1 (the “City”) for three (3) consecutive years immediately preceding the
2 commissioner’s term and must be a person of good moral character. A

12 appointing or electing authority. The selection is for the remainder of the
13 unexpired term.
- 14 C. A commissioner serves at the pleasure of the appointing or electing authority and
15 may be removed at any time. The process for election and removal of a

15 **Section 35.03 RULES OF PROCEDURE**

- 16 A. Authority. The Commission is created by and granted authority and jurisdiction
17 as provided by the City of Fort Wayne Code of Ordinances, as amended, Chapter
18 35, Fire Department. In considering any matter related to this ordinance, the
19 commissioners will consider state law, City Code, the collective bargaining
20 agreement between the Union and the City, and orders, policies, notices and
21 guidelines issued from time to time by the Fire Chief and the Fire Administration.
22 Unless otherwise stated herein, any change to the provisions of this ordinance
23 requires approval by the Common Council.
- 24 B. Meetings.
 - 25 1. Annual Organizational Meeting. The Commission shall meet annually on the
26 first Tuesday of February at a time and place to be designated by the
27 Commission. At the annual meeting the Commissioners shall select from their
28 number a President, Vice-President, and Secretary.
 - 29 2. Monthly Meetings. The Commission shall meet monthly on the first Tuesday
30 of each month or as needed in order to transact the business of the
Commission.
 - 3. Special Meetings. Any Commission member may call Special Meetings of the
Commission.
 - 4. Executive Session. The Commission may meet in Executive Session
consistent with the provisions of Indiana Code § 5-14-1.5-6.1 as amended.
 - 5. Meeting Location. The Commission shall establish a regular meeting location.
The location shall be suitable to accommodate the business of the

Commission, including appropriate access by the public, and must also accommodate remote electronic participation as permitted by state law.

6. Open Meetings. All meetings of the Commission, except Executive Sessions, shall be open to interested parties and members of the general public desiring to witness the proceeding or be heard by the Commission in accordance with this ordinance.
7. Quorum. Three (3) voting commissioners, including commissioner participation remotely by electronic means, to the extent allowed by state law, constitute a quorum. A majority vote of all five voting commissioners (and not simply a majority of the quorum) is necessary to transact the business of the Commission. The President shall have a vote on all matters coming before the Commission. Voting by proxy is not permitted. In any case where a vote of the Commission does not result in official action of the Commission, a subsequent meeting of the Commission shall be rescheduled and the decision reconsidered for action.
8. Order of Business. Each meeting of the Commission shall adhere to the following order of business:
 - a. Call to Order
 - b. Roll Call of Members and Staff

 - g. Miscellaneous Business
 - h. Fire Chief's Report
 - i. Commissioners' Comments
 - j. Public Comment
 - k. Adjournment
9. Agenda. Commissioners, the Fire Chief, the Union, and any Member may propose Commission agenda items to be heard by the Commission. Proposed agenda items shall be submitted to the Secretary of the Commission no later than three (3) days prior to the next scheduled meeting of the Commission. If a proposed agenda item relates to a specific document(s), the relevant portion of the document(s) shall be submitted with the proposal. The proposed agenda shall be distributed no later than three (3) days prior to that meeting to the Fire Chief, the Union, and the media (according to the media distribution list). Documents referenced in the agenda or that will be addressed according to the agenda shall be made available in advance of that meeting on request unless otherwise restricted from distribution by applicable law. In accordance with the Commission's Order of Business, the Commission shall review and adopt an agenda from the proposed agenda items submitted.
10. Voting. All voting by the Commission shall be in the form of either a roll call vote or a voice vote. Generally, a voice vote shall be used in deciding all matters. In any instances in which a voice vote is used, any commissioner of the Commission may make a motion requesting a roll call vote. Such roll call vote shall be taken if the motion receives a second from another commissioner.
11. Minutes and Record of Proceedings. The Secretary or their designee shall maintain minutes of all public Commission meetings. The minutes of each

1 meeting shall be reviewed by the Commission at its subsequent meeting. No
2 minutes shall be considered official until they are approved by a majority vote
3 as provided in section 7. Above and signed by all voting commissioners
4 present. The minutes shall remain on file with the Fire Department. Copies of
5 the minutes of any meeting may be ordered by any party, and cost thereof
6 shall be paid by the party ordering such copy or copies.

7 12. Orderly Conduct Required. Every person appearing before the Commission
8 shall abide by the order and direction of the Commission's presiding officer.
9 Discourteous, disorderly, or contemptuous conduct shall be regarded as a
10 breach of the privileges of the Commission and shall be dealt with as the
11 President deems fair and proper.

12 13. Parties Must Appear in Person. At disciplinary hearings before the
13 Commission, parties must appear in person (unless otherwise provided by
14 law), but may bring an attorney or representative. However, commissioners
15 may participate remotely by electronic means to the extent allowed by state
16 law.

17 14. Contacting any Commissioner Regarding Pending Matters Prohibited. No
18 person, firm, corporation, public employee, or body politic shall contact any
19 commissioner, nor shall a Commissioner solicit such contact, orally or in
20 writing, in advance of a public hearing or executive session, on a matter then
21 pending for decision by such Commission, for the purpose of attempting to
22 influence any commissioner's decision.

23 C. MISCELLANEOUS PROVISIONS:

24 1. Rules of Procedure. The most recent edition of *Robert's Rules of Order* shall
25 govern the conduct of all meetings except to the extent that it conflicts with
26 Indiana law or this ordinance.

27 2. Suspension of Rules. The suspension of any Rule of Procedure may be
28 ordered at any meeting of the Commission by unanimous vote of those
29 members present.

30 3. Conflict of Interest. A commissioner shall not participate in any way,
including in the discussion and the vote, in any matter involving a relative that
is pending before the Commission: "Relative" means any of the following:

- a. Spouse;
- b. Parent or step-parent;
- c. Child or step-child;
- d. Brother, sister, step-brother or step-sister;
- e. Niece or nephew;
- f. Aunt or uncle;
- g. Daughter-in-law or son-in-law;
- h. Cousin;
- i. Sister-in-law or brother-in-law

An adopted child of an individual is treated as a natural child of the
individual. The terms "brother" and "sister" include a brother or sister by the
half blood. If commissioners have a conflict of interest under this rule, they
shall remove themselves physically from the room in which the matter is
being discussed and/or voted upon, and similarly shall go off-line if
participating in the meeting telephonically or digitally. Prior to removing
themselves from the discussion and/or vote, the commissioner shall disclose the

1 conflict of interest for the record. In the case of an undisclosed conflict of
2 interest subsequently discovered regarding a matter, any commissioner or
3 party to the matter can require by request that the matter be heard and/or
4 voted upon again by the Commission in the absence of the commissioner with
5 the conflict of interest.

6 **Section 35.04 UPPER-LEVEL APPOINTMENTS**

- 7 A. The Commission may appoint and remove Members except for a Member in an
8 upper-level policymaking position. The Mayor shall appoint and may remove a
9 Member in an upper level policymaking position. For the purposes of this
10 subsection, the term “upper-level policymaking position” shall mean the Fire
11 Chief and the two (2) ranks below the Fire Chief. To the extent this is in conflict
12 with any other definition contained in this ordinance, this definition shall be
13 controlling. However, with respect to the two ranks below the Fire Chief,
14 Members holding those two ranks are subject to the rules governing discipline
15 described herein, with the exception of how disciplinary matters related to
16 Members holding these two ranks are processed. Allegations of misconduct filed
17 against Members holding those two (2) ranks, unless resolved prior to a hearing,
18 will be reviewed in a hearing by the commissioners. If the matter is resolved
19 prior to a hearing, the result will be distributed in the same manner as written
20 reprimands, suspensions, or other conclusions of investigations (see 35.10 C.
21 below). Any finding by each commissioner shall result only in a written
22 recommendation by each commissioner separately to the Mayor. Each
23 commissioner will send their individual recommendation to the administrative
24 secretary to the Commission who will then forward the recommendations to the
25 other commissioners and to the Commission’s attorney. The administrative
26 secretary will forward each recommendation along with the record of the
27 proceedings to the Mayor for the Mayor’s consideration and determination.
28 Discipline based on those recommendations shall be at the Mayor’s sole
29 discretion. The Fire Chief will report the Mayor’s determination to the
30 Commission in a regular session. Any allegation of misconduct filed against
Members holding those two (2) ranks must be based only on actions or omissions
alleged to have occurred after the effective date of this ordinance.
- B. The removal of a Member from an upper level policymaking position is removal
from rank only and not from the Department. When the Member is removed, the
Member shall be appointed by the Commission to the merit rank in the
Department that the Member held at the time of the Member’s upper-level
appointment. If such a rank is not open, the Member is entitled to the pay of that
rank and shall be promoted to that rank as soon as an opening is available.

25 **Section 35.05 RULES GOVERNING THE HIRING PROCESS**

- 26 A. To be eligible for appointment to the Fire Department, an applicant must be:
- 27 1. A citizen of the United States;
 - 28 2. A high school graduate or equivalent;
 - 29 3. At least twenty-one (21) years of age on the day that the application process
30 closes, but under thirty-six (36) years of age on the date of employment,
which is the date that a Member completes all of the conditions in the

1 conditional offer of employment and is sworn in by the City Clerk. However,
2 the age requirements do not apply to a person who has been previously
3 employed as a member of a qualified fire department or who has prior
4 military experience consistent with state law. A qualified fire department is
5 one which participates in the Indiana State Pension Relief System (Act of
6 1977); and

- 7 4. Accepted by the Indiana State Pension System (INPRS Act of 1977 for Fire
8 and Police).
- 9 B. No one may appeal any part of the hiring process, unless otherwise described
10 herein.
- 11 C. To be reappointed to the Department, persons must meet all the requirements for
12 appointment. If they meet those requirements, they are automatically placed in
13 the next Academy class.
- 14 D. A person may not be appointed or reappointed if the person has a felony
15 conviction of record.
- 16 E. Applications for appointment or reappointment to the Department must be filed
17 with the appropriate City agency. The applicant must produce satisfactory proof
18 of the date and place of the applicant's birth.
- 19 F. Applicants for appointment to the Department must pass the general aptitude test
20 required under state law. The general aptitude test shall: (1) reflect the essential
21 functions of the job; (2) be conducted according to procedures adopted by the
22 Commission; (3) be administered in a manner that reasonably accommodates the
23 needs of disabled applicants; and (4) the written test will be provided, validated
24 and scored by a testing agency. The results of the general aptitude test shall be
25 filed with the Fire Administration. The minimum score of 70% shall be required
26 to be placed on the eligibility list.
- 27 G. Applicants for appointment or reappointment shall successfully complete within
28 the allotted time of ten (10) minutes and twenty (20) seconds the Candidate
29 Physical Ability Testing ("CPAT"), which assesses a candidate's physical ability
30 to perform the essential job functions of a firefighter consistent with the job
description of a Member. Applicants who fail to successfully complete the CPAT
in under ten (10) minutes and twenty (20) seconds will be ineligible for hire.
- H. Applicants shall then be rated on the selection criteria and testing methods
adopted by the Commission, which may include mental alertness, character,
habits, and reputation. The Fire Administration shall place the names of
applicants with passing scores on an eligibility list by the order of their scores on
their general aptitude test and oral interview and shall submit the list to the
Commission for approval.
- I. The following parameters shall be used to score and rank applicants:
 1. Diverse panels will be used to interview candidates to determine stress
tolerance, ability to reason and solve problems, flexibility, ability to work as
an effective team member, strength of interpersonal relations, support of
diversity, service orientation, professional integrity, motivation and
preparation for a public safety career, continuous learning and achievement
striving, and strength of verbal communications.
 2. The panel will score the applicants based upon their answers to specific
questions.
 3. A minimum score of seventy percent (70%) shall be required for placement
on the eligibility list.

- 1 J. The Fire Chief will determine the number of applicants to be given a conditional
2 offer of employment. An average of the general aptitude test score and the oral
3 interview score will be used to rank the applicants. Applicants will be placed on
4 the eligibility list in the order of their ranking. Only those candidates who have
5 passed the general aptitude test, the oral interview, and the CPAT will be placed
6 on the eligibility list. Pursuant to state law, five points (5%) will then be awarded
7 to those applicants who have been honorably discharged from military service
8 and children of professional municipal firefighters or police officers killed in the
9 line of duty.
1. Those on the eligibility list will be subject to a background investigation
10 prior to proceeding with the required examinations identified in applicable
11 state law.
 2. If an applicant reaches the applicant's thirty-sixth birthday while still on the
12 eligibility list, the applicant's name shall be removed from the eligibility list,
13 unless otherwise eligible under state law.
 3. The eligibility list remains effective for two (2) years from the date of
14 certification unless the Commission terminates or extends the expiration date
15 of the list upon petition by the Fire Chief.
- 16 K. When the Fire Chief deems it appropriate to fill vacancies in the Department, the
17 Commission, upon request of the Fire Chief, shall direct the Fire Administration
18 to administer the physical agility test required under state law to the appropriate
19 number of applicants having the highest score on the eligibility list or to an
20 applicant who completes a lateral transfer process established by the Fire Chief
21 and approved by the Commission. If a selected applicant successfully completes
22 the physical agility test, the applicant shall then be given a conditional offer of
23 employment if:
1. The applicant passes the required examinations identified in state law; and
 2. The applicant passes the background check.
- 24 L. All appointments are probationary for a period not to exceed one year, unless
25 extended by the Commission on petition by the Fire Chief or as otherwise stated
26 herein, from being sworn in. The Fire Chief has sole discretion to establish
27 reasonable conditions and requirements for successful completion of the
28 probationary period. If the Fire Chief determines that a probationary Member's
29 conduct or capacity is not satisfactory or that a probationary Member has not
30 satisfied any of the conditions and requirements of successful completion of the
probationary period, the Fire Chief may notify the Commission in writing of that
determination, and make a recommendation that the probationary period be
extended or that the probationary Member be terminated from employment. The
Fire Administration shall provide a copy of that notification and recommendation
to the probationary Member. The notification must be served prior to the
expiration of the probationary period. Service of such notice suspends the
expiration of the probationary period for that probationary Member. The
probationary Member, within ten (10) days of service of such notification, may
request a hearing of the matter before the Commission, and that request shall be
granted. The probationary period for the probationary Member shall be extended
until the Commission renders its decision regarding the Fire Chief's
recommendation. In all other cases, at the end of the probationary period, the
Member is considered regularly employed. In no case shall the probationary
period extend beyond two (2) years from the date of hire.

4. The Chief of Training shall appoint at least two (2) skill evaluators for the hands-on skills assessment. The same two (2) evaluators shall be used for each testing group. The skill evaluators must be certified Journeyman Members. A "Journeyman Member" is a Member who has successfully completed all three (3) years of the JATP.
5. This will be a pass/fail test based on the following conditions:
 - a. Members will be given fifteen (15) minutes to review the journeyman skill sheets prior to testing.

The written appeal must be filed with the Fire Administration or as otherwise directed within ten (10) days of receipt of their score and must state the basis for the appeal. After reviewing the appeal and the recommendation of the Committee identified in B. above, the Commission shall either affirm or dismiss the appeal according to the determination of the Commission following the procedures described herein. The Member shall continue in the process pending the Commission's determination.
2. Written Test - The written test will count twenty-five percent (25%) of the competitive exam.
 - i. The written test for each rank of officer will be created, validated and administered by a professional testing agency hired by the Department.
 - ii. A representative from a professional testing agency will monitor the test.
 - iii. Members must attain a minimum score of seventy percent (70%) to pass. Members will proceed with the process pending the results of the written test.

A Member who is aggrieved with the score received on the written examination may appeal to the Commission for review of the score. The appeal must be filed within ten (10) days after notice of the score. The examination papers shall be retained in a manner consistent with Indiana law.
 - vi. A Member can only appeal an answer scored as incorrect. The Commission's review is limited to a determination of whether another of the answers to the specific question could be considered correct. An appeal benefits only the Member who initiated the appeal. If, after the Commission's determination, the Member's score is below the required passing score, the Member shall be eliminated from the process.
3. Assessment Center - The Assessment Center will count as forty-nine percent (49%) of the promotional process. 7 Center Board shall have held the merit rank of Battalion Chief, or
8 equivalent, or above. A professional testing company will serve as the

10 ia. Assessment Center – For All Merited Ranks

11 The process for all merited ranks will consist of two (2) oral
12 tactical exercises and any two (2) of the following:

- 13 1. Presentation;
- 14 2. Management Exercise;
- 15 3. Problem Analysis;
- 16 4. Simulated Situation.

17 ii. Descriptions of Assessment Center exercises:

18 iia. Oral Tactical Exercise

19 This exercise assesses a Member's ability to apply their
20 knowledge of firefighting techniques and tactics to a simulated
21 emergency situation. In general, the Member will be given visual
22 and descriptive information regarding an emergency
23 situation. The Member must demonstrate how they would behave
24 in this situation if they were in charge.

25 iib. Presentation:

26 In this exercise, a Member is given a topic relevant to a
27 firefighter's work. The Member must prepare and deliver a short
28 presentation on the assigned topic. These presentations are
29 delivered to the Assessment Center Board. This exercise is meant
30 to simulate job tasks which require that an officer teach, instruct or
lecture subordinates or make presentations to citizen groups,
department committees, and other audiences.

iic. Management Exercise:

In this exercise, a Member is given a series of memos and/or
letters. Each memo or letter contains an example of a common
situation that is typically faced by individual officers. The
Member must discuss their response to each memo or letter. The
Member may also be required to write their response in the form
of a memo, letter, or report. The Member's responses are scored
by the Assessment Center Board as to how well the Member is
able to identify and respond to critical issues. The score shall be
based in part on grammar and organization.

iid. Problem Analysis:

In this exercise, the Member is given a problem to evaluate, either in written format or presented as a video scenario. The Member will be required to identify and discuss the issues that the problem raises. This discussion will be presented orally or in writing to the Assessment Center Board.

ii. Simulated Situation:

In this exercise, Members are asked to role play their response to a situation involving interpersonal challenges. For instance, the Member might be asked to meet someone who is role-playing a subordinate in trouble. The Member must demonstrate how they would behave in this situation if they were a supervisor.

4. Oral Competitive Interviews

- i. The Fire Chief shall interview each eligible applicant but no points will be attributed to the Fire Chief's interviews.
- ii. A structured panel interview may result in an award of a maximum of six percent (6%) of the promotional process.
- iii. For the Battalion Chief Assessment, the persons on the Assessment Center Board shall have held the merit rank of Battalion Chief or above.

5. Past Performance

 - viii. The Member chosen is contacted and offered the position. If accepted, arrangements are made for promotion with the City Clerk and notification is made to the Commission.
 - ix. A Member is probationary in that rank for a period of up to one (1) year. The Fire Chief will make a recommendation during that period to the Commission as to whether the promotion shall stand or be revoked by the Commission. If the Member's promotion is revoked by the Commission, they shall return to their last merited rank.
4. If it is necessary to eliminate an ancillary position or positions for reasons as determined by the Fire Chief, Members holding those positions will be removed in order of reverse seniority. If an ancillary position is restored within twenty-four (24) months from the date of elimination, Members who held those positions shall be restored in order of seniority, provided the Member still qualifies for the position or becomes qualified within a reasonable period of time.
 5. If the Fire Chief deems it necessary to reassign a Member from their ancillary position temporarily, they will continue to receive pay at the ancillary position pay rate. The Member will return to the ancillary position on completion of the temporary assignment, provided they remain qualified for the position or become qualified within a reasonable period of time.
 6. At any Class or offense count in the disciplinary process, the Fire Chief may petition the Commission for demotion of a Member holding an ancillary position for violations of rules, regulations, policies, or procedures.

Section 35.08 PROBATIONARY PROMOTION PROCEDURES

- 1 A. When a vacancy in a merited rank occurs, the Fire Chief shall select from among
2 the two (2) Members with the highest scores remaining on the eligibility list for
3 that particular rank. If the Fire Chief selects a Member other than the one ranking
4 highest on the remaining eligibility list, the Fire Chief shall provide to the
5 Commission a written statement of the reasons that support the decision. The
6 Commission shall accept the Fire Chief's selection and promote that Member
7 unless the Commission rejects the Fire Chief's selection by a vote of at least four
8 (4) commissioners. In that event, the Member with the higher score shall be
9 promoted and the other Member remains on that eligibility list.
- 10 B. All promotions are probationary for a period not to exceed one (1) year unless
11 extended or the promotion is revoked. The Commission, upon request of the Fire
12 Chief, may extend the probationary period, revoke the promotion, or affirm the
13 promotion. At any time during the probationary period, the promotion may be
14 revoked by the Commission upon request of the Fire Chief. The probationary
15 period shall be completed in the division in which the Member is being promoted.
16 At the end of the probationary period, the Fire Chief shall review the Member's
17 performance and recommend to the Commission that the promotion be affirmed
18 or revoked. Following a hearing, the Commission may uphold, deny, or modify
19 the Fire Chief's recommendation.
- 20 C. Actions regarding promotions by the Commission may be appealed within thirty
21 (30) days to the Circuit or Superior Court of Allen County, with the City being
22 named as the sole defendant, as provided by I.C. 36-8-3.5-16(d).

23 **Section 35.09 PERFORMANCE RATING PROCEDURES**

- 24 A. The Commission shall approve rules for determining a performance rating. The
25 rules must require that a performance rating for each Member, including
26 probationary Members, be made at least once every twelve (12) months provided
27 that the Fire Chief and the two (2) ranks below the Fire Chief shall not receive a
28 rating or be involved in the performance rating process other than as stated below.
29 The rating shall be made by one (1) or more of the Member's supervisors, as
30 defined in these Rules. The ratings shall be submitted to the Commission and
kept on file in the Fire Chief's office under the Fire Chief's supervision. The
supervisor shall submit the performance rating into the electronic system and to
the Member, at which time the appeal period starts. The Commission shall notify
each Member in writing of the rating that the Member received. Appropriate City
technology and resources shall provide reasonable support for the rating system
adopted by the Commission.
- B. A Member who is aggrieved with the performance rating given to the Member by
the Member's supervisor may appeal to the Commission for a hearing to
challenge the rating. The appeal must be filed within ten (10) days after notice of
the rating has been sent to the Member. The Commission shall affirm, deny, or
otherwise modify the rating.
- C. Probationary Members shall be rated in accordance with the Joint Apprenticeship
Training Program policy.

31 **Section 35.10 RULES GOVERNING DISCIPLINE**

1 A. The Fire Chief may initiate a disciplinary action if the Fire Chief believes that a
2 Member has violated any Rule as enumerated herein, by providing written notice
3 of the allegation of misconduct, including notice by email, to the Member.
4 Likewise, any commissioner may initiate an investigation, in the same manner as
5 required herein of the Fire Chief, if they believe that a Member has violated a
6 rule, by providing written notice of the allegation of misconduct to the Fire Chief,
7 who shall then follow the procedural steps set forth herein. If the Fire Chief
8 determines, following an investigation, that the act alleged to be a violation was a
9 Class D, E or F violation committed more than five (5) years prior to the date that
10 the Fire Chief (or the commissioner, if initiated by the Commission) had notice of
11 the alleged misconduct, the matter is concluded and shall be reported to the
12 Commission, although the Commission does not have authority to act further
13 regarding the notice. There is no time limitation for an alleged Class A, B, or C
14 violation.

- 15 1. Within twenty (20) days after the Fire Chief receives a written statement, in
16 any form, from anyone who asserts alleged misconduct by a Member, the Fire
17 Administration shall notify the Member in writing, with a copy to the Union,
18 as to whether an investigation of the allegation will be initiated or not.
19 Likewise, if the Fire Chief receives from any source, including an anonymous
20 source, objective evidence such as a video or audio recording, a photo or
21 similar graphic depiction, or a document from a public agency (such as the
22 police, a prosecuting attorney's office, or the Bureau of Motor Vehicles),
23 information upon which the Fire Chief reasonably might base an allegation of
24 misconduct, the Fire Chief shall so notify the Member, with a copy to the
25 Union, within twenty (20) calendar days as to whether an investigation will be
26 initiated or not. However, when the Fire Chief receives notice from a
27 representative of an officially-recognized criminal justice organization of
28 alleged misconduct that could form the basis for a criminal charge against the
29 Member, the Fire Chief may defer the internal investigation, in the interest of
30 preserving the integrity of a possible criminal investigation, until such time as
is objectively reasonable, thus delaying the obligation to provide notice to the
Member under this provision.
2. The notice shall include a brief statement of the allegations, the identity of the
person(s) who submitted the allegations, and a copy of the written statement
from that person and the date(s) of the alleged violation(s). In the case of
objective evidence described above, a copy of the objective evidence will be
included with this notice. In the case of an allegation of sick time abuse (Rule
2-4.09), the Commission shall provide this notice.
3. When the Fire Administration notifies Members that they will be subjected to
an interview under Garrity, the notice will be copied to the Union.
4. In all disciplinary actions except those involving late for duty and sick time
abuse, the Fire Chief shall cause a Garrity interview of the Members subject
to the disciplinary action to be conducted.
5. An interviewer conducting a Garrity interview may not compel Members or
their union representative to disclose any conversation that occurred between
the Member and the Union representative, provided that the union
representative was acting in a representative capacity at the time of the
conversation. In that case, a refusal to answer a question that would require
disclosure of such a conversation will not be deemed disobedience of an

1 order. If asked and a Member declines to answer, the line of inquiry
2 regarding such communications must stop. If the Member wishes to disclose
3 the substance of such communications, the interviewer may ask relevant
4 follow-up questions. However, the Member or the Union representative shall
5 answer such a question in any of the following circumstances: when
6 necessary to prevent crimes likely to result in a clear, imminent risk of serious
7 injury or death; when the conversation involves criminal actions against the
8 Member or Union representative; or when there is a court order requiring
9 disclosure. A question posed to a Member must otherwise specifically,
10 directly, and narrowly be related to the allegations of the pending disciplinary
11 matter. Nothing in this section relieves a union representative of the duty to
12 report an infraction that they witnessed, and to testify during the investigation
13 and/or at the hearing regarding the conduct that they witnessed. A Member
14 subject to disciplinary action shall have access to all Garrity transcripts
15 created during the investigation.

- B. Except as otherwise provided in these Rules, at the conclusion of an investigation, as determined by the date of written notice to the Member and Union, of an alleged disciplinary violation, the Member or the Union on behalf of the Member may, within ten (10) days, submit a written proposal for settlement of the disciplinary action. The Fire Chief may accept or reject the proposal, or offer an alternative proposal. If the Member accepts a suspension, the Member waives their right to appeal and the Commission shall take no further action. If the Member objects to the suspension, the Fire Chief may proceed with the disciplinary process based on the class and occurrence of the alleged violation(s). If the Member appeals the suspension, the suspension does not take effect until the Commission determines to uphold the suspension. Notwithstanding the foregoing, the Fire Chief, the Union and the Member can resolve a disciplinary action at any time by agreement, which agreement must be reported to the Commission.
 - C. The Fire Chief will notify the Commission, with a copy to the Union, of all written reprimands (issued on the designated Departmental form), suspensions, and other conclusions of investigations of alleged infractions to the Commission within forty-eight (48) hours of conclusion. A failure to comply with this provision which does not prejudice a Member subject to the disciplinary action may be corrected without affecting the disciplinary action.
 - D. Prior to the conclusion of an investigation of an alleged disciplinary violation or in the absence of such investigation, the Fire Chief may relieve a Member from duty with pay (for non-punitive administrative reasons) or suspend a Member with pay pending investigation of an alleged disciplinary violation, which action shall not be appealable unless otherwise provided herein.
 - E. The Fire Chief may issue a written reprimand to a Member based on an allegation of misconduct and an investigation. Except as provided in section 2-4.09, a Member may not appeal a written reprimand based on a Class F violation (unless the violation was a Class E violation or above that was decreased to Class F by the Fire Chief). A Member may initiate an appeal to the Commission regarding any disciplinary action that would result in a suspension without pay, demotion or termination (an "Appealable Disciplinary Action"). Any prior infraction that was a factor in progressive discipline may be addressed at the hearing on appeal.

- 1 F. To appeal an Appealable Disciplinary Action, Members or their Union
2 representative or attorney must file with the administrative secretary to the
3 Commission within ten (10) days of receipt of notice of the Appealable
4 Disciplinary Action a written notice of their intent to appeal the Appealable
5 Disciplinary Action. Notice transmitted by email satisfies the written notice
6 requirement. The notice shall include a statement of the basis for the appeal.
- 7 G. Upon receiving notice of appeal from a Member, the Fire Chief shall cause notice
8 of the appeal to be transmitted to the Commission's secretary and/or attorney.
- 9 H. The Commission shall consult with the Fire Chief and the Member or their
10 representative to determine the date(s) on which the hearing of the appeal will be
11 held. The Commission shall use its best efforts to reasonably accommodate the
12 schedules of both parties and their representatives. Unless the parties otherwise
13 agree, the hearing will be held no sooner than twenty-one (21) days from the date
14 of the notice of appeal.
- 15 I. Both parties are entitled to be represented by counsel or, in the case of the
16 Member, a Union representative. Both parties are entitled to produce evidence at
17 the hearing. Both parties are entitled to require the Commission to cause
18 subpoenas to be issued, served, and executed pursuant to Ind. Code 36-8-3.5-
19 17(e).
- 20 J. Unless otherwise agreed, the parties shall exchange exhibits and a list of
21 witnesses at least five (5) days prior to the hearing. The exhibits and list of
22 witnesses shall be made available to the Commissioners at that time. In the
23 absence of an agreement by the parties, the commissioners may determine an
24 appropriate sanction for failure to timely disclose exhibits and witnesses.
- 25 K. If a witness fails to comply with a subpoena issued pursuant to these rules, the
26 Commission shall continue the hearing upon the request of the party that
27 requested the subpoena. The Commission also may file an affidavit in the Circuit
28 Court of Allen County stating the facts of the failure as provided in I.C. 36-8-3.5-
29 17(f). Expenses related to the filing of an affidavit and the issuance and service
30 of a summons shall be charged to the witness against whom the subpoena has
been issued, unless the Circuit Court finds that the action of the witness was taken
in good faith and with reasonable cause. In that case, the expenses shall be
charged to the Commission.
- L. A decision to discipline a Member may be made only if the preponderance of the
evidence presented at the hearing supports the decision.
- M. The hearing pursuant to this section shall be conducted in executive session. The
Commission shall order separation of witnesses other than the Fire Chief, the
Member, and their representatives, upon request of either party.
- N. The Commission shall record the hearing (either by its secretary or a third-party
qualified to record such hearings). The Commission shall provide a copy of the
recording and a copy of the transcript of the record (if created) upon request to
the Member or their representative at no cost to the Member.
- O. The Commission may affirm, modify, or dismiss the disciplinary action. The
Commission's authority to charge a Member with a disciplinary violation or to
modify a disciplinary action shall be unlimited.
- P. Judicial Review Process. A Member may appeal a decision of the Commission to
suspend the Member for a period greater than ninety-six (96) hours or more for a
twenty-four (24) hour Member or sixty-four (64) hours or more for a forty (40)
hour Member or to dismiss the Member as provided in I.C. 36-8-3.5-18 (or any

1 successor statute), subject to the time limitations and procedural requirements set
2 forth in said statute.

- 3 Q. Written reprimands for the same offense shall cease to have effect in progressive
4 discipline two (2) years from the date of issue but shall be kept as part of a
5 Member's permanent record.
- 6 R. Suspensions for the same offense shall have effect in progressive discipline four
7 (4) years from the date of issue but shall be kept as part of a Member's permanent
8 record. However, if appealed, when determining the level of discipline and
9 penalty, the Commission may consider a Member's complete personnel record
10 when addressing disciplinary matters.
- 11 S. Suspensions shall be at the Member's current rate of pay. Use of overtime,
12 vacation, or holiday time in lieu of suspension shall not be allowed.
- 13 T. Members may be charged with any or all disciplinary rule violation(s) that may
14 apply to a single specific action or inaction but may be penalized for only one of
15 the applicable rule violations. However, Members who commit multiple
16 violations based on two or more separate actions or inactions within a single,
17 continuous incident may be penalized once (including where more than one type
18 of rule violation may apply to a specific action or inaction, as stated above) for
19 each separate action or inaction, resulting in a separate, single penalty for each
20 action or inaction. Multiple instances of the same behavior during a single,
21 continuous incident will not be the basis for escalation on the penalty schedule.
- 22 U. The Fire Chief may increase or decrease the discipline given to a Member (by one
23 infraction occurrence on the penalty schedule or by one class of infraction),
24 depending on the circumstances of the alleged offense. The circumstances that
25 led to the increase or the decrease in discipline shall be stated in writing and
26 conveyed to the Member. Alternatively, the Fire Chief may petition the
27 Commission to determine an appropriate penalty following a hearing.
- 28 V. Members are entitled to a copy of any of their files held by the City subject to
29 exceptions under applicable law, which will be provided within a reasonable time
30 upon request. A denial of such request shall be grieved pursuant to the terms of
the collective bargaining agreement.
- W. If a Member is suspended, the Member is entitled to the allowances for benefits
as defined in the Collective Bargaining Agreement (with the exception of
vacation accrual and pension payments made by the City on behalf of the
Member) to which the Member was entitled before the suspension. To determine
vacation suspension, the following calculation will be used: divide the number of
suspended hours/days by 365, then multiply that number by the number of earned
days for which the Member is eligible. For example, $20 \text{ days} / 365 = .054 \times 13$
earned days = 0.702 days. Earned days less than .50 will be rounded down to the
nearest whole day while earned days equal to or greater than .50 will be rounded
up to the nearest whole day.
- X. In order to provide a similar financial impact for suspended time off between
eight (8) hour and twenty-four (24) hour personnel, the following Disciplinary
Step Conversion Table will be used:

STEP	24-HOUR	40-HOUR
.5	12	8
1	24	16
1.5	36	24

2	48	36
2.5	60	40

15 b. Members, one time during their career, prior to taking a drug test, may
16 self-report an issue with illegal drugs (that is, that they will likely fail the
17 test) and then enter into a drug-cessation/recovery program at the City's
18 expense. Members who invoke this option shall be on unpaid suspension
19 for two hundred forty (240) hours for a twenty-four (24) hour Member
20 and one hundred seventy-two (172) hours for a forty (40) hour Member
21 and agrees to release to the Fire Administration their records related to the

19 Class E

20 Members may not engage in outside employment or other activity while on
21 medical leave that would conflict with their regular Department work
22 schedule if they were actively at work, unless otherwise allowed by

1 Department SOP or applicable law. If the outside employment or other
2 activity is determined by a medical professional to interfere with
3 rehabilitation, the Fire Chief may require that Members not work their outside
4 employment or engage in the activity for the period recommended by the
5 medical professional. The Fire Chief, at the Fire Chief's discretion, may

11 the event of a conviction.
