
LAND AREA:	Approximately 2.4 acres proposed to be vacated.	
COUNCIL DISTRICT:	District 4 – Jason Arp	
PUBLIC HEARING DATE:	March 12, 2019	

PROJECT SUMMARY

The petitioner is STN Realty Indiana, LLC, the real estate arm of Sabert Corporation, located at 3511 Engle Road, within Earth Industrial Park, Section I. Earth Industrial Park, Section II is located south of Sabert’s existing operations and is undeveloped. The previous owner (Mullinex) went through the process to vacate the plat of Section II, but the unimproved right-of-way for Land Drive still exists, as does the right-of-way for Sandhill Drive. Sabert intends to expand its warehousing to the south into the area of Section II, which is already zoned I/Limited Industrial. This planned expansion would cross both Sandhill Drive and Land Drive. Staff has sent requests for comment from all affected utility agencies and their responses are listed below. Staff is not requesting Discussion and Passage of this request until Transportation engineers meet with Sabert representatives to finalize an agreement as stated below.

- | | |
|-----------------------------|--|
| City Plan: | Indiana Code (36-7-3-16 (b)) states that any public utility occupying a public way or easement shall not be deprived of the use of the public way for the location and operation of existing facilities. The petitioner shall provide all necessary easements (as approved) at the time the vacation petition is recorded. |
| Traffic Engineering: | Transportation is acceptable to the proposed vacation as long as an alternate right-of-way is dedicated to service a roadway connection from Ardmore Avenue to Land Drive. Connection is to relieve traffic on Ardmore/Engle when trains are stopped on railroad tracks causing stopped/delayed traffic on the corridor. Road design and limits of dedicated Right-of-Way should be confirmed prior to re-zoning. Discussion with Sabert is ongoing for final design of this modification. |

ATTACHMENT TO VACATION PETITION SUBMITTED
BY STN REALTY INDIANA, LLC

Your petitioner, STN Realty, Indiana, LLC ("STN"), is located at 2288 Main St. Extension Sayreville, New Jersey 08872. The telephone number is (732) 721-5544. The contact person at STN is Lionel Pena (lpena@sabert.com). STN seeks to vacate a platted but undeveloped right-of-way depicted as Land Drive within Earth Industrial Park, Section II, a plat recorded in Plat Book number 37, page 98, as document number 75-19673. A copy of the Plat which depicts Land Drive is attached hereto as Exhibit A. STN also petitions to vacate a platted but undeveloped right-of-way known as Sandhill Drive located immediately north of Earth Industrial Park, Section II and running parallel to the northern border of Earth Industrial Park, Section II in an east west direction starting at its intersection with Mark Drive and ending where the right-of-way terminates east of Ardmore Avenue. Sandhill Drive to the east was vacated pursuant to Dec. Res 1392-75.

The contact person with respect to this Vacation Petition is Stephen L. Fink, Esq., Barnes & Thornburg LLP located at 888 S. Harrison Street, Suite 600, Fort Wayne, Indiana 46802-2206; telephone number (260) 425-4664; facsimile (260) 424-8316; email - sfink@btlaw.com.

Sabert is a company affiliated with STN. Sabert operates the manufacturing facility located at 3511 Engel Rd., Fort Wayne, Indiana 46809 (the "Facility"). The Facility is immediately north of Sandhill Drive which is immediately north of the real estate platted as Earth Industrial Park, Section II. The purpose of the proposed vacations is to enable Sabert to expand the Facility by 292,000 square feet to the south. This expansion will enable Sabert to add additional machinery and employees, thereby enhancing Fort Wayne's tax base and providing additional jobs for its citizens.

Earth Industrial Park, Section II was platted in 1975. The plat contemplates 11 lots and a roadway known as "Land Drive." Notwithstanding the passage of nearly forty-five years, nothing

has been constructed on the real estate platted as Earth Industrial Park, and Land Drive has never been constructed. STN owns all of the real estate within Earth Industrial Park, Section II, subject to the easement of Land Drive. As stated above, Land Drive has never been improved or otherwise developed, notwithstanding the platting of Land Drive nearly 45 years ago. Similarly, none of the lots within Earth Industrial Park have ever been developed. It is STN's belief that there are no utilities or other infrastructure located within the Land Drive right-of-way.

STN owns all of the land abutting Land Drive, with the exception of Ardmore Avenue at the west end of Land Drive and undeveloped Earth Drive located at the east end of Land Drive.

In January, 2011, Todd Bauer submitted a Vacation Petition requesting the vacation of the entire plat of Earth Industrial Park, Section II. On January 26, 2011, notice was transmitted which states that the Vacation Petition is "to vacate the platted lots, easements, and rights-of-way in Earth Industrial Park, Section II" A hearing was held on February 14 after which the Plan Commission entered its Findings of Fact stating that the Plan Commission approves the vacation "for platted lots 11 through 21 and easements of Earth Industrial Park, Section II." The February 21, 2011 Findings of Fact includes "the proposed use for this property will utilize the entire property and the platted right-of-way, easements, and lot lines would prohibit the development." I.C. § 6-7-4-711(a) provides that the "Plan Commission has exclusive control over the vacation of plats or parts of plats." It is well settled that the recording of plat grants to the municipality an easement for the streets depicted in the plat. *Bass v. Salyer*, 923 N.E.2d 961, 966 (Ind. App. 2010). It seems clear that Land Drive has already been vacated. STN also believes it has the right to the vacation of Land Drive as the owner of all of the land within the Plat. STN is submitting this Petition out of an abundance of caution.

Conditions in the platted area have changed so as to defeat the original purpose of Land Drive and Sandhill Drive. The platted area contemplates eleven lots. STN and Sabert contemplate building across all of these lots with one structure instead of eleven separate structures. This is in the public's interest because the construction of the structure will significantly increase the tax base. Furthermore, the increase in employment is also in the public's interest. STN owns all of the land within Earth Industrial Park and to the north thereof, subject to the easements of Land Drive and Sandhill Drive, and STN is of the opinion that the value of its land will increase by the vacation of Land Drive and Sandhill Drive.

ATTACHMENT TO VACATION PETITION SUBMITTED
BY STN REALTY INDIANA, LLC

Your petitioner, STN Realty, Indiana, LLC ("STN"), is located at 2288 Main St. Extension Sayreville, New Jersey 08872. The telephone number is (732) 721-5544. The contact person at STN is Lionel Pena (lpena@sabert.com). STN seeks to vacate a platted but undeveloped right-of-way depicted as Land Drive within Earth Industrial Park, Section II, a plat recorded in Plat Book number 37, page 98, as document number 75-19673. A copy of the Plat which depicts Land Drive is attached hereto as Exhibit A. STN also petitions to vacate a platted but undeveloped right-of-way known as Sandhill Drive located immediately north of Earth Industrial Park, Section II and running parallel to the northern border of Earth Industrial Park, Section II in an east west direction starting at its intersection with Mark Drive and ending where the right-of-way terminates east of Ardmore Avenue. Sandhill Drive to the east was vacated pursuant to Dec. Res 1392-75.

The contact person with respect to this Vacation Petition is Stephen L. Fink, Esq., Barnes & Thornburg LLP located at 888 S. Harrison Street, Suite 600, Fort Wayne, Indiana 46802-2206; telephone number (260) 425-4664; facsimile (260) 424-8316; email - sfink@btlaw.com.

Sabert is a company affiliated with STN. Sabert operates the manufacturing facility located at 3511 Engel Rd., Fort Wayne, Indiana 46809 (the "Facility"). The Facility is immediately north of Sandhill Drive which is immediately north of the real estate platted as Earth Industrial Park, Section II. The purpose of the proposed vacations is to enable Sabert to expand the Facility by 292,000 square feet to the south. This expansion will enable Sabert to add additional machinery and employees, thereby enhancing Fort Wayne's tax base and providing additional jobs for its citizens.

Earth Industrial Park, Section II was platted in 1975. The plat contemplates 11 lots and a roadway known as "Land Drive." Notwithstanding the passage of nearly forty-five years, nothing

has been constructed on the real estate platted as Earth Industrial Park, and Land Drive has never been constructed. STN owns all of the real estate within Earth Industrial Park, Section II, subject to the easement of Land Drive. As stated above, Land Drive has never been improved or otherwise developed, notwithstanding the platting of Land Drive nearly 45 years ago. Similarly, none of the lots within Earth Industrial Park have ever been developed. It is STN's belief that there are no utilities or other infrastructure located within the Land Drive right-of-way.

STN owns all of the land abutting Land Drive, with the exception of Ardmore Avenue at the west end of Land Drive and undeveloped Earth Drive located at the east end of Land Drive.

In January, 2011, Todd Bauer submitted a Vacation Petition requesting the vacation of the entire plat of Earth Industrial Park, Section II. On January 26, 2011, notice was transmitted which states that the Vacation Petition is "to vacate the platted lots, easements, and rights-of-way in Earth Industrial Park, Section II" A hearing was held on February 14 after which the Plan Commission entered its Findings of Fact stating that the Plan Commission approves the vacation "for platted lots 11 through 21 and easements of Earth Industrial Park, Section II." The February 21, 2011 Findings of Fact includes "the proposed use for this property will utilize the entire property and the platted right-of-way, easements, and lot lines would prohibit the development." I.C. § 6-7-4-711(a) provides that the "Plan Commission has exclusive control over the vacation of plats or parts of plats." It is well settled that the recording of plat grants to the municipality an easement for the streets depicted in the plat. *Bass v. Salyer*, 923 N.E.2d 961, 966 (Ind. App. 2010). It seems clear that Land Drive has already been vacated. STN also believes it has the right to the vacation of Land Drive as the owner of all of the land within the Plat. STN is submitting this Petition out of an abundance of caution.

Conditions in the platted area have changed so as to defeat the original purpose of Land Drive and Sandhill Drive. The platted area contemplates eleven lots. STN and Sabert contemplate building across all of these lots with one structure instead of eleven separate structures. This is in the public's interest because the construction of the structure will significantly increase the tax base. Furthermore, the increase in employment is also in the public's interest. STN owns all of the land within Earth Industrial Park and to the north thereof, subject to the easements of Land Drive and Sandhill Drive, and STN is of the opinion that the value of its land will increase by the vacation of Land Drive and Sandhill Drive.

PROJECT SUMMARY

The petitioner is STN Realty Indiana, LLC, the real estate arm of Sabert Corporation, located at 3511 Engle Road, within Earth Industrial Park, Section I. Earth Industrial Park, Section II is located south of Sabert’s existing operations and is undeveloped. The previous owner (Mullinex) went through the process to vacate the plat of Section II, but the unimproved right-of-way for Land Drive still exists, as does the right-of-way for Sandhill Drive. Sabert intends to expand its warehousing to the south into the area of Section II, which is already zoned I1/Limited Industrial. This planned expansion would cross both Sandhill Drive and Land Drive. Staff has sent requests for comment from all affected utility agencies and their responses are listed below. Transportation engineers have met with Sabert representatives to agree to certain terms, as stated below.

- | | |
|-----------------------------|--|
| City Plan: | Indiana Code (36-7-3-16 (b)) states that any public utility occupying a public way or easement shall not be deprived of the use of the public way for the location and operation of existing facilities. The petitioner shall provide all necessary easements (as approved) at the time the vacation petition is recorded. |
| Traffic Engineering: | Transportation is acceptable to the proposed vacation as long as an alternate right-of-way is dedicated to service a roadway connection from Ardmore Avenue to Land Drive. Connection is to relieve traffic on Ardmore/Engle when trains are stopped on railroad tracks causing stopped/delayed traffic on the corridor. Road design and limits of dedicated Right-of-Way should be confirmed prior to re-zoning. Discussion with Sabert is ongoing for final design of this modification. |
| Stormwater Engineering: | Approved |
| Water Engineering: | Water main to be abandoned. |
| WPC Engineering – Sanitary: | Sanitary sewer to be relocated during building expansion. |

Grounds for Remonstrance for Vacation Requests (I.C. 36-7-3-13):

- (1) The vacation would hinder the growth or orderly development of the unit or neighborhood in which it is located or to which it is contiguous.
- (2) The vacation would make access to the lands of the aggrieved person by means of public way difficult or inconvenient.
- (3) The vacation would hinder the public's access to a church, school, or other public building or place.
- (4) The vacation would hinder the use of a public way by the neighborhood in which it is located or to which it is contiguous.

RE: Vacation of Land Drive and Sandhill Drive

Dear Kyle,

On February 5, 2019, STN Realty, Indiana, LLC ("STN") filed its Vacation Petition seeking to vacate Sandhill Drive and Land Drive, south of the Sabert Facility located southeast of the intersection of Ardmore and Engle. The purpose of the proposed vacations is to enable Sabert to expand the Facility to the south. The City has asked Sabert to dedicate a right-of-way within the real estate now owned or to be acquired by STN so that the City can connect Ardmore Avenue to Land Drive. STN commits that it will dedicate to the public a right-of-way connecting Land Drive to Ardmore Avenue. Design and limits of this right-of-way dedication are to be worked out with City Engineering.

Sincerely

Title of Ordinance: Vacation of Platted Right-of-Way
Case Number: VROW-2019-0001
Bill Number: G-19-02-21
Council District: 4-Jason Arp

Introduction Date: February 26, 2019
Public Hearing Date: March 12, 2019 (to be held by Council)
Next Council Action: Ordinance will return to Council after approvals from reviewing agencies.

Synopsis of Ordinance: To vacate a portion of Land Drive and a portion of Sandhill Drive (aka Genth Road).

Location: All of Land Drive within Earth Industrial Park, Section II, and the western portion of Sandhill Drive, located north of Earth Industrial Park, Section II, and west of Mark Drive. Both rights-of-way are located south of Saybert, at 3511 Engle Road.

Reason for Request: The applicant plans to expand the Saybert facility south into Earth Industrial Park, Section II. The two rights-of way lie in this area.

Applicant: STN Realty, Indiana, LLC

Property Owner: STN Realty, Indiana, LLC

Related Petitions: none

Effect of Passage: Vacation of the rights-of-way will return the land to the adjacent property owner to the north and south (STN Realty) and allow for a 292,000 square foot expansion of a manufacturing facility. These are paper streets which remain undeveloped.

Effect of Non-Passage: The rights-of-way will remain under City jurisdiction. Expansion plans will have to be substantially altered to use the land within Earth Industrial Park, Section II.
