Ben Roussel, Director  
Allen County Department of Planning Services  
200 East Berry Street, Suite 150  
Fort Wayne, IN 46802

In alignment with the *All in Allen Comprehensive Plan* – specifically, Housing & Neighborhoods, Goal 1: Support and Strengthen Complete Neighborhoods, and Policy 1.6: Encourage Neighborhood Activation and Planning – the City of Fort Wayne, in partnership with the Waynedale 2040 Planning Committee, has developed the **Waynedale 2040 Neighborhood Plan**.

This planning effort began in the fall of 2024, due to this area's expected future investments and growth, additionally, from the interest of neighborhood residents to establish a neighborhood plan. Since then, city staff and a dedicated volunteer steering committee have diligently worked to gather extensive community input from nearly 950 residents, business owners, and stakeholders in the neighborhood.

**Waynedale 2040** includes updated demographic data, along with goals and policies, and reflects the community's current priorities. It also focuses on key areas, including neighborhood safety, walkability, access to recreation and wellness, and celebrating the neighborhood's history and community.

On **March 16, 2026**, the Fort Wayne Plan Commission formally initiated the adoption process for the Waynedale 2040 plan. As part of the next steps, the plan is set to be introduced to Common Council on **April 28, 2026**, followed by a public hearing hosted by the Plan Commission on **May 11, 2026**.

Staff members from the City of Fort Wayne's Department of Neighborhoods will prepare the Staff Report and provide all necessary documentation for the public hearing process.

If you have any questions regarding the Waynedale 2040 Neighborhood Plan, please do not hesitate to contact me at (260) 427-5694 or [dan.baisden@cityoffortwayne.org](mailto:dan.baisden@cityoffortwayne.org).

Sincerely,

Dan Baisden

## WHAT IS THE PLANNING PROCESS?

The **Waynedale 2040** began in the fall of 2024, due to this area's expected future investments and growth, additionally, from the interest of neighborhood residents to establish a neighborhood plan. Since then, city staff and a dedicated volunteer steering committee have diligently worked to gather extensive community input from residents, business owners, and stakeholders in the neighborhood.

This process started with a steering committee made up of leaders and residents from the various businesses and neighborhoods within the plan boundary. The plan is called **Waynedale 2040** to honor its past and collective pride that the community still holds to this day.

**Waynedale 2040** is founded on stakeholder and resident contributions. From 2024-2026 over nine hundred community members have been engaged including youth, property owners, renters, elected officials, workers, and business owners. Over 15 events and workshops have been held in-person and online, including working group meetings, neighborhood walks, open houses, and neighborhood meetings at various locations including The Stand, Waynedale Park, Psi Ote Park, Avalon Church, and Waynedale United Methodist Church. Additional engagement included online surveys in English and Spanish. Overall about 950 neighborhood residents were engaged in the planning process to elicit a complete picture of the community's priorities and desires.

The following principles serve as the foundation of Waynedale 2040, guiding all strategies, actions, and recommendations within the plan. Rooted in the community's values and priorities, these principles reflect a shared vision for a stronger, more connected, and resilient neighborhood. They respond to both present-day challenges and long-term opportunities, ensuring that the community remains a place where residents feel safe, supported, and proud to call home.

## Planning Principles:

### **A Safer Waynedale**

People should feel safe in their neighborhoods. This aims at prioritizing strategies that help strengthen public safety, create inviting public spaces, and encourage community involvement. By fostering a greater connection, visibility, and sense of trust, it aims to enhance safety perceptions and a greater peace of mind in Waynedale.

### **A Vibrant Waynedale**

A flourishing business community can provide a lot of value to neighborhoods. From a local ice cream shop to a long-standing retail store, supporting strategies that can help lay groundwork for new businesses, and elevate, celebrate, and guide existing businesses is crucial to the area. This principle looks to provide clarity on supporting local businesses and elevating current those who have paved the way for decades.

### **A Connected Waynedale**

Physical and developmental changes often support and influence greater connections. Sidewalks and trails allow for physical connections to key parts of the neighborhood, while developmental changes can provide destinations to open up more social or economic connections. Providing ways to safely connect and bring community together are an important part of moving forward with neighborhoods in mind.

### **A Resourceful Waynedale**

Neighborhoods can have many strengths, but their ability to be both resourceful and resilient can showcase the true power of community connections. Leveraging internal resources like businesses, faith organizations, parks, and neighborhoods are powerful tools that Waynedale has. Using those resources to enhance those strengths through can open unseen potential and further advance community relationships.

### **A Celebrated Waynedale**

Neighborhoods are places that should not only feel like home, but are places that should celebrate its identity, pride, and unique strengths. Allowing a place to tell stories through art, literature, history, and community help to show pride-in-place. Waynedale has a deep sense of community pride, and it is important that this plan addresses ways in which those voices are shared, heard, and amplified.

  - 5.1 Encourage additional outreach and engagement to support local and regional recreation and tourism opportunities

### **Waynedale 2040: Background**

Waynedale 2040 is a planning document that provides a shared vision and direction of 24 Neighborhoods located in the southeastern portion of the City of Fort Wayne. The Waynedale Plan area is rich in history and is a long-standing community moving forward a bright future. In the following pages, you will find that this plan is created to:

- Engage the residents and stakeholders of the planning area to identify and prioritize needs and aspirations

- Establish a shared vision that can guide the neighborhoods over the next decade
- Celebrate the neighborhoods' history and culture and discover its unique personality
- Develop a set of goals and implementation strategies that will guide planning and development activities, neighborhood design, public improvements, and future investments
- Provide guidance to the Waynedale area neighborhoods, the City of Fort Wayne, decision makers, public agencies, developers, investors, for-profit corporations, and non-profit corporations

#### **Waynedale 2040: Process**

The **Waynedale 2040** began in the fall of 2024, due to this area's expected future investments and growth, additionally, from the interest of neighborhood residents to establish a neighborhood plan. Since then, city staff and a dedicated volunteer steering committee have diligently worked to gather extensive community input from residents, business owners, and stakeholders in the neighborhood. **Waynedale 2040** is founded on stakeholder and resident contributions. From 2024-2026 over nine hundred community members have been engaged including youth, property owners, renters, elected officials, workers, and business owners. Over 15 events and workshops have been held in-person and online, including working group meetings, neighborhood walks, open houses, and neighborhood meetings at various locations including The Stand, Waynedale Park, Psi Ote Park, Avalon Church, and Waynedale United Methodist Church. Additional engagement included online surveys in English and Spanish. Overall, about 950 neighborhood residents were engaged in the planning process to elicit a complete picture of the community's priorities and desires.

**Online Engagement:** To gather residents' and business owners' thoughts and concerns about the area, direct mail was sent to every address in the planning area. The Department of Neighborhoods in collaboration with the Waynedale 2040 Planning Committee also handed out over 1,200 Engage Fort Wayne post cards at the Waynedale Memorial Day Parade. Through the Engage Fort Wayne platform, the digital survey and questionnaires received 168 responses. Those responses provided information about specific concerns as well as demographic and broad perspectives of future focus areas.

**Stakeholder Interviews:** Staff conducted over forty one-on-one stakeholder interviews to gain in-depth information about the challenges and priorities of the neighborhoods. The stakeholder interviews were conducted from Fall 2024 to Fall 2025, either through video call or at various locations throughout the neighborhood. Interviewees were selected through "snowball sampling" with the steering committee providing the first residents to contact and each interviewee sharing additional stakeholders to interview.

**Stakeholder Focus Groups:** Two unique focus groups were conducted in Spring 2026 focused on priority topics uncovered through community engagement. Each event was attended by various local stakeholders in accordance with the topic. Those topics included (1) local businesses and (2) faith-based organizations. A total of 15 individuals attended the focus groups and provided feedback to influence the recommendations in the plan.

**Open Houses:** The City's Department of Neighborhoods hosted and participated in five well-attended events which provided residents with ample opportunities to provide feedback in the planning process. The first two were hosted at Waynedale Park and Psi Ote Park in June 2025. The other three were hosted in July at The Stand, Avalon Church, and Willow Creek Crossing. The City sent out over 6,800 direct-mail pieces to residents for all events, with over 250 residents in attendance. In addition to input, staff had one-on-one conversations with residents who had additional feedback that helped influence goals and strategies in the plan. In February 2026, the neighborhoods were invited to attend one of two open house events to review the planning strategies and provide any additional outstanding input. Over 110 residents attended the two sessions held at the Waynedale Allen County Public Library. The Department also attended the Avalon Fall Fest, and helped host the Town Hall in the early part of this process, which collectively provided an additional 175 responses from residents and families.

**Engagement Outcomes:** It was evident through all engagement levels that safety and lack of infrastructure were the residents' top priority, followed by local business support and a large sense of community. In total, over 980 people provided input, suggestions, and ideas for the plan, which makes up roughly 7% of the planning areas total population. Additionally, a well-rounded steering committee made up of neighborhood residents and business owners helped shape the plan with support from City staff. The goals and strategies outlined in the plan reflect the most commonly heard needs and desires of the neighborhood to enhance the community and prepare it for the next decade ahead.

- 

### **Waynedale 2040: Implementation**

Measuring the success of any plan is traditionally based on the achievement of its goals and policies through decision making and implementation of defined action steps. While the goals and strategies provide guidance for decision making, the completion of action steps will be the benchmarks of success. The adoption of the goals and strategies of the plan as an amendment to the All In Allen Comprehensive Plan ensures that the needs of the community are considered during infrastructure

planning and in the review of new development. The action steps are not considered for adoption under the proposed amendment, as they provide specific tasks to implement the goals and strategies and are intended to remain flexible and may change over time.

The implementation of this plan is expected to continue over the next 5 to 10 years and is intended to be championed by the Waynedale 2040 Planning Committee with continued support and assistance by the City of Fort Wayne's Department of Neighborhoods. Ensuring the overall success of the plan will require collective efforts that also include other City departments, property owners, and other community stakeholders.

**Waynedale 2040** is a planning document that provides a shared vision and direction for the 24 neighborhoods located in the southwestern area of the City of Fort Wayne, informally known as Waynedale. The Waynedale 2040 planning area is a place rich with history, and has represented itself as a longstanding community that looks to preserve and enhance its neighborhoods, while welcoming a bright future.

The Waynedale 2040 Neighborhood Plan was created with input from over 900 residents and accomplishes these goals:

- Engage the residents and stakeholders of the area to identify and prioritize needs and aspirations,
- Establish a shared vision that can guide Waynedale neighborhoods
- Celebrate the area's history and connectivity, and share its unique personality,
- Develop a set of goals and implementation strategies that will guide planning and development activities, neighborhood design, public improvements, and future investments, and
- Provide a guide to the Waynedale neighborhood associations, the City of Fort Wayne, decision-makers, public agencies, developers, investors, for-profit corporations, and non-profit organizations.

We ask that the City of Fort Wayne Plan Commission consider the initiation of the Waynedale 2040 Plan as an amendment to the All In Allen Comprehensive Plan.

Dear Members of the Plan Commission and City Council,

As a faith community rooted in Waynedale, we are grateful for the opportunity to express our support for the **Waynedale 2040 Plan**. Our congregation has long been part of the spiritual and civic life of this area, and we care deeply about the direction in which our neighborhoods are headed.

We believe vibrant communities do not happen by accident — they are built through intentional planning, responsible leadership, and a shared commitment. The Waynedale 2040 Plan provides a thoughtful framework to guide growth while honoring the character and history that make this community distinct. Its focus on neighborhood vitality, community relationships, and long-term stability aligns with our desire to see Waynedale continue to flourish.

Each week, we serve families, children, seniors, and individuals who call this area home. We see firsthand the importance of safe neighborhoods, accessible infrastructure, and a strong local community. A clear and unified vision for the future will help ensure that Waynedale remains a place where people can thrive.

We respectfully encourage you to adopt the Waynedale 2040 Plan and continue working toward a future that strengthens both the physical and relational fabric of our community.

Thank you for your service and for your dedication to the people of Waynedale.

Sincerely,

Dear Members of the Plan Commission and City Council,

On behalf of the **Broadview Terrace Community Association**, we write to express our strong support for the adoption of the **Waynedale 2040 Plan**. Our association represents residents who have strong roots here in Waynedale. We are committed to the long-term health, upstanding character, and success of the Waynedale community, and we believe this plan provides a clear and exciting vision for its future.

The Waynedale 2040 Plan thoughtfully balances the importance of maintaining the neighborhood's identity while planning for important improvements in safety, infrastructure, community relationships, and public spaces. We champion the plan's emphasis on neighborhood stability and its focus on creating a community that is safe, accessible, and welcoming for current and future residents.

The Waynedale community was given opportunity to express their thoughts and the planning committee listened well. The inclusion of resident voices and local perspectives strengthens the plan and ensures that its recommendations align with the priorities of those who live, work, and invest in Waynedale on a daily basis.

We respectfully urge the Plan Commission and City Council to support and adopt the Waynedale 2040 Plan.

Thank you for your tireless leadership and your unwavering commitment to the future of our neighborhoods.

Sincerely,

Dear Members of the Plan Commission and City Council,

I moved to Waynedale in 2009 because I was drawn to its hometown community feel, the pride shown by its residents and businesses, and its convenient location. Waynedale has a history and character unlike any other community in Fort Wayne.

My profession led me to become more actively involved in supporting this neighborhood through trail committees, co-organizing community events that promote unity and fun, and continually advocating for the place we proudly call home.

It has been an honor to participate in the Waynedale 2040 planning process. We have appreciated the leadership and support from the City of Fort Wayne and the willingness to partner with our community as we work toward thoughtful growth. Through this process, we gathered valuable input from residents and worked carefully to identify improvements that will best support Waynedale's future. The effort has generated enthusiasm, momentum, and excitement as the plan continues to move forward.

I strongly urge you to adopt the Waynedale 2040 proposal. This plan outlines important steps to help ensure a strong future for our residents, neighborhoods, and businesses so they can continue to grow and flourish.

Thank you for your time, your service, and your commitment to the Waynedale community.

Dear Members of the Plan Commission and City Council,

I am writing as a resident who truly cares about the Waynedale community and the future of our neighborhood. I would like to express my strong support for the adoption of the **Waynedale 2040 Plan**.

Waynedale is more than just a place to live—it is a community built on relationships, pride, and a shared sense of belonging. I value the character of our neighborhoods, the local businesses that serve us, and the people who make this area special. The Waynedale 2040 Plan reflects those values while also looking ahead with purpose and responsibility.

I appreciate that the plan focuses on preserving what makes Waynedale unique while encouraging thoughtful improvements that will strengthen our community. Planning for infrastructure, community support, and neighborhood stability is essential if we want Waynedale to remain a safe, welcoming, and vibrant place for families, seniors, and future generations.

Most importantly, this plan shows that the future of Waynedale matters. It provides a direction and a shared vision that can guide decisions in a way that respects both our history and our potential.

I respectfully encourage you to adopt the Waynedale 2040 Plan and continue supporting efforts that protect and strengthen the neighborhoods we call home.

Thank you for your service and your commitment to our community.

Dear Members of the Plan Commission and City Council,

I am writing as a longtime resident of the Waynedale area to express my strong support for the adoption of the **Waynedale 2040 Plan**. Having lived in this community for many years, I care deeply about its future and believe this plan reflects a thoughtful and realistic vision for Waynedale's continued success.

Waynedale has always been a community with a strong sense of pride. The Waynedale 2040 Plan recognizes those strengths while also addressing the need for responsible growth, reinvestment, and long-term planning. I appreciate the focus on maintaining neighborhood character, improving infrastructure, and creating a community that remains a good place to live for current residents and future generations.

I've seen many changes in our city over the years and the care with which the recent neighborhood plans have been crafted has impressed me greatly. The neighborhood staff and the others from city government that they brought to the neighborhood planning committee were all well prepared and great at handling my semi-informed questions and concerns.

Coordinating this effort with changes to zoning and bringing news of already planned changes made the process of making a new plan much easier.

I am also encouraged by the level of community input that helped shape this plan. Knowing that resident voices were heard gives me confidence that the recommendations reflect real needs and shared priorities, rather than short-term solutions.

I respectfully encourage the Plan Commission and City Council to support and adopt the Waynedale 2040 Plan. Adoption of this plan will provide guidance for future decisions and help ensure that Waynedale continues to move forward in a thoughtful and positive way.

Thank you for your time, service, and commitment to the Waynedale community.

Sincerely,

*Dear Members of the Plan Commission and City Council,*

*My wife and I have lived in Waynedale for more than forty years, and our family has been part of this community for generations. During that time, we have witnessed significant growth and positive change, including the expansion of Ardmore Road and the development of new homes throughout the southwest area of Waynedale. These improvements have strengthened our neighborhoods and demonstrated the value of thoughtful, long-term planning.*

*We are encouraged by the vision outlined in the Waynedale 2040 Plan. The committee's efforts to attract new businesses—particularly additional restaurants and more community activities—reflect a strong commitment to enhancing the quality of life for current and future residents. As long-time members of this community who plan to remain here, we fully support continued investment and future enhancements that will help Waynedale thrive.*

Dear Members of the Plan Commission and City Council,

On behalf of the Winterset Community Association we write to express our strong support for the adoption of the Waynedale 2040 Plan. Our association represents residents who are deeply invested in the long-term health, character, and success of the Waynedale community, and we believe this plan provides a clear and responsible vision for the future.

The Waynedale 2040 plan values neighborhood identities while planning for improvements in safety, infrastructure, community relationships, and public spaces. Neighborhood stability and safe neighborhoods are integral in promoting Waynedale as a family oriented community.

Equally important, the planning process reflected meaningful community engagement. Residents became more engaged in the planning process ensuring inclusion while prioritizing the aspirations of the Waynedale 2040 Plan.

The Winterset Community Association respectfully urge the Plan Commission and City Council to support and adopt the Waynedale 2040 Plan. Adoption will provide a framework to guide decisions and investments in the Waynedale community while creating a stronger Fort Wayne.
