

A RESOLUTION OF THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA, APPROVING THE PRELIMINARY FINDINGS OF THE CITY OF FORT WAYNE ECONOMIC DEVELOPMENT COMMISSION WITH RESPECT TO THE ISSUANCE OF TAXABLE ECONOMIC DEVELOPMENT REVENUE BONDS FOR THE FINANCING OF CERTAIN ECONOMIC DEVELOPMENT FACILITIES TO BE UNDERTAKEN BY RTM VENTURES, LLC, AND AUTHORIZING AND COMMITTING THE CITY OF FORT WAYNE, INDIANA, TO PROCEED WITH SUCH FINANCING, SUBJECT TO FINAL ACTION BY THIS COMMON COUNCIL WITH RESPECT TO THE TERMS AND CONDITIONS OF SUCH FINANCING.

WHEREAS, the City of Fort Wayne, Indiana (the "City") is authorized by Indiana Code 36-7-11.9 and Indiana Code 36-7-12 (collectively, the "Act") to issue revenue bonds and other obligations for the financing of economic development facilities, the funds from said financing to be used for a portion of the acquisition, construction, installation and equipping of said facilities; and

WHEREAS, RTM Ventures, LLC (the "Company") has advised the City that there is under consideration a proposal of the Company for the acquisition, construction, installation and equipping of certain improvements to economic development facilities consisting of (a) an approximately 311,000 square foot parking garage, (b) an approximately 308,000 square foot apartment building, and (c) an approximately 31,000 square foot commercial/retail space, all to be located at or adjacent to the "Electric Works" area within the City (collectively, the "Project"); and

WHEREAS, the total cost of the portion of the Project to be financed under the Act is presently estimated in an amount not to exceed Thirty-One Million Five Hundred Thousand Dollars (\$31,500,000), plus the incidental costs of issuance of taxable economic development revenue bonds, the maximum amount of such costs of issuance of such bonds to be reflected in a certain Trust Indenture to be approved in substantially

1 final form by an Ordinance to be adopted by the Common Council of the City providing
2 final approval of the financing of a portion of the Project under the Act (the "Costs of
3 Issuance"); and

4 WHEREAS, the Company has proposed that the City issue taxable economic
5 development revenue bonds under the Act (the "Bonds") to finance a portion of the
6 acquisition, construction, installation and equipping of the Project, pursuant to a
7 financing agreement whereby the proceeds of such Bonds would be provided to the
8 Company (or an affiliate thereof acceptable to the City) to enable the Company (or such
9 affiliate) to acquire, construct, install and equip a portion of the Project, with the
10 principal of and premium, if any, and interest on the Bonds to be payable from tax
11 increment revenues pledged by the City of Fort Wayne Redevelopment Commission to
12 the payment of the Bonds; and the Company has further advised the City that a
13 determination by the City to accept such a proposal for financing a portion of the Project
14 will constitute a substantial attraction for the Company to construct the Project; and

15 WHEREAS, the City of Fort Wayne Economic Development Commission (the
16 "Commission") has given its preliminary approval of the Project and the financing of a
17 portion thereof; and

18 WHEREAS, subject to required approvals, it would appear that the Project and
19 the financing of a portion thereof would be of public benefit to the health, prosperity,
20 economic stability and general welfare of the City and its citizens;

21 NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF
22 THE CITY OF FORT WAYNE, INDIANA, AS FOLLOWS:

23 The Common Council of the City hereby finds, determines, ratifies and confirms
24 that the promotion of diversification of economic development and job opportunities in
25 and near the City is desirable to preserve the health, prosperity, economic stability and
26
27
28
29
30

1 general welfare of the citizens of the City; and that it is in the public interest that the
2 Commission and the City take such action as they lawfully may to encourage economic
3 development, diversification of industry and promotion of job opportunities in and near
4 the City.

5
6 The Common Council of the City hereby approves, determines, ratifies and
7 confirms that the issuance and sale of the Bonds of the City under the Act in the
8 estimated principal amount not to exceed Thirty-One Million Five Hundred Thousand
9 Dollars (\$31,500,000), plus the Costs of Issuance, for the lending of the proceeds of the
10 Bonds to the Company for a portion of the acquisition, construction, installation and
11 equipping of the Project will serve the public purposes referred to above, in accordance
12 with the Act.

13
14 In order to attract the Company to make the acquisition, construction, installation
15 and equipping of the Project, the Common Council of the City hereby approves,
16 determines, ratifies and confirms that:

17 it will take or cause to be taken such actions pursuant to the Act as may be
18 required to implement the aforesaid financing, or as it may deem appropriate in
19 pursuance thereof; provided that all of the foregoing shall be mutually acceptable
20 to the City and the Company; and

21
22 it will adopt such ordinances and resolutions and authorize the execution
23 and delivery of such instruments and the taking of such action as may be
24 necessary and advisable for the authorization, issuance and sale of the Bonds; and
25 that the aforementioned purposes comply with the provisions of the Act.

26 The liability and obligation of the Common Council of the City shall be limited
27 solely to good faith efforts to consummate the proceedings leading to the issuance of the
28 Bonds to finance a portion of the acquisition, construction, installation and equipping of
29
30

1 the Project, and the Bonds shall not ever constitute a general obligation of, or
2 indebtedness of, or a charge against the general credit of the City. Neither the Common
3 Council nor the City, nor their officers or agents, shall incur any liability if, for any
4 reason, the proposed issuance of the Bonds is not consummated.
5

6 This Resolution shall be effective upon its passage by the Common Council and
7 approval by the Mayor of the City, in accordance with procedures as required by law.

RESOLUTION NO. 11-18-2021

**RESOLUTION OF THE CITY OF FORT WAYNE
ECONOMIC DEVELOPMENT COMMISSION**

WHEREAS, the City of Fort Wayne Economic Development Commission (the "Commission") is a commission operating and existing under and pursuant to the authority of Indiana Code 36-7-11.9 and Indiana Code 36-7-12 (collectively, the "Act"); and

WHEREAS, the Commission is authorized by the Act to investigate, study and survey the need for job opportunities, industrial diversification, water services and pollution control facilities in the City of Fort Wayne, Indiana (the "City"), and to recommend action to improve or promote job opportunities, industrial diversification, water services and the availability of pollution control facilities in the City; and

WHEREAS, RTM Ventures, LLC (the "Company") has requested that the Commission consider a proposal to finance under the Act a portion of a project for the acquisition, construction, installation and equipping of certain improvements to economic development facilities consisting of (a) an approximately 311,000 square foot parking garage, (b) an approximately 308,000 square foot apartment building, and (c) an approximately 31,000 square foot commercial/retail space, all to be located at or adjacent to the "Electric Works" area within the City (collectively, the "Project"); and

WHEREAS, the Commission has studied the Project and the proposed financing of a portion of the Project and the effect thereof on the health, prosperity, economic stability and general welfare of the City and its citizens; and

WHEREAS, subject to all required approvals under the Act, it appears that the Project and the proposed financing of a portion of the Project will be of benefit to the health, prosperity, economic stability and general welfare of the City and its citizens; and

WHEREAS, the Commission has considered a form of resolution with respect to the Project (the "Common Council Resolution") and has considered recommending that the Common Council of the City (the "Common Council") adopt the Common Council Resolution in such form;

NOW, THEREFORE, BE IT RESOLVED, that the Commission hereby finds that because of the need to promote employment opportunities and additional payroll and because the Project will create and/or retain employment opportunities and additional payroll in the City, the proposed financing of a portion of the Project in a maximum amount not to exceed Thirty-One Million Five Hundred Thousand Dollars (\$31,500,000) (plus all issuance costs incurred and authorized to be financed in connection with the hereinafter mentioned bonds), through the issuance of taxable economic development revenue bonds under the Act, will be of benefit to the health, prosperity, economic stability and general welfare of the City and its citizens and complies with the purposes and provisions of the Act.

BE IT FURTHER RESOLVED, that, in order to attract the Company to make the acquisition, construction, installation and equipping of the Project, this Commission hereby undertakes that (i) it will take or cause to be taken such actions pursuant to the Act as may be required to implement the financing of a portion of the Project, or as it may deem appropriate in pursuance thereof, provided that all of the foregoing shall be as authorized by law and is mutually acceptable to the City and the Company; and (ii) it will adopt such resolutions and authorize the execution and delivery of such instruments and the taking of such action as may be

necessary and advisable for the authorization, issuance and sale of the aforementioned taxable economic development revenue bonds, subject to all required approvals as may be required under the Act.

BE IT FURTHER RESOLVED, that the Commission hereby approves the form of the Common Council Resolution and recommends that it be adopted by the Common Council as a resolution, and the Commission hereby directs that copies of this resolution, and the form of the Common Council Resolution be transmitted to the Clerk of the City for presentation to the Common Council with the recommendation that the Common Council Resolution be adopted as a resolution.

BE IT FURTHER RESOLVED, that the Report of the Commission relating to the financing of the Project, and the Findings of Fact attached thereto, each as presented to this meeting, are hereby approved.

BE IT FURTHER RESOLVED, that the Commission hereby authorizes the Secretary of the Commission to cause to be published a notice of public hearing in accordance with Indiana Code 36-7-12-24(a) and Indiana Code 5-3-1 at such time as it is determined to proceed with the financing of a portion of the Project as described herein.

**REPORT OF THE CITY OF FORT WAYNE ECONOMIC
DEVELOPMENT COMMISSION CONCERNING THE
PROPOSED FINANCING OF ECONOMIC DEVELOPMENT
FACILITIES FOR RTM VENTURES, LLC**

The City of Fort Wayne Economic Development Commission (the "Commission") proposes to recommend to the Common Council of the City of Fort Wayne, Indiana (the "City") that it provide net proceeds of an economic development revenue bond financing in an approximate amount of Thirty-One Million Five Hundred Thousand Dollars (\$31,500,000) to RTM Ventures, LLC (or an affiliate thereof) (the "Company"), which is to be applied to a portion of the acquisition, construction, installation and equipping of (a) an approximately 311,000 square foot parking garage, (b) an approximately 308,000 square foot apartment building, and (c) an approximately 31,000 square foot commercial/retail space, all to be located at or adjacent to the "Electric Works" area within the City (collectively, the "Project"), to be located in the area within the City heretofore designated as the Broadway-Taylor Economic Development Area (the "Area"), and to the costs of issuance of such revenue bonds. The total cost of the Project, which will be financed in part by the proceeds of the Bonds, is presently estimated to be approximately One Hundred Twenty-Five Million Dollars (\$125,000,000).

No additional public works or services will be necessary or desirable on account of the Project.

As set out in the attached "Findings of Fact Regarding the Proposed Economic Development Facilities," which findings of fact are incorporated herein, the Commission has considered any adverse competitive effect the Project may have on similar facilities already constructed or operating in the Area.

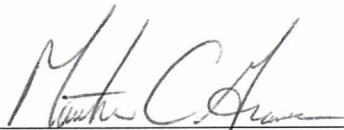

It is further estimated that upon the completion of the acquisition, construction, installation and equipping of the Project (and occupancy thereof), the Project will result in the

creation of approximately twenty-six (26) jobs with an estimated total annual payroll of \$1,161,239, and will provide continued future opportunities for employment.

FINDINGS OF FACT REGARDING THE PROPOSED ECONOMIC DEVELOPMENT FACILITIES

Based on a careful consideration of evidence and testimony submitted to the City of Fort Wayne Economic Development Commission (the "Commission"), the Commission hereby makes the following findings of fact with respect to the proposed economic development facilities of RTM Ventures, LLC (or an affiliate thereof) (the "Company") and any adverse competitive effect such facilities may have on similar facilities already constructed or operating in the City of Fort Wayne, Indiana (the "City"):

1. The proposed economic development facilities project to be financed consists of a portion of the acquisition, construction, installation and equipping of (a) an approximately 311,000 square foot parking garage, (b) an approximately 308,000 square foot apartment building, and (c) an approximately 31,000 square foot commercial/retail space, all to be located at or adjacent to the "Electric Works" area within the City (collectively, the "Project"), to be constructed in the area within the City heretofore designated as the Broadway–Taylor Economic Development Area (the "Area").

2. The total cost of the Project is estimated to be approximately One Hundred Twenty-Five Million Dollars (\$125,000,000). The costs of the portion of the Project to be financed with the proposed economic development bonds of the City equals approximately Thirty-One Million Five Hundred Thousand Dollars (\$31,500,000).

3. It is presently estimated that upon completion of the acquisition, construction, installation and equipping of the Project (and occupancy thereof), the Project will result in the creation of approximately twenty-six (26) jobs with an estimated

total annual payroll of \$1,161,239, and will provide continued future opportunities for employment.

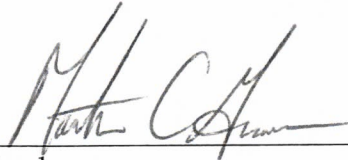

4. The Project will be of benefit to the health, prosperity, economic stability and general welfare of the City and its citizens and complies with the purposes and provisions of Indiana Code 36-7-11.9 and Indiana Code 36-7-12.

5. The Project will not have an adverse competitive effect on similar facilities already constructed or operating in the City because there are no other similar facilities located in the proximity of the Area.
