Fort Wayne, Indiana 46802

Dear Sirs:

Our firm represents Lutheran Health Network, and its affiliated entity, Revenue Cycle Service Center, LLC ("Lutheran"), which is filing an Economic Revitalization Area Application concurrently with this letter. Lutheran is expanding its Fort Wayne facilities that provide back office services to a vast network of hospitals ("Project"). By doing so, Lutheran is keeping 177 full-time jobs with an average wage of \$17.59 an hour in Fort Wayne. Lutheran also anticipates bringing 320 new full-time jobs earning an average wage of \$18.39 an hour to Fort Wayne by 2017. Lastly, Lutheran is investing a total of \$6,381,009 in our community as a part of the Project.

Lutheran has had, and continues to have, a significant impact on our community. Lutheran has 4,301 employees in Allen County. It is also the top property tax payer in Allen County, having been charged \$6,035,755 in property tax for 2014. Lastly, Lutheran has shown a commitment to providing medical care in underserved areas of Fort Wayne.

As an inducement to undertake the Project, Greater Fort Wayne Inc. offered various incentives including real and personal property tax abatements for capital investments being made by Lutheran. In order to receive property tax abatements, the Fort Wayne Community Development Division requires that an Economic Revitalization Area Application be filed prior to making any capital investments. An oversight occurred and the required application was not filed prior to Lutheran making a portion of their capital investments. Lutheran is seeking a waiver of the filing requirement, and a determination retroactive to the date the first Improvement Location Permit was received which was on or about August 18, 2014. A waiver ensures that Lutheran, one of Fort Wayne's largest employers and property tax payers,

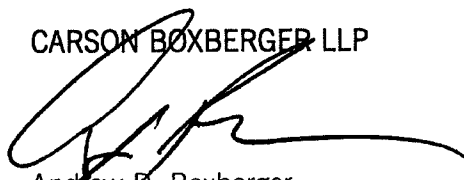

Fort Wayne Common Council.  
February 10, 2015  
Page 2

is not penalized as a result of the oversight, and so that the intent of local economic development officials is realized. Such a waiver is contemplated and permitted by both state and local law.

Thank you in advance for your consideration of our request for a waiver of non compliance. If you have any questions regarding the content of this letter, please do not hesitate to contact my office.

Respectfully yours,

## POLICY

**Per the policy of the City of Fort Wayne, the following guidelines apply to this project:**

1. The period of deduction for real property is ten years.
2. The period of deduction for personal property is ten years.

Under Fort Wayne Common Council's tax abatement policies and procedures, Revenue Cycle Service Center, LLC is eligible for ten year deductions on real and personal property improvements. Attached is a spreadsheet that shows how the application scored under the review system as well as an estimate of the property taxes saved and paid over the length of the ten year deduction schedule.

**COMMENTS**

Revenue Cycle Service Center, LLC's project was announced on August 7, 2014 in a news release issued by the Indiana Economic Development Corporation.

A few weeks ago, attorneys representing the company informed city staff that prior to their application submission, the remodeling and installation of equipment was completed. Upon staff review of county building permit records, various building permits for the project were issued from August through November 2014. Council administrative procedures allow for a waiver of non-compliance when applicants have initiated development prior to the filing of the designation application or in the case of personal property have installed the equipment prior to council approval of the designation. Further such waivers will only be considered where the applicant has filed and received an improvement location permit or structural permit and broken ground for the project within one month prior to the date the designation application is received. For personal property, waivers will only be considered on equipment installed within one month prior to the date the designation application is received.

To allow an economic revitalization area designation after the initiation of development, Indiana Code 6-1.1-12.1-11.3 permits adoption of a resolution to waive non-compliance due to a failure to file a Statement of Benefits (SB-1) form prior to the initiation of development. The confirming resolution for this project contains language to waive non-compliance that will allow for the final approval of an economic revitalization area designation on this property for property tax phase-in. A letter from Andrew Boxberger, an attorney with Carson Boxberger, is attached explaining the request for the waiver of non-compliance.
