Concept Description

Mercadito, our food truck, is a food brand that explores the refined casualness of a classic taqueria. Mercadito translates to "Little Market" in Spanish. Mexican grocery stores will often have a taqueria tucked in a corner where shoppers can stop by for traditional fare. The taqueria serves as a place for people of the community to share stories and chismes (gossip). Mercadito will embody the same energy of a bustling and exciting space. Mercadito will function as a full service concept. Currently, Fort Wayne is experiencing a restaurant revival with newer restaurant concepts entering the market. Mercadito would establish itself as an accessible ethnic concept due to its ability to offer a wide range of menu items in a modernized Mexican setting that is lightly familiar. Mercadito will be influenced by regional Latin flavors with its primary focus being Mexican elements. We hope to define great service and create a gathering place for delicious tasting food.

The Biggest Challenge for Restaurants

A diminishing workforce has made staffing restaurants the hardest component of running it.

- Traditional hiring methods have made restaurants a less desirable workspace
- The "coolness" of cooking has brought on novice work staff
- Higher Expectations of work and life balance. Restaurants cater to their guests on many holidays and are in business during "off" hours
- Low staff appreciation and training investment by management

Changing Tides

Our mission is to create a space where employees feel they deserve to work

- Staff acquisition methods must be tackled with a shifting approach that prioritizes the needs of the employees. Monetary influence will still exist, but a priority of a sense of purpose that aligns with our goals is ideal.
- Fort Wayne is saturated with restaurants. DownTown attracts a workforce that is looking for new and fresh concepts that additionally identify with their personalities.

Ownership/Management

Mercadito will be owned & managed by Johnny Perez. I have 10+ years of restaurant experience. I was born in California, raised in Fort Wayne, IN. I attended Johnson & Wales University in Providence, Rhode Island where I earned an Associates degree in Culinary Arts. I returned back to Fort Wayne to earn my B.S in Hospitality Management from Purdue University (IPFW).

- 4+ years for the ObiCai restaurant group in downtown Fort Wayne, IN. Serving as a beverage manager at The Hoppy Gnome and as Head Chef at Proximo.
- I was part of the opening management team and witnessed the growing stages of two new concepts in the downtown market.
- I have taken part of developing the staff training program, controlling food & beverage costs, and maintaining high quality guest service.

Service Standards

We're in the hospitality business. We're here for people. Competing on service has become the easiest way to impress guests in the current market.

- Accommodating guests by letting them omit an item or substitute something on the side is often seen as an issue for many restaurants.
 - The reason being is the amount of works it takes to be able to properly account for it or the added effort on the team to accomplish it.
- Training staff on how to say, "Yes" to a request that is physically possible is single handedly the most moving way to show your guests you care. Ignoring the ego of preserving the bartender or chefs perception of how something should be and focus on how the guest would appreciate it best is our core focus.

Future Growth

Starting the food truck was a way for us to launch our food brand in a capacity that allows us to be able to grow the brand tactfully. Financially the food truck is a lesser risk than going straight to brick and mortar, but it still allows us to reap the benefits of building the Mercadito brand. Mercadito is designed as a fast casual brand to be able to scale to more locations. Mercado would be the full service parent concept to Mercadito. Mercado will embody the same energy while offering refined options in a sit down setting. We feel that the Fort Wayne market could benefit from a refreshing Mexican/Latin concept and is vital to us in setting the service and food quality standards in this category of restaurants for the city.

TE GUSTÓ

HOSPITALITY GROUP

Te Gustó / You liked it.

A statement that recognizes the enjoyment of our concepts. This serves as a testament to our thesis of creating experiences through our concepts serving as more than food and beverage locations. Te Gustó will encompass a variety of concepts that range from Mexican to American BBQ. The framework of people first allows us to build a team that best fits our future concepts.
