

**A DECLARATORY RESOLUTION designating an
"Economic Revitalization Area" under I.C. 6-1.1-
12.1 for property commonly known as 5021
Investment Drive, Fort Wayne, Indiana 46808
(AccuTemp Products, Inc.)**

WHEREAS, Petitioner has duly filed its petition dated December 6, 2013 to have the following described property designated and declared an "Economic Revitalization Area" under Sections 153.13-153.24 of the Municipal Code of the City of Fort Wayne, Indiana, and I.C. 6-1.1-12.1, to wit:

Attached hereto as "Exhibit A" as if a part herein;

and

WHEREAS, said project will create 14 full-time, permanent jobs for a total new, annual payroll of \$561,455, with the average new annual job salary being \$40,104 and retain 53 full-time, permanent jobs for a total current annual payroll of \$2,450,085, with the average current, annual job salary being \$46,228; and

WHEREAS, the total estimated project cost is \$493,306; and

WHEREAS, it appears the said petition should be processed to final determination in accordance with the provisions of said Division 6.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. That, subject to the requirements of Section 6, below, the property hereinabove described is hereby designated and declared an "Economic Revitalization Area" under I.C. 6-1.1-12.1. Said designation shall begin upon the effective date of the Confirming Resolution referred to in Section 6 of this Resolution and shall terminate on December 31, 2016, unless otherwise automatically extended in five year increments per I.C. 6-1.1-12.1-9.

SECTION 2. That, upon adoption of the Resolution:

- Said Resolution shall be filed with the Allen County Assessor;
- Said Resolution shall be referred to the Committee on Finance requesting a recommendation from said committee concerning the advisability of designating the above area an "Economic Revitalization Area";
- Common Council shall publish notice in accordance with I.C. 6-1.1-12.1-2.5 and I.C. 5-3-1 of the adoption and substance of this resolution and setting this designation as an "Economic Revitalization Area" for public hearing;

1 **SECTION 3.** That, said designation of the hereinabove described property as an
2 "Economic Revitalization Area" shall apply to a deduction of the assessed value of personal
3 property for new manufacturing, research and development, logistical distribution, and
4 information technology equipment.

5 **SECTION 4.** That, the estimate of the number of individuals that will be employed
6 or whose employment will be retained and the estimate of the annual salaries of those
7 individuals and the estimate of the value of new manufacturing, research and development,
8 logistical distribution, and information technology equipment, all contained in Petitioner's
9 Statement of Benefits, are reasonable and are benefits that can be reasonably expected to
10 result from the proposed described installation of new manufacturing, research and
11 development, logistical distribution, and information technology equipment.

12 **SECTION 5.** That, the current year approximate tax rates for taxing units within
13 the City would be:

14 ... If the proposed new manufacturing, research and development, logistical
15 distribution, and information technology equipment is not installed, the
16 approximate current year tax rates for this site would be \$3.1821/\$100.

17 ... If the proposed new manufacturing, research and development, logistical
18 distribution, and information technology equipment is installed and no deduction
19 is granted, the approximate current year tax rate for the site would be
20 \$3.1821/\$100 (the change would be negligible).

21 ... If the proposed new manufacturing, research and development, logistical
22 distribution, and information technology equipment is installed and a deduction
23 percentage of eighty percent (80%) is assumed, the approximate current year
24 tax rate for the site would be \$3.1821/\$100 (the change would be negligible).

25 **SECTION 6.** That, this Resolution shall be subject to being confirmed, modified
26 and confirmed, or rescinded after public hearing and receipt by Common Council of the
27 above described recommendations and resolution, if applicable.

28 **SECTION 7.** That, pursuant to I.C. 6-1.1-12.1, it is hereby determined that the
29 deduction from the assessed value of the new manufacturing, research and development,
30 logistical distribution, and information technology equipment shall be for a period of five
years.

SECTION 8. The deduction schedule from the assessed value of new
manufacturing, research and development, logistical distribution, and information technology
equipment pursuant to I.C. 6-1.1-12.1-17 shall look like this:

Year of Deduction	Percentage
1	100%

2	80%
3	60%
4	40%
5	20%

SECTION 9. That, the benefits described in the Petitioner's Statement of Benefits can be reasonably expected to result from the project and are sufficient to justify the applicable deductions.

SECTION 10. That, the taxpayer is non-delinquent on any and all property tax due to jurisdictions within Allen County, Indiana.

SECTION 11. That, pursuant to I.C. 6-1.1-12.1-12 et al, any property owner that has received a deduction under section 3 or 4.5 of said chapter may be required to repay the deduction amount as determined by the county auditor in accordance with section 12 of said chapter if the property owner ceases operations at the facility for which the deduction was granted and if the Common Council finds that the property owner obtained the deduction by intentionally providing false information concerning the property owner's plans to continue operation at the facility.

SECTION 12. That, this Resolution shall be in full force and effect from and after its passage and any and all necessary approval by the Mayor.

In order to be considered an Economic Revitalization Area (ERA), the area must be within the corporate limits of the City of Fort Wayne and must have become undesirable for, or impossible of, normal development and occupancy because of a lack of development, cessation of growth, deterioration of improvements or character of occupancy, age, obsolescence, substandard buildings, or other factors which have impaired values or prevent a normal development of property or use of property. It also includes any area where a facility or group of facilities that are technologically, economically, or energy obsolete is located and where the obsolescence may lead to a decline in employment and tax revenues.

How does the property for which you are requesting designation meet the above definition of an ERA?

A majority of the investment will be spent on tooling to upgrade of our griddle product. Our griddle product currently has welded corners and with this new innovative process and tooling, the griddle will have rounded corners which will increase the reliability of our product. Also, these upgrades need to be done to continue to make our company efficient and profitable.

PERSONAL PROPERTY INFORMATION

Complete this section of the application if you are requesting a deduction from assessed value of new manufacturing, research and development, logistical distribution or information technology equipment.

List below the equipment for which you are seeking an economic revitalization area designation.

Manufacturing equipment must be used in the direct production, manufacture, fabrication, assembly, extraction, mining, processing, refining, or finishing of other tangible personal property at the site to be designated. Research and development equipment consists of laboratory equipment, research and development equipment, computers and computer software, telecommunications equipment or testing equipment used in research and development activities devoted directly and exclusively to experimental or laboratory research and development for new products, new uses of existing products, or improving or testing existing products at the site to be designated. Logistical distribution equipment consists of racking equipment, scanning or coding equipment, separators, conveyors, fork lifts or lifting equipment, transitional moving equipment, packaging equipment, sorting and picking equipment, software for technology used in logistical distribution, is used for the storage or distribution of goods, services, or information. Information technology equipment consists of equipment, including software used in the fields of information processing, office automation, telecommunication facilities and networks, informatics, network administration, software development and fiber optics: (use additional sheets, if necessary)

Griddle Opportunity: Currently our griddle chamber is produced in China and we're evaluating the possibility for these chambers to be produced in Evansville, Indiana. The reasons to locate the production to Evansville for both parties are: Quality, logistics, job creating, capital equipment and enhanced technical skillsets which would all be housed in the state of Indiana.

Combi Opportunity: A combi oven is a combination of a steamer and commercial oven and is primarily used in healthcare and school facilities. Currently AccuTemp has developed a prototype for the Navy.

Flash Steamer: A flash steamer is a smaller unit and AccuTemp is researching vendors in Indiana as well as Illinois. Advantage to locate in Indiana is to retain job creation / work in Indiana.

CERTIFICATION

I, as the legal taxpayer and/or owner, hereby certify that all information and representations made on this application and its attached exhibits are true and complete and that neither an Improvement Location Permit nor a Structural Permit has been filed for construction of improvements, nor has any manufacturing, research and development, logistical distribution or information technology equipment which is a part of this application been purchased and installed as of the date of filing of this application. I also certify that the taxpayer is not delinquent on any and all property tax due to taxing jurisdictions within Allen County, Indiana. I understand that any incorrect information on this application may result in a rescission of any tax phase-ins which I may receive.

I understand that I must file a correctly completed Compliance with Statement of Benefits Form (CF-1/Real Property for real property improvements and CF-1/PP for personal property improvements) and the Public Benefit Annual Update with the City of Fort Wayne Community Development Division in each year in which I receive a deduction. Further the CF-1/PP form must be filed with the county assessor and the CF-1/Real Property must be filed with the county auditor. Failure to file the CF-1 form with these agencies may result in a rescission of any tax phase-in occurring as a result of this application.

The cost and any specific individual's salary information is confidential; the balance of the filing is public record per IC 6-1.1-12.1-5.1 (c) and (d).

INSTRUCTIONS:

1. This statement must be submitted to the body designating the Economic Revitalization Area prior to the public hearing if the designating body requires information from the applicant in making its decision about whether to designate an Economic Revitalization Area. Otherwise this statement must be submitted to the designating body BEFORE a person installs the new manufacturing equipment and/or research and development equipment, and/or logistical distribution equipment and/or information technology equipment for which the person wishes to claim a deduction. "Projects" planned or committed to after July 1, 1987, and areas designated after July 1, 1987, require a STATEMENT OF BENEFITS. (IC 6-1.1-12.1)
2. Approval of the designating body (City Council, Town Board, County Council, etc.) must be obtained prior to installation of the new manufacturing equipment and/or research and development equipment and/or logistical distribution equipment and/or information technology equipment, BEFORE a deduction may be approved
3. To obtain a deduction, a person must file a certified deduction schedule with the person's personal property return on a certified deduction schedule (Form 103-ERA) with the township assessor of the township where the property is situated or with the county assessor if there is no township assessor for the township. The 103-ERA must be filed between March 1 and May 15 of the assessment year in which new manufacturing equipment and/or research and development equipment and/or logistical distribution equipment and/or information technology equipment is installed and fully functional, unless a filing extension has been obtained. A person who obtains a filing extension must file the form between March 1 and the extended due date of that year.
4. Property owners whose Statement of Benefits was approved after June 30, 1991, must submit Form CF-1 / PP annually to show compliance with the Statement of Benefits. (IC 6-1.1-12.1-5.6)
5. The schedules established under IC 6-1.1-12.1-4.5(d) and (e) apply to equipment installed after March 1, 2001, unless an alternative deduction schedule is adopted by the designating body (IC 6-1.1-12.1-17).
