3 **A RESOLUTION REQUIRING THE CITY OF FORT WAYNE THROUGH THE SOLID**
4 **WASTE DEPARTMENT TO REPORT TO COUNCIL BEFORE THE FINAL**
5 **PAYMENT IS PROCESSED AND DELIVERED TO RED RIVER WASTE SOLUTIONS**
6

7 WHEREAS, the Fort Wayne Common Council is the fiscal body of the City of Fort Wayne; and

8 WHEREAS, as the fiscal body, the Common Council has budgetary oversight over the General
9 Fund and other property tax-funded budgetary items, but the Solid Waste Fund is exclusively overseen by
10 the Executive branch which has been reluctant to enforce the terms of the contract and has allowed the
11 fund to become approximately \$3 million cash negative; and

12 WHEREAS, Red River has been the Solid Waste provider for the City of Fort Wayne since
13 January 1, 2018 and filed for bankruptcy on October 14, 2021; and

14 WHEREAS, on December 8, 2021 the City of Fort Wayne sent a formal letter to Red River
15 outlining seven areas where Red River had breached the contract including excessive missed collections,
16 failure to pay amounts due under contract, failure to staff the contract, failure to provide collection
17 reports, and failure to limit collection hours, failure to address property damage, and failure to provide
18 promotional and educational funding; and

19 WHEREAS, as part of the “transition agreement” signed by the Mayor on March 31, 2022, the
20 City of Fort Wayne was required to pay Red River an additional \$1.9 million to ensure that they continue
21 to provide service through June 30, 2022; and

22 WHEREAS, in seeking the approval of the “transition agreement” from the City Council, the
23 Executive branch warranted that the transition agreement would be strictly followed and deficiencies of
24 service would not be tolerated; and

25 WHEREAS, the service, which has been substandard for the totality of the contract, has
26 become abysmal, to a point that even with additional services provided by other contractors and
27 City employees, recycling has had to be suspended in order to collect all of the trash, which is
28 still not occurring; and

29 WHEREAS, the company has been mismanaged, but the workers have acted responsibly
30 and respectfully and there is the sincerest appreciation for them; and

31 WHEREAS, it is very reasonable that there will be unresolved conflicts with Red River,
32 who has not been a good partner with the City of Fort Wayne, when they cease service on June
33 30th, 2022; and

1 WHEREAS, the Solid Waste Department pays Red River in arrears and the final payment
2 will be after the service agreements have been terminated, and the threat of Red River's service
3 dipping and severely inconveniencing the ratepayers and garbage piling up throughout the City is
4 no longer a concern; and

5 WHEREAS, to date, the Solid Waste Department has not been responsive in holding Red
6 River accountable, focusing on making excuses for the poor service instead of coordinating
7 improvements for ratepayers.

8 **NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE**
