6 AND APPROVING OTHER ACTIONS IN RESPECT THERETO

7 WHEREAS, the Fort Wayne Economic Development Commission  
8 ("Commission") conducted a public hearing and adopted a resolution, which resolution  
9 has been transmitted hereto, finding that the financing of certain economic development  
10 facilities of House Investments, LLP ("Company") complies with the purposes and  
11 provisions of IC 36-7-11.9 and -12 ("Act") and that such financing will be of benefit to

17 on the Bonds pursuant to a Financing and Covenant Agreement between the Company  
18 and the City, dated as of the first day of the month the Bonds are sold or issued

1 connected to the Posterity Heights Urban Renewal Area and the Tillman-Anthony  
2 Economic Development Area; and

3 WHEREAS, the Commission has heretofore approved and recommended the  
4 adoption of this form of ordinance by this Common Council, has considered the issue of  
5 adverse competitive effect and has approved the forms of and has transmitted for  
6 approval by the Common Council the Financing Documents; the Trust Indenture  
7 (including form of Bonds) between the Issuer and U.S. Bank Trust Company, National  
8 Association as trustee, dated as of the first day of the month the Bonds are sold or issued  
9 ("Indenture"); and the Bond Purchase Agreement between the Issuer and the purchaser of  
10 the Bonds;  
11

12 NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF  
13 THE CITY OF FORT WAYNE, INDIANA, THAT:  
14

15 Section 1. It is hereby found that: (i) the financing of the economic  
16 development facilities, including the Project, in or physically connected to the Posterity  
17 Heights Urban Renewal Area and the Tillman-Anthony Economic Development Area  
18 referred to in the Financing Documents approved by the Commission and presented to  
19 this Common Council; (ii) the issuance and sale of the City's Taxable Economic  
20 Development Revenue Bonds, Series 2022 (Village Premier Project) ("Bonds"); (iii)  
21 utilizing the proceeds of the Bonds for the construction of the Project; (iv) the payment  
22 of the Bonds from TIF Revenues and Taxpayer Payments under the Financing

24 the purposes and provisions of IC 36-7-11.9 and -12 and will be of benefit to the health  
25 and welfare of the City and its citizens. The proceeds of the Bonds will be used for the  
26 financing of the construction of the Project and the costs of issuance of the Bonds,  
27 including capitalized interest and funding a debt service reserve, if necessary. The  
28  
29  
30

1 Common Council further finds, determines, ratifies and confirms that the promotion of  
2 economic development, creation of new job opportunities and increased investment in  
3 the City, is desirable to preserve the health, safety and general welfare of the citizens of  
4 the City; and that it is in the public interest that the Commission and the Issuer to take  
5 such action as they lawfully may to encourage economic development, creation of job  
6 opportunities and increased investment in the City.  
7

8 Section 2. At the public hearing held before the Commission, the  
9 Commission considered whether the funding all or a portion of the costs of the Project  
10 would have an adverse competitive effect on any similar facilities located in or near the  
11 City, and subsequently found, based on findings of fact set forth in its resolution  
12 transmitted hereto ("Resolution") and the absence of evidence from the public or a  
13 competitor of substantive probative value, that the funding of all or a portion of the  
14 construction of the Project would not have an adverse competitive effect. This Common  
15 Council hereby confirms the findings on adverse competitive effect set forth in the  
16 Commission's Resolution, and hereby finds that the construction of the Project will be of  
17 benefit to the health and welfare of the citizens of the City.  
18

19 Section 3. The substantially final forms of the Financing Agreement, the  
20 Bond Purchase Agreement, the Taxpayer Agreement and the Indenture approved by the  
21 Commission are hereby approved (herein collectively referred to as the "Financing

23 attached hereto as Exhibit A. In accordance with the provisions of IC 36-1-5-4, two (2)  
24 copies of the Financing Documents are on file in the office of the Clerk for public  
25 inspection.  
26

2 all as more particularly set out in the Indenture and the Financing Agreement, which  
3 Bonds will be payable as to principal and interest from TIF Revenues and Taxpayer  
4 Payments pursuant to the Financing Documents or as otherwise provided in the  
5 above-described Indenture. The Bonds shall be issued in fully registered form in  
6 denominations of \$1,000 and integral multiples thereof or as provided in the above-  
7 described Indenture. The terms of redemption for the Bonds shall be provided in the  
8 Indenture. The Bonds may be issued as term bonds subject to mandatory sinking fund  
9 redemption. Payments on the Bonds are payable in lawful money of the United States of  
10 America by check mailed or delivered to the registered owners or by wire transfer as  
11 provided in the Indenture. The Bonds shall never constitute a general obligation of, an  
12 indebtedness of, or a charge against the general credit of the City as described in the  
13 Indenture nor are the Bonds payable in any manner from revenues raised by taxation  
14 except for TIF Revenues.

17 Section 5. The Mayor and the Controller are authorized and directed to sell  
18 the Bonds to the Company, or its designee, or another purchaser, at a price of not less  
19 than the par value thereof. The Bonds shall bear interest at a rate not to exceed eight  
20 (8.0%) per annum.

22 Section 6. The Mayor, the Controller and the Clerk are authorized and  
23 directed to execute and attest, manually or electronically, and to affix or imprint by any  
24 means the City seal to, the documents constituting the Financing Documents approved  
25 herein on behalf of the City and any other document which may be necessary or desirable  
26 prior to, on or after the date hereof to consummate or facilitate the transaction, including  
27 the Bonds authorized herein. The Mayor and the Controller are hereby expressly  
28 authorized to approve any modifications or additions to the documents constituting the  
29  
30

1 Financing Documents which take place after the date of this ordinance with the review  
2 and advice of counsel to the City; it being the express understanding of this Common  
3 Council that the Financing Documents are in substantially final form as of the date of this  
4 ordinance. The approval of these modifications or additions shall be conclusively  
5 evidenced by the execution and attestation thereof and the affixing of the seal thereto or  
6 the imprinting of the seal thereon; provided, however, that no such modification or  
7 addition shall change the terms and conditions set forth in IC 36-7-12-27(a)1-10,  
8 including the maximum principal amount of, interest rate on or term of the Bonds as  
9 approved by the Common Council by this ordinance without further consideration by the  
10 Common Council. The signatures of the Mayor, the Controller and the Clerk on the  
11 Bonds may be either manual or facsimile signatures. The use of electronic signatures by  
12 the Mayor, the Controller and the Clerk are authorized and affirmed with full valid legal  
13 effect and enforceability. The Controller is authorized to arrange for delivery of such  
14 Bonds to U.S. Bank Trust Company, National Association, as trustee ("Trustee"), and  
15 payment for the Bonds will be made to the Trustee and after such payment, the Bonds  
16 will be delivered by the Trustee to the purchaser thereof. The Bonds shall be originally  
17 dated the date of issuance and delivery thereof.

20 Section 7. The provisions of this ordinance and the Indenture securing the  
21 Bonds shall constitute a contract binding between the City and the holders of the Bonds,  
22 and after the issuance of the Bonds, this ordinance shall not be repealed or amended in  
23 any respect which would adversely affect the rights of such holders so long as the Bonds  
24 or the interest thereon remains unpaid.

26 Section 8. This ordinance shall be in full force and effect from and after its  
27 passage and approval by the Mayor.

RESOLUTION NO. 9-15-2022

FORT WAYNE ECONOMIC DEVELOPMENT COMMISSION

WHEREAS, relieving conditions of unemployment and underemployment, and encouraging economic development and redevelopment of the community to reduce the evils associated with unemployment and underemployment are essential to the health, safety and welfare of the City of Fort Wayne, Indiana ("Issuer" or "City") and its citizens; and

WHEREAS, the Issuer is authorized by IC 36-7-11.9 and -12 (collectively, "Act") to issue revenue bonds for the financing of economic development facilities consisting of the financing all or a portion of the construction and equipping of certain improvements, including but not limited to, the construction of a multi-use complex consisting of a total of approximately 208 affordable housing units together with all necessary on- and off-site infrastructure, appurtenances, related improvements and equipment (collectively, "Project") in or physically connected to the Posterity Heights Urban Renewal Area and the Tillman-Anthony Economic Development Area and the funds from said financing to be used for construction and equipping of the Project and costs of issuance, including capitalized interest and funding a debt service reserve, if necessary; and

WHEREAS, the Fort Wayne Redevelopment Commission has adopted a resolution to pledge tax increment generated in the Tillman-Anthony Allocation Area and the Posterity Heights Allocation Area to the Issuer to pay debt service on the bonds to be issued as set forth in the Financing and Covenant Agreement between House Investments, LLP and the Issuer, dated as of the first day of the month the bonds are sold or issued ("Financing Agreement") and any further security will be described in such Financing Agreement; and

WHEREAS, the promotion of economic development and increase in job opportunities to be achieved by the construction and equipping of the Project will be of public benefit to the health, safety and general welfare of the Issuer and its citizens; and

NOW, THEREFORE, BE IT RESOLVED BY THE FORT WAYNE ECONOMIC DEVELOPMENT COMMISSION THAT:

Section 1. It finds that the proposed financing in the aggregate principal amount not to exceed \$4,500,000 for the construction and equipping of the Project by House Investments, LLP ("Company"), complies with the purposes and provisions of IC 36-7-11.9 and -12 and will be of benefit to the health and welfare of the City and its citizens. The Commission further finds and determines that the promotion and diversification of economic development and job opportunities in and near the City is desirable to preserve the health, safety and general welfare of the citizens of the City, and that it is in the public interest that the Commission and the Issuer take such action as they lawfully may to encourage economic development, diversification of industry and promotion of job opportunities in and near the City.

Section 2. The Commission hereby finds and determines that the issuance and sale of economic development revenue bonds in an aggregate principal amount not to exceed

\$4,500,000 of the Issuer under the Act for the construction and equipping of the Project will serve the public purposes referred to above, in accordance with the Act.

Section 3. The financing of the economic development facilities will consist of the construction and equipping of the Project to be located southeast of the intersection of South Anthony Boulevard and McKinnie Avenue in Fort Wayne, Indiana.

Section 4. The substantially final forms of the Financing Agreement, the Bond Purchase Agreement between the Issuer and the purchaser of the Bonds, the Trust Indenture between the Issuer and a to-be-determined trustee, dated as of the first day of the month the Bonds are sold or issued, and proposed form of ordinance for the Common Council presented to this meeting are hereby approved. A copy of the documents are attached to this resolution as Exhibit A.

Section 5. It has considered whether the Project will have an adverse competitive effect on any similar facilities already under construction or in operation in the City, and now makes the following special findings of fact based upon the evidence presented:

(a) No member of the public or competitor presented any evidence of substantial probative value establishing that the Project would have any adverse competitive effect in any respect;

(b) There are no direct competitors of the Company located in the City; and

(c) In the absence of any evidence of any adverse competitive effect, the benefits to the public from the new jobs to be generated by the Project clearly indicate that the Project should be supported by the issuance of economic development revenue bonds.

Section 6. It will use its best efforts to assist the Company in procuring the issuance of additional economic development revenue bonds, if such additional bonds become necessary for refunding or refinancing the outstanding principal amount of the economic development revenue bonds, for completion of the Project and for additions to the Project, including the costs of issuing additional bonds.

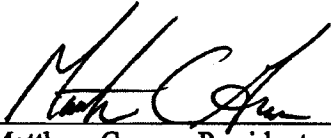

Section 7. The Secretary shall initial and then insert a copy of the forms of documents approved by this resolution in the minute book of this Commission.

Section 8. A copy of this resolution and the other documents approved by this resolution and the proposed form of ordinance shall be presented in their substantially final form by the Secretary of the Economic Development Commission to the Auditor for presentation to the Common Council.

## FINANCING AND COVENANT AGREEMENT

This is a FINANCING AND COVENANT AGREEMENT dated as of October 1, 2022 ("Financing Agreement") between HOUSE INVESTMENTS, LLP, a limited liability partnership duly organized, existing and authorized to do business under the laws of the State of Indiana ("Company"), and the CITY OF FORT WAYNE, INDIANA ("Issuer"), a municipal corporation duly organized and validly existing under the laws of the State of Indiana.

### PRELIMINARY STATEMENT

Indiana Code, Title 36, Article 7, Chapters 11.9, 12, 14 and 25 (collectively, "Act") has been enacted by the General Assembly of Indiana.

The Act provides that an Issuer may, pursuant to the Act, issue revenue bonds for the purpose of financing costs of economic development facilities, for diversification of economic development and promotion of job opportunities in or near the Issuer and vests the Issuer with powers that may be necessary to enable it to accomplish such purposes.

The Fort Wayne Redevelopment Commission ("Redevelopment Commission") created the Posterity Heights Urban Renewal Area ("Posterity Heights URA") and adopted a redevelopment plan for the URA ("Posterity Heights Plan") pursuant to Declaratory Resolution 2017-32, as confirmed by Confirmatory Resolution 2017-43, and further created the Tillman-Anthony Economic Development Area ("Tillman-Anthony EDA"), pursuant to Declaratory Resolution 2001-60, as confirmed by Confirmatory Resolution 2002-65, which EDA was amended pursuant to Declaratory Resolution 2021-01, as confirmed by Confirmatory Resolution 2021-18, which amendment included adoption of a redevelopment plan for the amended EDA ("Tillman-Anthony Plan"); and

Allocation areas were created in conjunction with the establishment of both the Tillman-Anthony EDA and the Posterity Heights URA (hereinafter, collectively, "Area") in accordance with IC 36-7-14-39 (collectively, "Allocation Areas"), for the purpose of capturing all real property tax proceeds from assessed valuation of property in the Allocation Areas in excess of the assessed valuation described in IC 36-7-14-39(a)(1), as such statutory provision exists on the date of issuance of the hereinafter defined Series 2022 Bonds (collectively, "Tax Increment"); and

The City of Fort Wayne, Indiana ("City" and "Issuer"), upon finding that hereinafter defined Project and the proposed financing of the construction and equipping thereof will create additional employment opportunities in the City; will benefit the health, safety, morals, and general welfare of the citizens of City and the State of Indiana; and will comply with the purposes and provisions of the Act, adopted an ordinance approving the proposed financing.

and the Company shall not be entitled to further draws from the Construction Fund or be entitled to other proceeds from the Series 2022 Bonds.

Section 5.2. Right to Bring Suit, Etc. The Issuer, with or without entry, personally or by attorney, may in its discretion, proceed to protect and enforce its rights by a suit or suits in equity or at law, whether for recovery of amounts due, for damages or for the specific performance of any covenant or agreement contained in this Financing Agreement or in aid of the execution of any power herein granted, or for the enforcement of any other appropriate legal or equitable remedy, as the Issuer shall deem most effectual to protect and enforce any of its rights or duties hereunder against Company; provided, however that all costs incurred by the Issuer under this Article V including its attorneys' fees and costs of collection, shall be paid on demand to the Issuer by the Company. The Company acknowledges and agrees that the breach of some of their obligations cannot be cured by the payment of money and that equitable relief is an appropriate remedy.

Section 5.4. Delay or Omission Not a Waiver. No delay or omission of the Trustee to exercise any right or power accruing upon any event of default shall impair any such right or power, or shall be construed to be a waiver of any such event of default or an acquiescence therein; and every power and remedy given by this Financing Agreement to the Trustee may be exercised from time to time and as often as may be deemed expedient by the Trustee.

Section 5.5. Waiver of Extension, Appraisal or Stay Laws. To the extent permitted by law, the Company will not during the continuance of any event of default hereunder insist upon, or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants and terms of performance of this Financing Agreement; and the Company hereby expressly waives all benefits or advantage of any such law or laws and covenants not to hinder, delay or impede the execution of any power herein granted or delegated to the Trustee, but to suffer and permit the execution of every power as though no such law or laws had been made or enacted.

Section 5.6. Remedies Subject to Provisions of Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Financing Agreement invalid or unenforceable under the provisions of any applicable law.

Section 5.7. Waiver of Events of Default. If after any event of default shall have occurred under this Financing Agreement and prior to the Trustee exercising any of the remedies provided in this Article, the Company shall have completely cured such default, such default

may be waived at the discretion of the Issuer and, if so waived, shall be rescinded and annulled by the Trustee by written notice given to the Company.

The Series 2022 Bonds are being issued for the purpose of providing funds to finance the construction and equipping of certain improvements, including but not limited to, the construction of a multi-use complex consisting of a total of approximately 203 affordable housing units together with all necessary on- and off-site infrastructure, appurtenances, related improvements and equipment, and costs of issuance, including funding a debt service reserve (collectively, "Project") that is in or physically connected to the Posterity Heights Urban Renewal Area and the Tillman-Anthony Economic Development Area, together with necessary appurtenances, related improvements and costs of issuance, to be constructed by House Investments, LLP ("Company"), pursuant to the Financing and Covenant Agreement dated as of [October] 1, 2022 ("Financing Agreement") between the Company and the Issuer which prescribe the terms and conditions under which the proceeds of the Series 2022 Bonds shall be used for construction of the Project.

The Series 2022 Bonds are issued under and entitled to the security of a Trust Indenture dated as of [October] 1, 2022 ("Indenture") duly executed and delivered by the Issuer to U.S. Bank Trust Company, National Association, Indianapolis, Indiana, as Trustee (the term "Trustee" where used herein referring to the Trustee or its successors), pursuant to which Indenture the TIF Revenues and Taxpayer Payments, and all rights of the Issuer under the Indenture and the Financing Agreement, except certain rights to payment for expenses, indemnity rights and rights to perform certain discretionary acts as set forth in the Financing Agreement, are pledged and assigned by the Issuer to the Trustee as security for the Series 2022 Bonds. THE OWNER OF THIS BOND, BY ACCEPTANCE OF THIS SERIES 2022 BOND, HEREBY AGREES TO ALL OF THE TERMS AND PROVISIONS IN THE INDENTURE AND THIS SERIES 2022 BOND AND ACKNOWLEDGES THAT:

(a) It is a sophisticated investor and is familiar with securities such as the Series 2022 Bonds.

(b) It is familiar with the Issuer, the Fort Wayne Redevelopment Commission ("Redevelopment Commission") and the Fort Wayne Redevelopment District ("District"); it has received such information concerning the Issuer, the Redevelopment Commission, the District, the Series 2022 Bonds, the TIF Revenues and Taxpayer Payments as it deems to be necessary in connection with investment in the Series 2022 Bonds. It has received, read and had an opportunity to comment upon the Indenture, the Series 2022 Bonds, the TIF Pledge Resolution ("TIF Resolution") and the Financing Agreement. Prior to the purchase of the Series 2022 Bonds, it has been provided with the opportunity to ask questions of and receive answers from the representatives of the Issuer and the Redevelopment Commission concerning the terms and conditions of the Series 2022 Bonds, the tax status of the Series 2022 Bonds, legal opinions and

enforceability of remedies, the security therefor, and property tax reform, and to obtain any additional information needed in order to verify the accuracy of the information obtained to the extent that the Issuer possesses such information or can acquire it without unreasonable effort or expense. It is not relying on Ice Miller LLP or Baker Tilly Municipal Advisors, LLC for information concerning the financial status of the Issuer or the Redevelopment Commission or the ability of the Issuer or the Redevelopment Commission to honor their financial obligations or other covenants under the Series 2022 Bonds, the Indenture or the Financing Agreement. It is understood that the projection of TIF Revenues (as defined in the TIF Resolution) prepared by Baker Tilly Municipal Advisors, LLC in connection with the issuance of the Series 2022 Bonds has been based on estimates of the investment in real property provided by the Company.

(c) It understands that the Issuer's collection of the TIF Revenues may be limited by operation of IC 6-1.1-20.6, which provides taxpayers with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. It further understands that the neither the Issuer nor the Redevelopment Commission may levy a property tax or borrow money to make up any shortfall due to the application of this credit.

(d) It is acquiring the Series 2022 Bonds for its own account with no present intent to resell; and will not sell, convey, pledge or otherwise transfer the Series 2022 Bonds without prior compliance with applicable registration and disclosure requirements of state and federal securities law.

(e) It has investigated the security for the Series 2022 Bonds, including the availability of TIF Revenues, to its satisfaction, and it understands that the Series 2022 Bonds are payable from TIF Revenues and Taxpayer Payments.

(f) It recognizes that the opinions it has received express the professional judgment of the attorneys participating in the transaction as to the legal issues addressed herein. It also recognizes that by rendering such opinions, the attorneys do not become insurers or guarantors of that expression of professional judgment, of the transaction opined upon, or of the future performance of parties to such transaction. Nor does the rendering of the opinions guarantee the outcome of any legal dispute that may arise out of the transaction.

(g) It understands that the Issuer has no continuing disclosure obligations with regard to the Series 2022 Bonds.

(h) It understands that interest on the Series 2022 Bonds is taxable for federal income tax purposes.

(i) It understands that on June 11, 2020, the World Health Organization proclaimed the Coronavirus (COVID-19) to be a pandemic. In an effort to lessen the risk of transmission of COVID-19, the United States government, state governments, local governments and private industries have taken measures to limit social interactions in an effort to limit the spread of COVID-19, affecting business activities and impacting global, state and local commerce and financial markets. The emergence of COVID-19 and the spread thereof is an emerging and evolving issue. As the Issuer continues its efforts to contain and limit the spread COVID-19

disease, future tax and other revenue collections may deviate from anticipated and historical collections and may have an adverse impact on the financial position and operations of the Issuer and its ability to fund debt obligations, including the bonds in accordance with its terms. The Issuer is not able to predict and makes no representations as to the economic impact of the COVID-19 pandemic on the Issuer or its financial position.

It is provided in the Indenture that the Issuer may hereafter issue Additional Bonds (as defined in the Indenture) from time to time under certain terms and conditions contained therein. (Such Additional Bonds and the Series 2022 Bonds are hereinafter collectively referred to as the "Bonds.") Reference is made to the Indenture and to all indentures supplemental thereto and to the Financing Agreement for a description of the nature and extent of the security, the rights, duties and obligations of the Issuer and the Trustee, the rights of the holders of the Bonds, the issuance of Additional Bonds and the terms on which the Bonds are or may be issued and secured, and to all the provisions of which the holder hereof by the acceptance of this Series 2022 Bond assents.

The Series 2022 Bonds are issuable in registered form in denominations of \$1,000 and integral multiples thereof. This Series 2022 Bond is transferable by the registered holder hereof in person or by its attorney duly authorized in writing at the principal office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture and upon surrender and cancellation of this Series 2022 Bond. Upon such transfer a new registered Bond will be issued to the transferee in exchange therefor.

The Issuer, the Trustee and the Paying Agent may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal and interest hereof and premium, if any, hereon and for all other purposes and neither the Issuer nor the Trustee nor the Paying Agent shall be affected by any notice to the contrary.

If sufficient funds are on deposit in the Bond Fund pursuant to Section 5.1(a) of the Indenture, the Series 2022 Bonds shall be subject to redemption prior to maturity at the option of the Issuer on any date, upon thirty (30) days' written notice, in whole or in part, in such order of maturity as the Issuer shall direct and by lot within maturities on any date, from any moneys made available for that purpose, at face value, with no premium, plus in each case accrued interest to the date fixed for redemption.

The Series 2022 Bonds are subject to mandatory sinking fund redemption prior to maturity, at a redemption price equal to the principal amount thereof on February 1 and August 1 on the dates and in the amounts set forth below:

<u>20 Term Bond</u>			
<u>Date</u>	<u>Amount</u>	<u>Date</u>	<u>Amount</u>

\*

\*Final Maturity

Each One Thousand Dollars (\$1,000) principal amount shall be considered a separate bond for purposes of optional and mandatory redemption. If less than an entire maturity is called for redemption, the Bonds to be redeemed shall be selected by lot by the Registrar. If some Bonds are to be redeemed by optional redemption and mandatory sinking fund redemption on the same date, the Registrar shall select by lot the Bonds for optional redemption before selecting the Bonds by lot for the mandatory sinking fund redemption.

If any of the Series 2022 Bonds are called for redemption as aforesaid, notice thereof identifying the Series 2022 Bonds to be redeemed will be given by mailing a copy of the redemption notice by first class mail not less than thirty (30) days nor more than sixty (60) days prior to the date fixed for redemption to the Registered Owner of the Series 2022 Bonds to be redeemed at the address shown on the registration books; provided, however, that failure to give such notice by mailing, or any defect therein with respect to any registered Series 2022 Bond, shall not affect the validity of any proceedings for the redemption of other Series 2022 Bonds.

All Series 2022 Bonds so called for redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at the place of payment at that time, and shall no longer be protected by the Indenture and shall not be deemed to be outstanding under the provisions of the Indenture.

Section 2.8. Issuance of Additional Bonds. One or more series of Bonds in addition to the Series 2022 Bonds ("Additional Bonds"), may be authenticated and delivered from time to time for one or more of the purposes of (i) refunding entirely one or more series of Bonds outstanding hereunder, if such Bonds may otherwise be refunded, (ii) advance refunding entirely one or more series of Bonds outstanding hereunder, regardless of whether such Bonds may otherwise be refunded, if the same is then permitted by law by depositing with the Trustee, in trust for the sole benefit of such series of Bonds, cash or investments (but only to the extent that the full faith and credit of the United States of America are pledged to the timely payment thereof) in a principal amount which will, together with the income or increment to accrue thereon, be sufficient to pay and redeem (when redeemable) and discharge such series of Bonds at or before their respective maturity dates, and (iii) financing the cost or estimated cost of

completing the Project or of acquiring and/or constructing additional improvements to the Project, and, in each case, obtaining additional funds to pay the costs to be incurred in connection with the issuance of such Additional Bonds, to establish reserves with respect thereto and to pay interest during the estimated construction period of completing the additional improvements, if any.

Prior to the delivery by the Issuer of any such Additional Bonds there shall be filed with the Trustee:

- (v) Additional Bonds payable from TIF Revenues, the requirements for such additional obligations contained in the resolution or ordinance pledging the TIF Revenues shall have been met.

Any Additional Bonds issued in accordance with the terms of this Section 2.8 shall be secured by this Indenture, but such Additional Bonds may bear such date or dates, such interest rate or rates, and with such maturities, redemption dates and premiums as may be agreed upon by the Issuer, at the direction of the Company, and the purchaser of such Additional Bonds.

Section 2.9. Mutilated, Lost, Stolen, or Destroyed Bonds. If any Series 2022 Bond is mutilated, lost, stolen or destroyed, the Issuer may execute and the Trustee may authenticate a new Series 2022 Bond of like date, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Series 2022 Bond, such mutilated Series 2022 Bond shall first be surrendered to the Issuer, and in the case of any lost, stolen or destroyed Series 2022 Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity satisfactory to it.

If any such Series 2022 Bond shall have matured, instead of issuing a duplicate Series 2022 Bond the Issuer may pay the same without surrender thereof; provided, however, that in the case of a lost, stolen or destroyed Series 2022 Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity

The Trustee may charge the holder or owner of such Series 2022 Bond with their reasonable fees and expenses in this connection (including reasonable attorney's fees, costs and expenses, if any). Any Series 2022 Bond issued pursuant to this Section 2.9 shall be deemed part of the original series of Series 2022 Bonds in respect of which it was issued and an original additional contractual obligation of the Issuer.

Section 2.10. Registration and Exchange of Series 2022 Bonds; Persons Treated as Owners. The Issuer shall cause books for the registration and for the transfer of the Series 2022 Bonds as provided in this Indenture to be kept by the Trustee which is hereby constituted and appointed the registrar of the Issuer. Upon surrender for transfer of any fully registered Series 2022 Bond at the principal office of the Trustee, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Trustee and duly executed by the registered owner or his attorney duly authorized in writing, the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new fully registered Series 2022 Bond or Series 2022 Bonds of the same series and the same maturity for a like aggregate principal amount. The execution by the Issuer of any fully registered Series 2022 Bond without coupons of any denomination shall constitute full and due authorization of such denomination, and the Trustee shall thereby be authorized to authenticate and deliver such registered Series 2022 Bond. The Trustee shall not be required to transfer or exchange any fully registered Series 2022 Bond during the period between the Record Date and any principal or interest payment date of such Series 2022 Bond, nor to transfer or exchange any Series 2022 Bond after the mailing of notice calling such Bond for redemption has been made, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

As to any fully registered Series 2022 Bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal or interest thereon, shall be made only to or upon the order of the registered owner thereof or its legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

The Bonds herein authorized and all payments to be made by the Issuer hereunder are not general obligations of the Issuer but are limited obligations payable solely from the Trust Estate as authorized by the Act and as provided herein. No covenant or agreement contained in the Bonds or this Indenture shall be deemed to be a covenant or agreement of the Issuer or of any member, director, officer, agent, attorney or employee of the Issuer in his or her individual capacity, and neither the Issuer nor any member, director, officer, agent, attorney, or employee of the Issuer executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

Section 4.2. Bond Fund. The Trustee shall establish and maintain, so long as any of the Bonds are outstanding, a separate fund to be known as the "Bond Fund." Money in the Bond Fund shall be applied as provided in this Section 4.2.

There shall be deposited in the Bond Fund, as and when received by the Trustee: (a) TIF Revenues, as set forth in Section 4.5; (b) any amounts transferred from the Debt Service Reserve Fund to the Bond Fund pursuant to Section 4.4; (c) any amount remaining in the Construction Fund to be transferred to the Bond Fund pursuant to Section 4.3(e) upon completion of the Project; (d) all interest and other income derived from investments of Bond Fund moneys as provided herein; (e) Taxpayer Payments; and (f) all other moneys received by the Trustee under and pursuant to any of the provisions of the Financing Agreement which are required or which are accompanied by written directions that such moneys are to be paid into the Bond Fund. The Issuer hereby covenants and agrees that so long as any of the Bonds issued hereunder are outstanding it will deposit, or cause to be paid to Trustee for deposit in the Bond Fund for its account, sufficient TIF Revenues and Taxpayer Payments, taking into account any Parity TIF Obligations (as described below) promptly to meet and pay the principal of, and premium, if any, and interest on the Bonds as the same become due and payable. Nothing herein should be construed as requiring the Issuer to deposit or cause to be paid to Trustee for deposit in the Bond Fund, funds from any source other than TIF Revenues and Taxpayer Payments.

The Controller of the Issuer shall set aside, immediately upon receipt, the TIF Revenues in the Issuer's Allocation Fund as created by IC 36-7-14 and Taxpayer Payments and transfer the TIF Revenues and Taxpayer Payments to the Trustee for the payment of the Bonds. The Trustee is hereby directed to deposit the TIF Revenues and Taxpayer Payments into the Bond Fund in the manner prescribed in this Section 4.2 and in Section 4.5. Taxpayer Payments shall be applied to the payment of debt service due on the Bonds on the next payment date.

Moneys in the Bond Fund shall be used by the Trustee to pay principal of and interest on the Bonds as they become due, at maturity or upon redemption.

Section 4.3. Construction Fund. The Issuer shall establish with the Trustee a separate fund to be known as the Construction Fund, to the credit of which the deposits are to be made as required by Section 3.1 hereof.

(a) The Construction Fund shall consist of two separate accounts including the Bond Issuance Expense Account and the Construction Account. On the issue date of the Bonds, the Issuer shall deposit a total sum of \$\_\_\_\_\_, which consists of \$\_\_\_\_\_, less the portion of the proceeds of the Bonds deposited in the Bond Issuance Expense Account (\$\_\_\_\_\_) in the Construction Fund from the proceeds of the sale of the Bonds, as provided in Section 3.1 hereof.

(b) The Issuer shall deposit \$\_\_\_\_\_ from the sale of the Bonds of the Issuer, into the Bond Issuance Expense Account of the Construction Fund to pay Bond Issuance Costs. The Bond Issuance Costs set forth in Exhibit A attached hereto shall be wire transferred at closing to the entities listed as authorized by the Mayor and the Controller. Execution of this Indenture shall be authorization for these payments. Other Bond Issuance Costs shall be paid out from time to time by the Trustee to or upon the order of the Issuer in accordance with the written requisition of the Issuer. Any amounts remaining in the Bond Issuance Expense Account of the Construction Fund shall be transferred to the Construction Account of the Construction Fund and the Bond Issuance Expense Account shall be closed.

(c) Except as set forth in subparagraphs (a) (b) and (c) of this Section 4.3, moneys on deposit in the Construction Fund shall be paid out from time to time by the Trustee to or upon the order of the Company in order to pay, or as reimbursement to the Company for payment made, for the Costs of Construction, upon receipt by the Trustee of a written request signed by the Authorized Representative of the Company and approved by the Redevelopment Commission, in substantially the form set forth in Exhibit B (a "Written Request"), and accompanied by invoices or other documentation relating to the payments or reimbursement requested:

- (i) stating that the costs of an aggregate amount set forth in such Written Request have been made or incurred and were necessary for the construction or equipping of the Project, and were made or incurred in accordance with the construction contracts, plans and specifications, or purchase contracts therefor then in effect or that the amounts set forth in such written request are for allowable Bond Issuance Costs;
- (ii) stating that the amount paid or to be paid, as set forth in such Written Request, is reasonable and represents a part of the amount payable for the Bond Issuance Costs during construction of the Project or the costs of equipping the Project all in accordance with the cost budget; and that such payment was not paid in advance of the time, if any, fixed for payment and was made in accordance with the terms of any contracts applicable thereto and in accordance with usual and customary practice under existing conditions;
- (iii) stating that no part of such costs was included in any Written Request previously filed with the Trustee under the provisions hereof;
- (iv) stating that such costs are appropriate for the expenditure of proceeds of the Bonds under the Act; and

- (v) stating a recap of vendors and the amount paid and/or to be paid to each and copies of invoices paid and/or to be paid with copies of checks used for any previously made payment and, if a vendor is an unincorporated entity, the taxpayer identification number for such vendor.

The Trustee shall rely fully on any such Written Request delivered pursuant to this Section and shall not be required to make any investigation in connection therewith.

(d) Completion Certificate. The Issuer shall deliver to the Trustee and the Issuer within fifteen (15) days after the acquisition and construction of the Project, a written completion certificate:

- (i) stating that the Project has been constructed and/or acquired, delivered and installed on the Project site and the date of completion;

- (ii) stating that the Company has made such investigation of such sources of information as are deemed by the Company to be necessary and is of the opinion that the Project has been fully paid for and that no claim or claims exist against the Company or the Issuer or against the properties of either out of which a lien based on furnishing labor or material for the Project exists or might ripen; provided, however, there may be excepted from the foregoing statement any claim or claims out of which a lien exists or might ripen in the event that the Company or the Issuer intends to contest such claim or claims, in which event such claim or claims shall be described; provided, further, however, that it shall be stated that funds are on deposit in the Construction Fund sufficient to make payment of the full amount which might in any event be payable in order to satisfy such claim or claims.

If such certificate shall state that there is a claim or claims in controversy which create or might ripen into a lien, there shall be filed with the Issuer and the Trustee a certificate of the Company or Issuer when and as such claim or claims shall have been fully paid.

(e) Disposition of Construction Fund Moneys After Completion. If, after payment by the Trustee of all orders theretofore tendered to the Trustee under the provisions of subparagraphs (b) and (c) of this Section 4.3 and after receipt by the Trustee of the completion certificate mentioned in subparagraph (d) of this Section 4.3, there shall remain any balance of moneys in the Construction Fund, the Trustee shall transfer all moneys then in the corresponding account (except moneys reserved to pay any disputed claims described in the completion certificate required in Section 4.3) to the Bond Fund. The Trustee, as directed in writing by the Company, shall use any amount transferred to the Bond Fund from the Series 2022 Bonds, to redeem the Series 2022 Bonds pursuant to Section 5.1(a) hereof at the earliest redemption date.

Section 4.4. Debt Service Reserve Fund. After final payment is made on the 2006 Bonds on [December 15, 2022] and after the [February 1/August 1, 20\_\_\_] debt service payment[s] on the Series 2022 Bonds have been made, there shall be deposited semiannually on February 1 and August 1 as described herein with the Trustee TIF Revenues into the herein created Debt Service Reserve Fund on deposit with the Trustee. The Issuer shall be responsible for monitoring and maintaining the Reserve Requirement as set forth below. The initial deposit or

the balance accumulated in the Debt Service Reserve Fund shall equal the maximum annual principal and interest due on the Bonds (\$ \_\_\_\_\_) ("Reserve Requirement").

If the initial deposit into the Debt Service Reserve Fund does not equal the Reserve Requirement or if no deposit is made, an amount of TIF Revenues shall be credited to the Debt Service Reserve Fund on each February 1 and August 1 (after providing for the requirements set forth in Section 4.2 hereof) until the balance therein equals the Reserve Requirement. The semiannual deposits shall be equal in amount and sufficient to accumulate the Reserve Requirement within five (5) years of the date of delivery of the Bonds. If, at any time, the balance is less than the Reserve Requirement, the shortfall will be made up from TIF Revenues after making the deposits to the Bond Fund. Moneys deposited and maintained in the Debt Service Reserve Fund shall be applied to the payment of the principal of and interest on the Bonds to the extent that amounts in the Bond Fund are insufficient to pay debt service when due and payable. If moneys in the Debt Service Reserve Fund are transferred to the Bond Fund to pay debt service on the Bonds, the depletion of the balance on the Debt Service Reserve Fund shall be made up from the next available TIF Revenues, after the required deposits to the Bond Fund are made. Any moneys in excess of the Reserve Requirement shall be deposited in the Bond Fund and applied as set forth in Section 4.2 hereof.

The Issuer, upon the advice of its financial advisor, hereby finds that funding the Debt Service Reserve Fund is reasonably required and that the Reserve Requirement is no larger than necessary to market the Bonds. The Issuer further finds that the Reserve Requirement is directly related to the Project because the Bonds could not be issued to fund the Project without the Debt Service Reserve Fund.

The debt service reserve requirement, if any, for any parity obligations shall be set forth in the resolution authorizing the party obligations.

Section 4.5. TIF Revenues. (a) On or before January 15 and July 15, commencing \_\_\_\_\_ 15, 20\_\_, the Issuer shall deposit with the Trustee an amount of TIF Revenues sufficient to pay, after taking into account amounts on deposit in the Bond Fund, the principal and interest due on the next February 1 or August 1. The Issuer hereby covenants and agrees that so long as any of the Bonds issued hereunder are outstanding, it will transfer to the Trustee for deposit in the Bond Fund, a sufficient amount of TIF Revenues promptly to meet and pay the principal of and interest on the Bonds as the same becomes due and payable. On or before each January 15 and July 15, the Controller shall deposit with the Trustee any Taxpayer Payments received. Other than the deposit of any Taxpayer Payments, nothing herein should be construed as requiring Issuer to deposit or cause to be paid to Trustee for deposit in the Bond Fund, funds from any source other than the TIF Revenues.

Section 4.6. Trust Funds. All moneys and securities received by the Trustee under the provisions of this Indenture, shall be trust funds under the terms hereof and shall not be subject to lien or attachment of any creditor of the Issuer or of the Company. Such moneys shall be held in trust and applied in accordance with the provisions of this Indenture.

Section 4.7. Investment. Moneys on deposit in the Funds established in this Article IV hereof shall be invested as provided in Section 6.7 hereof.

(a) The Series 2022 Bonds are subject to optional redemption by the Issuer, prior to maturity on any date, upon thirty (30) days' notice, in whole or in part, in such order of maturity as the Issuer shall direct in writing and by lot within maturities, at face value, without premium, plus in each case accrued interest to the date of redemption.

(b) Mandatory Sinking Fund Redemption. The Bonds maturing on \_\_\_\_\_ 1, 20\_\_ are subject to mandatory sinking fund redemption prior to maturity, at a redemption price equal to the purchase amount thereof plus accrued interest to the date of redemption in accordance with the following schedule:

The Series 2022 Bonds are subject to mandatory sinking fund redemption prior to maturity, at a redemption price equal to the principal amount thereof on February 1 and August 1 on the dates and in the amounts set forth below:

Section 5.2. Notice of Redemption. In the case of redemption of Series 2022 Bonds pursuant to Section 5.1 hereof, notice of the call for any such redemption identifying the Series 2022 Bonds, or portions of fully registered Series 2022 Bonds, to be redeemed shall be given by mailing a copy of the redemption notice by first class mail not less than thirty (30) days nor more than sixty (60) days prior to the date fixed for redemption to the registered Owner of each Series 2022 Bond to be redeemed at the address shown on the registration books. Such notice of redemption shall specify the CUSIP number, if applicable, and, in the event of a partial redemption the Series 2022 Bond numbers and called amounts of each Series 2022 Bond, the redemption date, redemption price, maturity date and the name and address of the Trustee and the Paying Agent; provided, however, that failure to give such notice by mailing, or any defect therein, with respect to any such registered Series 2022 Bond shall not affect the validity of any proceedings for the redemption of other Series 2022 Bonds.

On and after the redemption date specified in the aforesaid notice, such Series 2022 Bonds, or portions thereof, thus called shall no longer be protected by this Indenture and shall not be deemed to be outstanding under the provisions of this Indenture, and the holders thereof shall have the right only to receive the redemption price thereof.

Notice of any redemption hereunder required to be given to the Owners with respect to Series 2022 Bonds held under a book entry system shall be given by the Trustee only to the securities depository, or its nominee, as the Holder of such Series 2022 Bonds.

Section 5.3. Cancellation. All Series 2022 Bonds which have been redeemed in whole shall be canceled and cremated or otherwise destroyed by the Trustee in accordance with the Trustee's record retention policy and shall not be reissued and a counterpart of the certificate of cremation or other destruction evidencing such cremation or other destruction shall be furnished by the Trustee to the Issuer and the Company upon request.

Section 5.4. Redemption Payments. Prior to the date fixed for redemption in whole, funds shall be deposited with Trustee to pay, and Trustee is hereby authorized and directed to apply such funds to the payment of the Series 2022 Bonds or portions thereof called, together with accrued interest thereon to the redemption date. Upon the giving of notice and the deposit of funds for redemption, interest on the Series 2022 Bonds thus called shall no longer accrue after the date fixed for redemption. No payment shall be made by the Paying Agent upon any Series 2022 Bond until such Series 2022 Bond shall have been delivered for payment or cancellation or the Trustee shall have received the items required by Section 2.9 hereof with respect to any mutilated, lost, stolen or destroyed Series 2022 Bond.

Section 5.5. Partial Redemption of Bonds. If fewer than all of the Series 2022 Bonds at the time outstanding are to be called for redemption, the maturities of Series 2022 Bonds or portions thereof to be redeemed shall be selected by the Trustee at the written direction of the Company. If fewer than all of the Series 2022 Bonds within a maturity are to be redeemed, the Trustee shall select by lot (meaning also random selection by computer) in such manner as the Trustee, in its discretion, may determine, the Series 2022 Bonds or portions of Series 2022 Bonds within such maturity that shall be redeemed; provided, however, if the Series 2022 Bonds are then held in a book-entry only system, such selection shall be made by the depository in accordance with its procedures. The Trustee shall call for redemption in accordance with the foregoing provisions as many Series 2022 Bonds or portions thereof as will, as nearly as practicable, exhaust the moneys available therefor. Particular Series 2022 Bonds or portions thereof shall be redeemed in part only in \$1,000 integral multiples.

If less than the entire principal amount of any registered Series 2022 Bond then outstanding is called for redemption, then upon notice of redemption given as provided in Section 5.2 hereof, the Owner of such registered Series 2022 Bond shall forthwith surrender such Series 2022 Bond to the Paying Agent in exchange for (a) payment of the redemption price of, and (b) a new Series 2022 Bond or Series 2022 Bonds of like series in an aggregate principal amount equal to the unredeemed balance of the principal amount of such registered Series 2022 Bond, which shall be issued without charge therefor. Notwithstanding the foregoing, if the Series 2022 Bonds are registered in the name of a securities depository or its nominee, the redemption of the Series 2022 Bonds (or portions thereof) shall be made in a manner consistent with the policies and procedures of such securities depository.

### GENERAL COVENANTS

Section 6.1. Payment of Principal and Interest. The Issuer covenants that it will promptly pay the principal of, and premium, if any, and interest on every Bond issued under this Indenture at the place, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning thereof. The principal and premium, if any, and interest on the Bonds are payable solely and only from the TIF Revenues and Taxpayer Payments, which payments are hereby specifically pledged and assigned to the payment thereof in the manner and to the extent herein specified, and nothing in the Bonds or in this Indenture should be considered as pledging any other funds or assets of the Issuer. The Bonds, and the interest payable thereon do not and shall not represent or constitute a debt of the Issuer within the meaning of the provisions of the constitution or statutes of the State of Indiana or a pledge of the faith and credit of the Issuer. The Bonds, as to both principal and interest are not an obligation or liability of the State of Indiana, or of any political subdivision or taxing authority thereof, but are a special limited obligation of the Issuer and are payable solely and only from TIF Revenues and Taxpayer Payments. Neither the faith and credit nor the taxing power of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof is pledged to the payment of the principal of, or premium, if any, or interest on the Bonds. The Bonds do not grant the owners or holders thereof any right to have the Issuer, the State of Indiana or its General Assembly, or any political subdivision or taxing authority of the State of Indiana, levy any taxes or appropriate any funds for the payment of the principal of, or premium, if any, and interest on the Bonds. The Issuer has no taxing power with respect to the Bonds. No covenant or agreement contained in the Bonds or this Indenture shall be deemed to be a covenant or agreement of the Redevelopment Commission, the Commission, the Issuer or of any member, director, officer, agent, attorney or employee of the Redevelopment Commission, Commission or the Issuer in his or her individual capacity, and neither the Redevelopment Commission, Commission, the Issuer nor any member, director, officer, agent, attorney or employee of the Redevelopment Commission, Commission or the Issuer executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

Section 6.2. Performance of Covenants. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all proceedings of its members pertaining thereto. The Issuer represents that it is duly authorized under the constitution and laws of the State of Indiana to issue the Bonds authorized hereby and to execute this Indenture, and to pledge the TIF Revenues and Taxpayer Payments, in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly and effectively taken, and that the Bonds in the hands of the holders and owners thereof are and will be valid and enforceable obligations of the Issuer according to the import thereof, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws, judicial decisions and principles of equity relating to or affecting creditors' rights generally and subject to the valid exercise of the constitutional powers of the Issuer, the State of Indiana and the United States of America.

Section 6.3. Filing of Indenture, Financing Agreement and Security Instruments. The Issuer, upon the written direction and at the sole expense of the Company, shall cause this Indenture, the Financing Agreement and all supplements thereto as well as such other security instruments, financing statements and all supplements thereto and other instruments as may be required from time to time to be filed in such manner and in such places as may be required by law in order to fully preserve and protect the lien hereof and the security of the holders and owners of the Bonds and the rights of the Trustee hereunder. This Section 6.3 shall impose no duty to record or file the instruments noted above where filing or recordation is not required by law in order to perfect a security interest. Continuation of financing statements may be filed without consent of the debtor parties thereto. If applicable, the Trustee shall file continuation statements with respect to each financing statement relating to the Trust Estate filed by the Issuer or the Company at the time of the issuance of the Bonds; provided that a copy of the filed initial financing statement is timely delivered to the Trustee. In addition, unless the Trustee shall have been notified in writing by the Issuer or the Company that any such initial filing or description of collateral was or has become defective, the Trustee shall be fully protected in (a) relying on such initial filing and descriptions in filing any financing or continuation statements or modifications thereto pursuant to this Section and (b) filing any continuation statements in the same filing offices as the initial filings were made. The Company shall be responsible for the customary fees charged by the Trustee for the preparation and filing of continuation statements and for the reasonable costs incurred by the Trustee in the preparation and filing of all continuation statements hereunder.

Section 6.4. Inspection of Books. The Issuer covenants and agrees that all books and documents in its possession relating to the Project and the revenues derived from the Project shall at all times be open to inspection by such accountants or other agents as the Trustee may from time to time designate.

Section 6.5. List of Bondholders. The Trustee will keep on file at the principal office of the Trustee a list of names and addresses of the holders of all Bonds. At reasonable times and under reasonable regulations established by the Trustee, said list may be inspected and copied by the Company or by holders and/or owners (or a designated representative thereof) of 25% or more in principal amount of Bonds then outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

Section 6.6. Rights Under Financing Agreement. The Issuer agrees that the Trustee in its name or in the name of the Issuer may enforce all rights of the Issuer and all obligations of the Company under and pursuant to the Financing Agreement for and on behalf of the Bondholders, whether or not the Issuer is in default hereunder.

Section 6.7. Investment of Funds. Moneys in the Funds established hereunder may be invested at the written direction of the Issuer in Qualified Investments to the extent and in the manner provided for in Section 3.8 of the Financing Agreement. The Trustee shall not be liable or responsible for any loss resulting from any such investment. The interest accruing thereon and any profit realized from such investments shall be credited, and any loss resulting from such investments shall be charged to the fund in which the money was deposited. The Trustee may conclusively rely upon the Issuer's written instructions as to both the suitability and legality of the directed investments and such written investment instructions shall be deemed to be a

certification to the Trustee that such directed investments constitute Qualified Investments. The Trustee may credit the funds and accounts hereunder with amounts expected to be received from the sale or redemption of, or the earnings on, the investments in such funds and accounts, prior to actual receipt of final payment thereof, and may advance funds to purchase directed investments in anticipation of receipt of such final payments. Any such credit or advance shall be conditional upon actual receipt by the Trustee of final payment and may be reversed if final payment is not actually received in full. The Company and the Issuer each acknowledges that the legal obligation to pay the purchase price of any investment arises immediately at the time of the purchase. Nothing in this Indenture shall constitute a waiver of any of the Trustee's rights as a securities intermediary under Uniform Commercial Code § 9-206.

Section 6.8. Non-presentment of Bonds. If any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, if funds sufficient to pay any such Bond shall have been made available to Paying Agent for the benefit of the holder or holders thereof, all liability of Issuer to the holder thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of Paying Agent to hold such funds for five (5) years without liability for interest thereon, if any, for the benefit of the holder of such Bond, who shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Paying Agent not so applied to the payment of Bonds within five (5) years after the date on which the same shall become due shall be repaid by Paying Agent to Company and thereafter Bondholders shall be entitled to look only to Company for payment, and then only to the extent of the amount so repaid, and Company shall not be regarded as a trustee of such money.

Section 6.9. Direction of Bondholders. Whenever any action, direction or consent is required of the Trustee, the Trustee shall consult with the holders of the Bonds and shall take such action, give such direction or give such consent as shall be directed in writing by the Requisite Bondholders except as otherwise provided herein.

Section 6.10. Reserved.

## ARTICLE VII.

### DEFAULTS AND REMEDIES

Section 7.1. Events of Default. Each of the following events is hereby declared an "event of default," that is to say, if:

(a) payment of any amount payable on the Bonds shall not be made when the same is due and payable; or

(b) any event of default as defined in Section 5.1 of the Financing Agreement shall occur and be continuing; or

(c) the Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in this Indenture or any agreement supplemental hereof on the part of the Issuer to be performed, and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer and the Company by the Trustee.

(d) the Issuer shall fail to apply collected TIF Revenues and Taxpayer Payments as required by Article IV of this Indenture.

The insufficiency of TIF Revenues to pay debt service due on the Series 2022 Bonds shall not constitute an event of default hereunder.

### Section 7.2. Reserved.

Section 7.3. Remedies; Rights of Bondholders. (a) If an event of default occurs, the Trustee may pursue any available remedy by suit at law or in equity to enforce the payment of the principal of, and premium, if any, and interest on the Bonds then outstanding, to enforce any obligations of the Issuer hereunder and of the Company under the Financing Agreement.

(b) Upon the occurrence of an event of default, and if directed in writing so to do by the Requisite Bondholders and indemnified as provided in Section 8.1 hereof, the Trustee shall be obliged to exercise such one or more of the rights and powers conferred by this Article as the Trustee, being advised by counsel, shall deem most expedient in the interests of the Bondholders.

(c) No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.

(d) No delay or omission to exercise any right or power accruing upon any event of default shall impair any such right or power or shall be construed to be a waiver of any event of default or acquiescence therein, and every such right and power may be exercised from time to time as may be deemed expedient.

(e) No waiver of any event of default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent event of default or shall impair any rights or remedies consequent thereon.

Section 7.4. Right of Bondholders to Direct Proceedings. Anything in this Indenture to the contrary notwithstanding, the Holders of all Bonds then outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture, and provided that the Trustee is obligated to pursue its remedies under the provisions of Section 7.3 hereof before any other remedies are sought.

Section 7.5. Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article and any other moneys held as part of the Trust Estate shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fee of and the expenses, liabilities and advances incurred or made by the Trustee or the Issuer, including reasonable attorney's fees, costs and expenses, if any, be deposited in the Bond Fund and all moneys in the Bond Fund shall be applied as follows:

(a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

First: To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest and if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discriminations or privilege; and

Second: To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due, and if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege.

Third: To the payment of the balance, if any, to the Company or its successors or assigns, upon the written request of the Company, except for any remaining TIF Revenues which shall be paid to the Issuer, or to whomsoever may be lawfully entitled to receive the same upon its written request, or as any court of competent jurisdiction may direct.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal then due and unpaid upon the Bonds, to the persons entitled thereto without any discrimination or privilege.

(c) If the principal of all the Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of this Article then, subject to the provisions of subsection (b) of this Section in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of subsection (a) of this Section.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date and shall not be required to make payment to the holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 7.6. Remedies Vested In Trustee. All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any holders of the Bonds, and any recovery of judgment shall, subject to the provisions of Section 7.5 hereof, be for the equal benefit of the holders of the outstanding Bonds. When the Trustee incurs costs or expenses (including reasonable attorney's fees, costs or expenses) or renders services after the occurrence of an event of default, such costs and expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

Section 7.7. Rights and Remedies of Bondholders. No holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder, unless a default has occurred of which the Trustee has been notified as provided in subsection (g) of Section 8.1, or of which by said subsection it is deemed to have notice, nor unless also such default shall have become an event of default and the holders of all Bonds then outstanding shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, nor unless also they have offered to the Trustee indemnity as provided in Section 8.1 hereof, nor unless the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its, his, or their own name or names. Such notification, request and offer of indemnity are

hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the holders of all Bonds then outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Bondholder to enforce the covenants of the Issuer to pay the principal of and interest on each of the Bonds issued hereunder to the respective holders thereof at the time, place, from the source and in the manner in said Bonds expressed.

Section 7.8. Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Company and the Trustee shall be restored to their former positions and rights hereunder, respectively, with respect to the Trust Estate, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 7.9. Waivers of Events of Default. The Trustee may in its discretion waive any event of default hereunder and its consequences and rescind any declaration of maturity of principal of the Bonds, and shall do so upon the written request of the holders of (1) all the Bonds then outstanding in respect of which default in the payment of principal and/or premium, if any, or (2) all Bonds then outstanding in the case of any other default; provided, however, that there shall not be waived any event of default in the payment of the principal of any outstanding Bonds at the date of maturity specified therein, and all expenses of the Trustee in connection with such default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

## ARTICLE VIII.

### THE TRUSTEE AND PAYING AGENT

Section 8.1. Acceptance of the Trusts. The Trustee, prior to the occurrence of an event of default and after the curing of all events of default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations should be read into this Indenture against the Trustee.

The Trustee agrees to perform such trusts only upon and subject to the following expressed terms and conditions:

(a) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or if appointed through attorneys, agents, receivers or employees but shall not be answerable for the conduct of the same if appointed with due care, and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for the Issuer or the Company). The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the certificate of the Trustee endorsed on the Bonds), or for insuring the property herein conveyed or collecting any insurance moneys, or for the validity of the execution by the Issuer of this Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the property herein conveyed or otherwise as to the maintenance of the security hereof; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Issuer or on the part of the Company under the Financing Agreement; but the Trustee may require of the Issuer or the Company full information and advice as to the performance of the covenants, conditions and agreements aforesaid as to the condition of the property herein conveyed. The Trustee shall have no obligation to perform any of the duties of the Issuer under the Financing Agreement, and the Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with the provisions of this Indenture.

(c) The Trustee shall not be accountable for the use of any Bonds authenticated by it or the Paying Agent or delivered hereunder or for any money paid to or upon the order of the Issuer or the Company under any provision of this Indenture or of the Financing Agreement. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not Trustee.

(d) The Trustee may conclusively rely upon, shall be fully protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request

or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bond, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, or whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee shall be entitled to conclusively rely upon a certificate signed on behalf of the Issuer or the Company by its duly authorized officers as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which the Trustee has been notified as provided in subsection (g) of this Section, or of which said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of the Issuer or the Company under its seal to the effect that an ordinance or resolution in the form therein set forth has been adopted by the Issuer or the Company as conclusive evidence that such ordinance or resolution has been duly adopted, and is in full force and effect.

(f) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its gross negligence or willful misconduct; provided, however, that the provisions of this subsection shall not affect the duties of the Trustee hereunder, including the provisions of Article VII hereof.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any event of default hereunder (other than payment of the principal and interest on the Bonds) unless the Trustee shall be specifically notified in writing of such default by the Issuer or by the holders of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then outstanding and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the principal corporate trust office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid.

(h) The Trustee shall not be personally liable for any debts contracted or for damages to persons or to personal property injured or damaged, or for salaries or nonfulfillment of contracts during any period in which it may be in possession of or managing the Trust Estate.

(i) At any and all reasonable times and upon reasonable prior written notice, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect the Trust Estate, and to take such memoranda from and in regard thereto as may be desired. The Trustee is not required to inspect the Project or the construction work or to make any independent investigation with respect to the matters set forth in any Written Request or other statements, orders, certifications, plans or approvals received by the Trustee. The Trustee is not required to obtain completion bonds, lien releases or otherwise supervise the acquisition, construction, renovation, equipping, improvement and installation of the Project.

(j) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(k) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee, deemed desirable for the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(l) Before taking any action under this Indenture or the Financing Agreement, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, including, but not limited to, any liability arising directly or indirectly under any federal, state or local statute, rule, law or ordinance related to the protection of the environment or hazardous substances, except liability which is adjudicated to have resulted from its gross negligence or willful misconduct in connection with any action so taken. Such indemnity shall survive the termination of this Indenture or the sooner resignation or removal of the Trustee and shall inure to the benefit of the Trustee's successors and assigns.

(m) All moneys received by the Trustee or the Paying Agent shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. Neither the Trustee nor the Paying Agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon in writing.

(n) If any event of default under this Indenture shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and shall use the same degree of care as a prudent man would exercise or use in the circumstances in the conduct of his own affairs.

(o) Notwithstanding the effective date of this Indenture or anything to the contrary in this Indenture, the Trustee shall have no liability or responsibility for any act or event relating to this Indenture which occurs prior to the date the Trustee formally executes this Indenture and commences acting as Trustee hereunder.

(p) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

(q) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(r) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligation under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; hurricanes or other storms; wars; terrorism; similar military disturbances; sabotage; epidemic; pandemic; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communications services; accidents; labor disputes; acts of civil or military authority or governmental action; it being understood that the Trustee shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as reasonably practicable under the circumstances.

(s) The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Indenture or the Financing Agreement and delivered using Electronic Means (as hereinafter defined); provided, however, that the Issuer and the Company shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. If the Issuer or the Company elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee's understanding of such Instructions shall be deemed controlling absent the Trustee's willful misconduct or gross negligence. Each of the Issuer and the Company understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that Instructions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Issuer and the Company shall be responsible for ensuring that only their respective Authorized Officers transmit such Instructions to the Trustee, and the Issuer, the Company and their Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys provided by the Trustee, if any. The Trustee shall not be liable, except for, in instances of gross negligence or willful misconduct, for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. Each of the Issuer and the Company agrees: (i) to assume all risks arising out of its use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties except, in each case, in instances where there is willful misconduct of the Trustee or gross negligence of the Trustee; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected it; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures. "Electronic Means" means e-mail as a portable document format ("pdf") or other replicating image attached to an e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys

issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder.

Section 8.2. Fees, Charges and Expenses of Trustee and Paying Agent. The Trustee and Paying Agent shall be entitled to payment and/or reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees, costs and expenses and other expenses reasonably and necessarily made or incurred by the Trustee or Paying Agent in connection with such services. Upon an event of default, but only upon an event of default, the Trustee shall have a right of payment prior to payment on account of principal of, or premium, if any, and interest on any Bond for the foregoing advances, fees, costs and expenses incurred.

Section 8.3. Notice to Bondholders if Default Occurs. If an event of default occurs of which the Trustee is by subsection (g) of Section 8.1 hereof required to take notice or if notice of an event of default be given as in said subsection (g) provided, then the Trustee shall give written notice thereof by registered or certified mail to the last known holders of all Bonds then outstanding shown by the list of Bondholders required by the terms of this Indenture to be kept at the office of the Trustee.

Section 8.4. Intervention by Trustee. In any judicial proceeding to which the Issuer is a party and which in the opinion of the Trustee and its counsel has a substantial bearing on the interests of holders of the Bonds, the Trustee may intervene on behalf of Bondholders and, subject to the provisions of Section 8.1(l), shall do so if requested in writing by the owners of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then outstanding. The rights and obligations of the Trustee under this Section are subject to the approval of a court of competent jurisdiction.

Section 8.5. Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto, shall be and become successor Trustee hereunder and vested with all of the title to the whole property or trust estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 8.6. Resignation by the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving thirty (30) days' written notice to the Issuer and the Company and by registered or certified mail to each registered owner of Bonds then outstanding and to each holder of Bonds as shown by the list of Bondholders required by this Indenture to be kept at the office of the Trustee, and such resignation shall take effect at the end of such thirty (30) days, or upon the earlier appointment of a successor Trustee by the Bondholders or by the Issuer. Such notice to the Issuer and the Company may be served personally or sent by registered or certified mail.

Section 8.7. Removal of the Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee and to the Issuer and signed by all the Bondholders.

Section 8.8. Appointment of Successor Trustee by the Bondholders; Temporary Trustee. In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the owners of a majority in aggregate principal amount of Bonds then outstanding, by an instrument or concurrent instruments in writing signed by such owners, or by their attorneys-in-fact, duly authorized; provided, nevertheless, that in case of such vacancy, the Issuer, by an instrument executed by one of its duly authorized officers, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Bondholders in the manner above provided; and any such temporary Trustee so appointed by the Issuer shall immediately and without further act be superseded by the Trustee so appointed by such Bondholders. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank, having a reported capital and surplus of not less than One Hundred Million Dollars (\$100,000,000) if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

Section 8.9. Concerning Any Successor Trustees. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer and the Company an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, or of its successor, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article shall be filed by the successor Trustee in each office, if any, where the Indenture shall have been filed.

Section 8.10. Trustee Protected in Relying Upon Resolutions, etc. Subject to the conditions contained herein, the resolutions, ordinances, opinions, certificates and other instruments provided for in this Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for the release of property and the withdrawal of cash hereunder.

Section 8.11. Appointment of Paying Agent and Registrar; Resignation or Removal of Paying Agent. U.S. Bank Trust Company, National Association is hereby appointed "Paying Agent" under this Indenture. Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this instrument and any supplemental indenture by giving at

least 30 days' written notice to the Issuer, the Company and the Trustee. Any Paying Agent may be removed at any time by an instrument, filed with such Paying Agent and the Trustee and signed by the Issuer and the Company. Any successor Paying Agent shall be appointed by the Issuer at the direction of the Company and shall be a bank or trust company duly organized under the laws of any state of the United States or a national banking association, in each case having a capital stock and surplus aggregating at least \$100,000,000, willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Indenture.

In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys or securities held by it as Paying Agent to its successors, or if there is no successor, to the Trustee.

Anything herein to the contrary notwithstanding, a supplemental indenture under this Article which affects any rights of the Company shall not become effective unless and until the Company shall have consented in writing to the execution and delivery of such supplemental indenture. ## ARTICLE XI.

### MISCELLANEOUS

Section 11.1. Satisfaction and Discharge. All rights and obligations of the Issuer and the Company under the Financing Agreement and this Indenture shall terminate, and such instruments shall cease to be of further effect, and the Trustee shall execute and deliver all appropriate instruments evidencing and acknowledging the satisfaction of this Indenture, and shall assign and deliver to the Company any moneys and investments in all Funds established hereunder (except moneys or investments held by the Trustee for the payment of principal of the Bonds and except for any TIF Revenues which shall be delivered to the Issuer) when

(a) all fees and expenses of the Trustee and the Paying Agent shall have been paid including reasonable attorney's fees, costs and expenses, if any;

(b) the Issuer and the Company shall have performed all of their covenants and promises in the Financing Agreement and in this Indenture; and

(c) all Bonds theretofore authenticated and delivered (i) have become due and payable, or (ii) are to be retired or called for redemption under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee at the expense of the Company, or (iii) have been delivered to the Trustee canceled or for cancellation; and, in the case of (i) and (ii) above, there shall have been deposited with the Trustee either cash in an amount which shall be sufficient, or investments (but only to the extent that the full faith and credit of the United States of America are pledged to the timely payment thereof) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee, shall be sufficient, to pay when due the principal and interest due and to become due on the Bonds and prior to the redemption date or maturity date thereof, as the case may be;

Provided, however, none of the Bonds may be advance refunded if such advance refunding is not permitted by the laws of Indiana.

Section 11.2. Defeasance of Bonds. Any Bond shall be deemed to be paid and no longer Outstanding within the meaning of this Article and for all purposes of this Indenture when (a) payment of the principal of and interest on such Bond either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with the Trustee in trust and irrevocably set aside exclusively for such payment, (1) moneys sufficient to make such payment or (2) Government Obligations maturing as to principal and interest in such amounts and at such times as will insure the availability of sufficient moneys to make such payment, together with either (A) a verification report of an independent certified public accountant to the effect that such securities and/or cash, together with earnings thereon, will be sufficient to pay principal (and applicable premium, if any) on the Bonds to redemption or maturity or (B) an opinion of Counsel satisfactory to the Trustee to the effect that all conditions precedent to the defeasance of the Bonds have been complied with; provided however, that no such verification report or opinion shall be necessary in the event of a gross defeasance (where the cash deposited alone is sufficient to pay the debt service on the Bonds) or a current refunding (where the Bonds are to be redeemed within ninety (90) days of

the funding of the escrow) and (b) all necessary and proper fees, compensation, indemnities and expenses of the Trustee and the Issuer pertaining to the Bonds with respect to which such deposit is made shall have been paid or the payment thereof provided for including reasonable attorney's fees, costs and expenses, if any. At such time as a Bond shall be deemed to be paid hereunder, as aforesaid, such Bond shall no longer be secured by or entitled to the benefits of this Indenture, except for the purposes of any such payment from such moneys or Government Obligations.

Notwithstanding the foregoing, no deposit under clause (a)(ii) of the immediately preceding paragraph shall be deemed payment of such Bonds as aforesaid until (a) proper notice of redemption of such Bonds shall have been previously given in accordance with Section 5.2 of this Indenture, or if the Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, until the Company shall have given the Trustee in form satisfactory to the Trustee irrevocable instructions to notify, as soon as practicable, the Bondholders, that the deposit required by the preceding paragraph has been made with the Trustee and that the Bonds are deemed to have been paid in accordance with this Section 11.2 and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal of and interest and the applicable redemption premium, if any, on the Bonds; or (b) the maturity of such Bonds.

All moneys so deposited with the Trustee as provided in this Section 11.2 may also be invested and reinvested, at the written direction of the Company, in Government Obligations, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Government Obligations in the hands of the Trustee pursuant to this Section 11.2 which is not required for the payment of principal of the Bonds and interest and premium, if any, thereon with respect to which such moneys shall have been so deposited shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in the Bond Fund.

Notwithstanding any provision of any other Article of this Indenture which may be contrary to the provisions of this Section 11.2, all moneys or Government Obligations set aside and held in trust pursuant to the provisions of this Section 11.2 for the payment of Bonds (including premium thereon, if any) shall be applied to and used solely for the payment of the particular Bonds (including the premium thereon, if any) with respect to which such moneys or Government Obligations have been so set aside in trust.

Anything in Article 9 hereof to the contrary notwithstanding, if moneys or Government obligations have been deposited or set aside with the Trustee pursuant to this Section 11.2 for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Section 11.2 shall be made without the consent of the Owner of each Bond affected thereby.

The right to register the transfer of or to exchange Bonds shall survive the discharge of this Indenture.

**Section 11.3. Cancellation of Series 2022 Bonds.** If the Bondholders of any Series 2022 Bonds presents that Bond to the Trustee with an instrument satisfactory to the Trustee waiving all claims for payment of that Bond, the Trustee shall cancel that Series 2022 Bond and the

Bondholder shall have no further claim against the Trust Estate, the Issuer or the Company with respect to that Series 2022 Bond.

Section 11.4. Application of Trust Money. All money or investments deposited with or held by the Trustee pursuant to Section 11.1 shall be held in trust for the holders of the Bonds, and applied by it, in accordance with the provisions of the Bonds and this Indenture, to the payment, either directly or through the Paying Agent, to the persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money or obligations need not be segregated from other funds except to the extent required by law.

Section 11.5. Consents, etc., of Bondholders. Any consent, request, direction, approval, objection or other instrument required by this Indenture to be executed by the Bondholders may be in any number of concurrent writings of similar tenor and may be executed by such Bondholders in person or by agent appointed in writing. Provided, however, that wherever this Indenture or the Financing Agreement requires that any such consent or other action be taken by the holders of a specified percentage, fraction or majority of the Bonds outstanding, any such Bonds held by or for the account of the following persons shall not be deemed to be outstanding hereunder for the purpose of determining whether such requirement has been met: the Issuer, any of its members, the Company, or the directors, trustees, officers or members of the Company. For all other purposes, Bonds held by or for the account of such person shall be deemed to be outstanding hereunder. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken under such request or other instrument, namely:

(a) The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of the holding by any person of Bonds transferable by delivery and the amounts and numbers of such Bonds, and the date of the holding of the same, may be proved by a certificate executed by any trust company, bank or bankers, wherever situated, stating that at the date thereof the party named therein did exhibit to an officer of such trust company or bank or to such banker, as the property of such party, the Bonds therein mentioned if such certificate shall be deemed by the Trustee to be satisfactory. The Trustee may, in its discretion, require evidence that such Bonds have been deposited with a bank, bankers or trust company, before taking any action based on such ownership. In lieu of the foregoing, the Trustee may accept other proofs of the foregoing as it shall deem appropriate.

For all purposes of this Indenture and of the proceedings for the enforcement hereof, such person shall be deemed to continue to be the holder of such Bond until the Trustee shall have received notice in writing to the contrary.

Section 11.6. Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture, or the Bonds is intended or shall be construed to give to any person other than the parties hereto, and the Company, and the holders of the Bonds, any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions herein contained, this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto and the Company and the holders of the Bonds as herein provided.

Section 11.7. Severability. If any provision of this Indenture shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses or Sections in this Indenture contained, shall not affect the remaining portions of this Indenture, or any part thereof.

Section 11.8. Notices. All notices, demands, certificates or other communications hereunder shall be sufficiently given and shall be deemed given when mailed by registered or certified mail, postage prepaid, with proper address as indicated below; however, notices to the Trustee shall be deemed given upon receipt by the Trustee. The Issuer, the Company, and the Trustee may, by written notice given by each to the others, designate any address or addresses to which notices, demands, certificates or other communications to them shall be sent when required as contemplated by this Indenture. Until otherwise provided by the respective parties, all notices, demands, certificates and communications to each of them shall be addressed as provided in Section 9.4 of the Financing Agreement. All notices, approvals, consents, requests and any communications to the Trustee hereunder must be in writing in English and must be in the form of a document that is signed manually or by way of an electronic signature (including electronic images of handwritten signatures and digital signatures provided by DocuSign, Orbit, Adobe Sign or any other electronic signature provider acceptable to the Trustee). Electronic signatures believed by the Trustee to comply with the E-SIGN ACT of 2000 or other applicable law shall be deemed original signatures for all purposes. If the Issuer or the Company chooses to use electronic signatures to sign documents delivered to the Trustee, the Issuer and the Company each agrees to assume all risks arising out of its use of electronic signatures, including without limitation the risk of the Trustee acting on an unauthorized document and the risk of interception or misuse by third parties. Notwithstanding the foregoing, the Trustee may in any instance and in its sole discretion require that an original document bearing a manual signature be delivered to the Trustee in lieu of, or in addition to, any document signed via electronic signature.

Section 11.9. Counterparts. This Indenture may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 11.10. Applicable Law. This Indenture shall be governed exclusively by the applicable laws of the State of Indiana without regard to conflict of law principles.

Section 11.11. Immunity of Officers and Directors. No recourse shall be had for the payment of the principal of or premium on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in this Indenture contained against any past, present or future members, officer, directors, agents, attorneys or employees of the Issuer, or any incorporator, member, officer, director, agents, attorneys, employees or trustee of any successor corporation, as such, either directly or through the Issuer or any successor corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such incorporator, members, officers, directors, agents, attorneys, employees or trustees as such is hereby expressly waived and released as a condition of and consideration for the execution of this Indenture and issuance of such Bonds.

Section 11.12. Holidays. If any date for the payment of principal or interest on the Bonds is not a Business Day then such payment shall be due on the first Business Day thereafter.

## BOND PURCHASE AGREEMENT

BOND PURCHASE AGREEMENT, dated as of the \_\_\_\_\_ day of \_\_\_\_\_, 2022, by and among the City of Fort Wayne, Indiana ("City" or "Issuer"), a municipal corporation duly organized and existing under the laws of the State of Indiana, House Investments, LLP ("Company") and \_\_\_\_\_ ("Purchaser").

### WITNESSETH:

WHEREAS, the City has duly authorized the issuance of its bonds designated "Taxable Economic Development Revenue Bonds, Series 2022 (Village Premier Project)" ("Series 2022 Bonds") in the aggregate principal amount of \$ \_\_\_\_\_ by the adoption of its Bond Ordinance on \_\_\_\_\_, 2022, a correct copy of which is incorporated herein by reference ("Bond Ordinance") and as described in the Trust Indenture, dated as of \_\_\_\_\_ 1, 2022 ("Indenture") between the City and U.S. Bank Trust Company, National Association, as trustee ("Trustee"); and

WHEREAS, the Purchaser has authorized the purchase of the Series 2022 Bonds;

NOW, THEREFORE, THE PURCHASER AND THE CITY AGREE:

Section 1. Purchase and Sale of the Series 2022 Bonds. (a) The Purchaser hereby agrees to purchase the Series 2022 Bonds and the City hereby agrees to use its best efforts to issue the Series 2022 Bonds and to sell the Series 2022 Bonds to the Purchaser at their face value (\$ \_\_\_\_\_). The Series 2022 Bonds shall be dated their date of issuance and shall bear interest at the rate of \_\_\_\_% per annum, shall mature semiannually on February 1 and August 1 on the dates and in such amounts as set forth in Exhibit A attached hereto, and shall be subject to optional and mandatory sinking fund redemption as set forth on Exhibit A. The Series 2022 Bonds shall constitute a contract between the City and the Purchaser, as the owner of the Series 2022 Bonds.

(b) The City has taken or will take prior to closing all actions required by law to enable it to issue the Series 2022 Bonds.

(c) Prior to delivery of the Series 2022 Bonds by the City, the Purchaser will provide an investment letter to the effect that by acceptance of the Series 2022 Bonds the Purchaser will be deemed to have consented to all of the terms and provisions of the Bond Ordinance, the Indenture and the Financing Agreement (as defined in the Indenture) and will represent that:

(a) It is a sophisticated investor and is familiar with securities such as the Series 2022 Bonds.

(b) It is familiar with the Issuer, the Fort Wayne Redevelopment Commission ("Redevelopment Commission") and the Fort Wayne Redevelopment District ("District"); it has received such information concerning the Issuer, the Redevelopment Commission, the District, the Series 2022 Bonds, the TIF Revenues and Taxpayer Payments as it deems to be necessary in connection with investment in the Series 2022 Bonds. It has received, read and had an opportunity

to comment upon the Indenture, the Series 2022 Bonds, the TIF Pledge Resolution ("TIF Resolution") and the Financing Agreement. Prior to the purchase of the Series 2022 Bonds, it has been provided with the opportunity to ask questions of and receive answers from the representatives of the Issuer and the Redevelopment Commission concerning the terms and conditions of the Series 2022 Bonds, the tax status of the Series 2022 Bonds, legal opinions and enforceability of remedies, the security therefor, and property tax reform, and to obtain any additional information needed in order to verify the accuracy of the information obtained to the extent that the Issuer possesses such information or can acquire it without unreasonable effort or expense. It is not relying on Ice Miller LLP or Baker Tilly Municipal Advisors, LLC for information concerning the financial status of the Issuer or the Redevelopment Commission or the ability of the Issuer or the Redevelopment Commission to honor their financial obligations or other covenants under the Series 2022 Bonds, the Indenture or the Financing Agreement. It is understood that the projection of TIF Revenues (as defined in the TIF Resolution) prepared by Baker Tilly Municipal Advisors, LLC in connection with the issuance of the Series 2022 Bonds has been based on estimates of the investment in real property provided by the Company.

- (c) It understands that the Issuer's collection of the TIF Revenues may be limited by operation of IC 6-1.1-20.6, which provides taxpayers with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. It further understands that the neither the Issuer nor the Redevelopment Commission may levy a property tax or borrow money to make up any shortfall due to the application of this credit.
- (d) It is acquiring the Series 2022 Bonds for its own account with no present intent to resell; and will not sell, convey, pledge or otherwise transfer the Series 2022 Bonds without prior compliance with applicable registration and disclosure requirements of state and federal securities law.
- (e) It has investigated the security for the Series 2022 Bonds, including the availability of TIF Revenues, to its satisfaction, and it understands that the Series 2022 Bonds are payable from TIF Revenues and Taxpayer Payments.
- (f) It recognizes that the opinions it has received express the professional judgment of the attorneys participating in the transaction as to the legal issues addressed herein. It also recognizes that by rendering such opinions, the attorneys do not become insurers or guarantors of that expression of professional judgment, of the transaction opined upon, or of the future performance of parties to such transaction. Nor does the rendering of the opinions guarantee the outcome of any legal dispute that may arise out of the transaction.
- (g) It understands that the Issuer has no continuing disclosure obligations with regard to the Series 2022 Bonds.

- (i) It understands that interest on the Series 2022 Bonds is taxable for federal income tax purposes.
- (h) It understands that on June 11, 2020, the World Health Organization proclaimed the Coronavirus (COVID-19) to be a pandemic. In an effort to lessen the risk of transmission of COVID-19, the United States government, state governments, local governments and private industries have taken measures to limit social interactions in an effort to limit the spread of COVID-19, affecting business activities and impacting global, state and local commerce and financial markets. The emergence of COVID-19 and the spread thereof is an emerging and evolving issue. As the Issuer continues its efforts to contain and limit the spread COVID-19 disease, future tax and other revenue collections may deviate from anticipated and historical collections and may have an adverse impact on the financial position and operations of the Issuer and its ability to fund debt obligations, including the bonds in accordance with its terms. The Issuer is not able to predict and makes no representations as to the economic impact of the COVID-19 pandemic on the Issuer or its financial position.

(d) Simultaneously with the delivery to, or at the direction of, the Purchaser of the Series 2022 Bonds, which Bonds shall be substantially in the form set forth in the Indenture, the City shall furnish to the Purchaser a transcript of proceedings and the opinion of Ice Miller LLP, bond counsel, addressed to the Trustee and the Purchaser as to, among other things, the validity of the Series 2022 Bonds and the tax-exempt status of interest on the Series 2022 Bonds.

Section 2. If any provision of this Purchase Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Purchase Agreement and this Purchase Agreement shall be construed and be in force as if such invalid or unenforceable provision had not been contained herein.

Section 3. This Purchase Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. The Purchaser and the City each agree that they will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Purchase Agreement.

Section 4. No waiver by either the Purchaser or the City of any term or condition of this Purchase Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Purchase Agreement.

Section 5. This Purchase Agreement merges and supersedes all prior negotiations, representations, and agreements among the Purchaser, the Company and the City relating to the subject matter hereof and constitutes the entire agreement among the Purchaser and the City in respect hereof.

IN WITNESS WHEREOF, we have hereunto set our hands as of the day first above written.

WHEREAS, the Commission, being the governing body of the Redevelopment District of the City pursuant to the provisions of IC 36-7-14 and IC 36-7-25 (collectively, "Act"), established the Posterity Heights Urban Renewal Area and the Tillman-Anthony Economic Development Area as economic development areas (collectively, "Area") and designated the Tillman-Anthony Allocation Area and Posterity Heights Allocation Area, respectively (collectively, "Allocation Areas") as allocation areas in accordance with IC 36-7-14-39;1

WHEREAS, prior to the issuance of the Bonds, the Taxpayer will own the real estate and will hold title to the long-term assets on the improved real estate as set forth in the legal description attached hereto as Exhibit A ("Real Estate");

WHEREAS, the Real Estate is in the Area;

WHEREAS, to provide financing for the Project (as set forth in Exhibit B attached hereto), the Common Council of the City ("Council") adopted Ordinance No. R-22-07-44 on August 9, 2022 ("Bond Ordinance"), and anticipates the issuance of City of Fort Wayne, Indiana, Taxable Economic Development Revenue Bonds, Series 2022 (Village Premier Project) ("Bonds") pursuant to the provisions of the Bond Ordinance and a Trust Indenture anticipated to be dated as of October 1, 2022, between the City and U.S. Bank Trust Company, National Association;

WHEREAS, the Bonds will be paid from a pledge of all real property tax proceeds attributable to: (i) the assessed valuation of real property in the Tillman-Anthony Allocation Area, and (ii) the assessed valuation of the Real Estate in the Posterity Heights Allocation Area, in excess of the assessed valuation described in IC 36-7-14-39(b)(1), as such statutory provision exists on the date of issuance of the Bonds ("Base"), minus Annual Fees and offset by payments made by the Taxpayer, for so long as the Bonds remain outstanding ("TIF Revenues");

WHEREAS, bonds payable from TIF Revenues may be issued in the future as provided in the bond documents and approvals related to the Bonds;

WHEREAS, to induce the City to issue the Bonds to fund the Project by providing additional security for the payment of debt service on the Bonds, the Taxpayer is willing to pay the hereinafter defined Deficiency Amount;

WHEREAS, the resolutions and ordinances of the Commission and the Act authorize the City and the Commission to enter into this Agreement; and

WHEREAS, the Taxpayer has the authority to enter into this Agreement;

WHEREAS, the Taxpayer acknowledges that holders of bonds or other obligations payable from TIF Revenues or from leases, payable from TIF Revenues (such bonds or other obligations, "Bonds" and such holders, "Bondholders") will receive a copy of this Taxpayer Agreement; provided, however, that any additional obligations payable from TIF Revenues or pledge of the TIF Revenues shall be junior and subordinate to the Bonds.

NOW, THEREFORE, in consideration of the foregoing recitals and the agreements contained below, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the City, the Commission and the Taxpayer agree as follows:

Section 1. Determination of Deficiency Amount, If Any. Beginning with the January 1, 2024, assessment for taxes payable in 2025, to the extent the allocated property tax proceeds that are: (a) generated from ad valorem real property taxes levied or imposed on or against the Real Estate; and (b) attributable to the assessment of the Real Estate above the Base, including such taxes attributable to an increased assessed value resulting from the construction of the Project; which allocated property tax proceeds are to be on deposit in an allocation fund pursuant to IC §36-7-14-39(b) distributable to the Commission (excluding any special assessment fees and charges, penalties or interest, and property taxes paid that are applicable to a tax levy applied as a result of a successful referendum project) ("Property Increment") is less than One Hundred Seventy Thousand Five Hundred Seventy Dollars (\$170,570)<sup>1</sup>, then the Taxpayer shall make a supplemental payment of such amount ("Deficiency Amount(s)") to the Redevelopment Commission by wire transfer or other immediately available funds ("Supplemental Payment"). The Supplemental Payment shall be due in two equal installments in the applicable year, the first of which shall be due on January 15, and the second of which shall be due on July 15. If the Property Increment for a given year equals or exceeds \$170,570, then there is no Deficiency Amount and, thus, no Supplemental Payment shall be due and payable for such year. The City and the Commission, shall determine and calculate the Deficiency Amount and may consult with their municipal advisor, Baker Tilly Municipal Advisors, LLC. If a Deficiency Amount is calculated, the City and the Commission shall notify the Controller and the Taxpayer on or before the next January 5 or July 5, as the case may be, of the Deficiency Amount. The Taxpayer shall be liable for and pay the entire amount of each and every Deficiency Amount until payment in full of all Deficiency Amounts in accordance with Section 2 and the other provisions of this Agreement. The notice shall be in the form set forth in Exhibit C.

Section 2. Payment of Deficiency Amount, If Any. Upon receipt of the notice described in Section 1, the Taxpayer shall pay the Supplemental Payment in the Deficiency Amount to the Controller by the next January 10 or July 10, respectively; provided, however, that, if notice is not received by January 5 or July 5, respectively, the Supplemental Payment in the Deficiency Amount shall be due within ten (10) business days of receipt. The obligation of the Taxpayer to pay the Supplemental Payment in the Deficiency Amounts shall be absolute and unconditional and shall not be subject to diminution by setoff, counterclaim, abatement or otherwise.

(b) The City and the Commission agree to follow the provisions of the bond documents related to the Bonds and this Taxpayer Agreement.

(c) This Agreement does not and will not conflict with or create a breach or default under any existing law, regulation, order, document or agreement to which the City or the Commission is subject or by which it is bound

Section 4. Taxpayer Covenants, Warranties and Representations. (a) the Taxpayer is a corporation or a limited liability company, as applicable, in either case duly qualified to do business in the State of Indiana and has the authority to execute, deliver and perform this Agreement.

(e) Taxpayer acknowledges that Bondholders will rely on these covenants, warranties and representations.

(a) The Commission may place a property tax lien in the amount of any unpaid Deficiency Amount on the Real Estate to the extent permitted by law.

(b) If any Deficiency Amount owed by the Taxpayer is not paid in full by the Taxpayer when due, any unpaid amount shall bear interest at the rate of five percent (5%) per annum from its due date until paid.

(c) The remedies of the Commission under this Taxpayer Agreement are cumulative and the exercise of any one or more of the remedies shall not be construed as a waiver of any of the other remedies of such party unless specifically so provided.

(d) All payments due by the Taxpayer hereunder shall be due without relief from valuation and appraisal laws and subject to collection fees and reasonable attorneys' fees and expenses in the event of default.

(e) The Taxpayer waives presentment for payment, protest, notice of protest and notice of nonpayment of the Deficiency Amount due under this Agreement.

## **DIGEST SHEET**

**TITLE OF RESOLUTION.** An Ordinance Authorizing the City of Fort Wayne, Indiana to issue its “Taxable Economic Development Revenue Bonds, Series 2022 (Village Premier Project)” and approving other actions in respect thereto

**DEPARTMENT REQUESTING RESOLUTION.** Redevelopment Commission.

**SYNOPSIS OF RESOLUTION.** This past July, the Redevelopment Commission approved an Economic Development Agreement (EDA) for Phase 1 of the Village Premier project, which includes the construction of 208 units of affordable housing and a minimum of 9 units of for sale single-family housing. The Redevelopment Commission also approved a pledge of tax increment from the Tillman- Anthony and Posterity Heights TIF districts towards bond payments in an amount sufficient to generate \$3.3 Million in bond proceeds to the developer, House Investments, to construct Phase 1 of the Village Premier project. Subsequently, on July 21, the Economic Development Commission approved a similar inducement resolution in support of the issuance of the economic development revenue bonds, and the Common Council provided approval of the bond inducement resolution in August. If approved, this resolution would provide final authorization from the Common Council to issue the economic development revenue bond as described herein for the completion of the Village Premier Phase I project.

**EFFECT OF PASSAGE.** Approval would provide final authorization from the Common Council to issue the economic development revenue bonds with an estimated amount of proceeds available to the developer of \$3.3 Million, and maximum aggregate principal of \$4.5 Million (including all bond issuance costs), using TIF revenue from Posterity Heights and the Tillman-Anthony TIF districts as the sole source of repayment, to induce the construction of Phase 1 of the Village Premier project.

**EFFECT OF NON-PASSAGE.** Non-passage would delay the commencement of construction activity for Village Premier Phase 1 indefinitely, including 208 units of affordable housing, until an alternative source of local funding could be identified.

**MONEY INVOLVED (DIRECT COSTS, EXPENDITURES, SAVINGS).** Council would be approving the issuance of bonds in a maximum aggregate principal amount of not to exceed \$4.5 Million (including all bond issuance costs) to be repaid exclusively through the pledge of TIF funds by the Redevelopment Commission.
