

A CONFIRMING RESOLUTION designating an "Economic Revitalization Area" under I.C. 6-1.1-12.1 for property commonly known as 613 High Street, Fort Wayne, Indiana 46808 (CPI Card Group, Inc.)

WHEREAS, Common Council has previously designated and declared by Declaratory Resolution the following described property as an "Economic Revitalization Area" under Sections 153.13-153.24 of the Municipal Code of the City of Fort Wayne, Indiana, and I.C. 6-1.1-12.1, to wit:

Attached hereto as "Exhibit A" as if a part herein; and

WHEREAS, said project will create 14 full-time, permanent jobs for a total additional annual payroll of \$338,000, with the average new annual job salary being \$24,143 and retain 123 full-time and two part-time, permanent jobs for a current annual payroll of \$4,843,859, with the average current annual job salary being \$38,751; and

WHEREAS, the total estimated project cost is \$3,384,500; and

WHEREAS, a recommendation has been received from the Committee on Finance concerning said Resolution; and

WHEREAS, notice of the adoption and substance of said Resolution has been published in accordance with I.C. 6-1.1-12.1-2.5 and I.C. 5-3-1 and a public hearing has been conducted on said Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. That, the Resolution previously designating the above described property as an "Economic Revitalization Area" is confirmed in all respects.

SECTION 2. That, the hereinabove described property is hereby declared an "Economic Revitalization Area" pursuant to I.C. 6-1.1-12.1, said designation to begin on the effective date of this Resolution and shall terminate on December 31, 2016, unless otherwise automatically extended in five year increments per I.C. 6-1.1-12.1-9.

SECTION 3. That, said designation of the hereinabove described property as an "Economic Revitalization Area" shall apply to a deduction of the assessed value of real estate and personal property for new manufacturing and information technology equipment.

SECTION 4. That, the estimate of the number of individuals that will be employed or whose employment will be retained and the estimate of the annual salaries of those individuals and the estimate of redevelopment or rehabilitation and estimate of the value of the new manufacturing and information technology equipment, all contained in Petitioner's Statement of Benefits are reasonable and are benefits that can be reasonably expected to result from the proposed described installation of the new manufacturing and information technology equipment.

1 **SECTION 5.** The current year approximate tax rates for taxing units within the City would be:
2 If the proposed development does not occur, the approximate current year tax rates for this
3 site would be \$3.3124/\$100.

4 If the proposed development does occur and no deduction is granted, the approximate
5 current year tax rate for the site would be \$3.3124/\$100 (the change would be negligible).

6 If the proposed development occurs, and a deduction percentage of fifty percent (50%) is
7 assumed, the approximate current year tax rate for the site would be \$3.3124/\$100 (the
8 change would be negligible).

9 If the proposed new manufacturing and information technology equipment is not installed, the
10 approximate current year tax rates for this site would be \$3.3124/\$100.

11 If the proposed new manufacturing and information technology equipment is installed and no
12 deduction is granted, the approximate current year tax rate for the site would be \$3.3124/\$100
13 (the change would be negligible).

14 If the proposed new manufacturing and information technology equipment is installed and a
15 deduction percentage of eighty percent (80%) is assumed, the approximate current year tax
16 rate for the site would be \$3.3124/\$100 (the change would be negligible).

17 **SECTION 6.** That, pursuant to I.C. 6-1.1-12.1, it is hereby determined that the deduction from
18 the assessed value of the real property shall be for a period of ten years, and that the deduction from the
19 assessed value of the new manufacturing and information technology equipment shall be for a period of
20 ten years.

21 **SECTION 7.** That, the benefits described in the Petitioner's Statement of Benefits can be
22 reasonably expected to result from the project and are sufficient to justify the applicable deductions.

23 **SECTION 8.** For new manufacturing and information technology equipment, a deduction
24 application must contain a performance report showing the extent to which there has been compliance
25 with the Statement of Benefits form approved by the Fort Wayne Common Council at the time of filing.
26 This report must be submitted to the Allen County Auditor's Office, and the City of Fort Wayne's
27 Community Development Division and must be included with the deduction application. For subsequent
28 years, the performance report must be updated and submitted along with the deduction application at the
29 time of filing.

30 **SECTION 9.** For real property, a deduction application must contain a performance report
showing the extent to which there has been compliance with the Statement of Benefits form approved by
the Fort Wayne Common Council at the time of filing. This report must be submitted to the Allen County
Auditor's Office and the City of Fort Wayne's Community Development Division and must be included in
the deduction application. For subsequent years, the performance report must be updated each year in
which the deduction is applicable at the same time the property owner is required to file a personal
property tax return in the taxing district in which the property for which the deduction was granted is

1 located. If the taxpayer does not file a personal property tax return in the taxing district in which the
2 property is located, the information must be provided by May 15.

3 **SECTION 10.** The performance report must contain the following information:

- 4 A. The cost and description of real property improvements and/or new manufacturing and
5 information technology equipment acquired.
6 B. The number of employees hired through the end of the preceding calendar year as a result of
7 the deduction.
8 C. The total salaries of the employees hired through the end of the preceding calendar year as a
9 result of the deduction.
10 D. The total number of employees employed at the facility receiving the deduction.
11 E. The total assessed value of the real and/or personal property deductions.
12 F. The tax savings resulting from the real and/or personal property being abated.

13 **SECTION 11.** That, the taxpayer is non-delinquent on any and all property tax due to
14 jurisdictions within Allen County, Indiana.

15 **SECTION 12.** That, pursuant to I.C. 6-1.1-12.1-12 et al, any property owner that has received a
16 deduction under section 3 or 4.5 of this chapter may be required to repay the deduction amount as
17 determined by the county auditor in accordance with section 12 of said chapter if the property owner
18 ceases operations at the facility for which the deduction was granted and if the Common Council finds that
19 the property owner obtained the deduction by intentionally providing false information concerning the
20 property owner's plans to continue operation at the facility.

21 **SECTION 13.** That, this Resolution shall be in full force and effect from and after its passage
22 and any and all necessary approval by the Mayor.
