Re: Riverfront Liquor License for Teds Snack + Bar

---

Mr. Hench has been selected by the Parks and Recreation Department to lease space at Promenade Park. He has applied for a recommendation from the City to the Indiana Alcohol and Tobacco Commission (ATC) for a Riverfront type liquor license as provided in state legislation and locally through the designated Municipal Riverfront District. The Resolution submitted today is seeking approval to send a positive recommendation to the ATC for issuance of a Riverfront type license for the new establishment to be located at Promenade Park.

Thank you for your consideration and if you have any questions please contact me at 427-2107.

Dear Ms. Feasel,

The Fort Wayne Parks and Recreation Department would like to provide our support for a Riverfront Excise application to Ted's Snack + Bar located within Promenade Park. This expanded excise space for a 3-way permit will allow for a better food and beverage service within the Park Foundation Pavilion. Currently alcohol served in the café space cannot be carried into the pavilion. This expanded footprint will allow for this, and provide more cost-effective service to visitors within the park.

Fort Wayne Parks and Recreation Department received two bids for RFP #8169544 for the café space and Teds Snack +Bar was selected for a variety of reasons. One of the main reasons was they were able to demonstrate the ability to produce a variety of programs and event at their Coldwater location, and in their proposal, they wanted to provide similar events at Promenade Park. These events would provide new and unique experiences to visitors to Promenade Park. It also demonstrated their ability to provide a strong business model for Promenade Park for many years.

Respectfully submitted,

To Whom It May Concern;

As part of our plan to expand our business footprint within the Fort Wayne Community, we are excited to be the next tenant of the cafe space at Promenade Park! We believe that our history of adapting to customer needs and finding ways to activate our outdoor spaces will be key to the success of our business in the space at Promenade Park.

We are seeking a Downtown Dining District Liquor License as a way to both serve the needs of our day to day customers within the cafe and adjacent beer garden, but also to allow us to more seamlessly integrate the Promenade Pavillion space for large events, live entertainment, or as otherwise needed by the city parks department, or those who rent the space for private events through the parks department.

The concept for the space is more relaxed than our main business, in line with the needs of the park. We are renaming the space **teds Snack + Bar**, which we believe will align with what customers want in that space. We intend to serve a variety of quick meal options, as well as "bar" snacks that should cater those needing a quick bite, both those visiting the park as well as the growing area business and residential scene. We will also feature a variety of cold treats for the families, such as smoothies, shave ice treats, and ice cream. On the opposite side of the space will be our small bar area, featuring a limited selection of beer, wine, and mixed drinks.

The current arrangement of having one space with a beer and wine license and the other space using a catering license to offer beer, wine, and liquor has created barriers, confusion with guests, and ultimately added unnecessary additional costs to the city and Parks Department. By permitting us with a Downtown Dining District Liquor License, we will be able to blend the spaces more seamlessly, saving cost, headache, and confusion, and ultimately bringing a better experience for guests of both spaces.

Based on taking possession on Jan 1, 2023, our plan is to be operational by mid-April, in advance of the summer season. To prepare the space, we will need to make some cosmetic changes to the space, making the food prep and bar areas more efficient, and creating a space for a streamlined menu, while still adhering to the limited partition requirements for the bar area. (Please see floor plan and sketch, attached).

As owner, I will be intimately involved in seeing the concept get started. Ongoing, day-to-day operations will involve a site manager and counter server/bartender. My current GM has experience with the space, and is aware of some of the customer requests and limitations with the space. Weather and business permitting, we hope to add outdoor servers for the patio spaces and beer garden during busy times. Based on customer needs, we intend to be open 6 days a week in summer and 5 days in the winter, for lunch and dinner.

We will also be the primary beverage caterer for events at the Promenade Park Pavillion. As such, we will cater a wide range of events, from private parties to city or parks sponsored gatherings. In addition, during major Promenade Park events, such as live music or riverfront races, we plan to set up remote locations to serve limited food and beverage options. These will depend on the activity and weather, but we are looking into such options as a remote shave ice tent for hot weather activities.

At our current location, we have 7+ years of experience in hosting large scale events, live music, and creating engaging outdoor spaces. Combining this experience with the opportunity to more seamlessly integrate our service with events hosted at Promenade Park, will create a positive experience for guests, and will ultimately draw even more people to the park / riverfront to spend time.

We thank you for your consideration.
