PROJECT SUMMARY

This public hearing is for the next phase of the housing related ordinance amendment project. This amendment has been developed by the Housing Options Review Work Group, which is comprised of staff from the Allen County Department of Planning Services and the Fort Wayne Community Development Division. The primary objective of this work group is to implement housing related policies and action steps in the All In Allen Comprehensive Plan related to encouraging the development of more diverse housing options in Fort Wayne and Allen County. The work group has spent the past year reviewing existing policies and ordinances, conducting research on other communities, determining policies and standards that may be limiting housing options, developing recommended amendments to those standards, and meeting with contractors, developers, real estate agents, and neighborhood representatives. This Accessory Dwelling Unit Amendment for the Fort Wayne Zoning Ordinance is the first phase of the Housing Options Review Work Group's proposed changes.

This set of accessory dwelling unit amendments is proposed to:

- 1) Identify issues and elements of the current zoning ordinance that can be updated to encourage the development of more diverse and innovative housing types; and
- 2) Implement housing related policies and action steps of the All In Allen Comprehensive Plan.

A summary of the proposed 2024 accessory dwelling unit amendments is attached; the proposed effective date is March 1, 2025. To maintain alignment with Allen County and Fort Wayne, the Grabill, Huntertown, Monroeville and Woodburn ordinances may also be amended.

PUBLIC HEARING SUMMARY:

Presenter: Dave Schaab, Principle Planner for Special Projects, presented the request as outlined above.

Public Comments:

John Hoffman-Board of SEAP and Westwood Fairway (5000 N Washington Rd) – In support, but many Plan Commission comments should be considered; Air BnB a concern; need more consideration; petition was presented to the President's meeting and Quadrant meetings.

Beth Goldsmith (14818 Gateside Dr) – In support; need more housing options; distributed Zimmerman Volk Study regarding Allen County future growth and housing affordability.

Jeremy McClish (2020 E Washington Blvd) – In support; works with Habitat for Humanity.

Thomas Schriener (2215 Kensington Blvd) – In support; likes the options for young adults; affordability for kids starting out.

Thomas Oberfell (1719 Forest Park Blvd) – Opposed; old neighborhoods do not have covenants; proposal too wide reaching; density and parking will be problems; Hannah and Creighton was later mitigated after this same type of action.

Closing Comments: Dave Schaab stated they will look into these items. The Comp Plan does encourage density. Beth Morales stated this amendment only applies in Residential districts, not Commercial or Industrial.
