

A CONFIRMING RESOLUTION designating an “Economic Revitalization Area” under I.C. 6-1.1-12.1 for property commonly known as 2488 Persistence Drive, Fort Wayne, Indiana 46808 (Markar Properties II, LLC)

WHEREAS, Common Council has previously designated and declared by Declaratory Resolution the following described property as an “Economic Revitalization Area” under Sections 153.13-153.24 of the Municipal Code of the City of Fort Wayne, Indiana, and I.C. 6-1.1-12.1, to wit:

Attached hereto as “Exhibit A” as if a part herein; and

WHEREAS, said project will create 10 additional full-time, permanent jobs with a total additional annual payroll of \$624,2000 and an average annual salary of \$62,420 and retain 78 current full-time permanent jobs and five part-time jobs with a retained total annual payroll of \$5,148,288 and an average full-time annual salary of \$68,016; and

WHEREAS, the total estimated project cost is \$5,741,655; and

WHEREAS, a recommendation has been received from the Committee on Finance; and

WHEREAS, notice of the adoption and substance of said Resolution has been published in accordance with I.C. 6-1.1-12.1-2.5 and I.C. 5-3-1 and a public hearing has been conducted on said Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. That, the Resolution previously designating the above described property as an “Economic Revitalization Area” is confirmed in all respects.

SECTION 3. That, said designation of the hereinabove described property as an “Economic Revitalization Area” shall apply to a deduction of the assessed value of real estate improvements made between July 1, 2023 and December 31, 2024. Should any delays occur, an updated timeframe will be communicated to the Allen County Auditor by Community Development staff in writing.

SECTION 4. That, the estimate of the number of individuals that will be employed or whose employment will be retained and the estimate of the annual salaries of those individuals and the estimate of the value of redevelopment or rehabilitation, all contained in Petitioner’s Statement of Benefits are reasonable and are benefits that can be reasonably expected to result from the proposed described redevelopment or rehabilitation.

SECTION 5. The current year approximate tax rates for taxing units within the City would be:

- 1 (a) If the proposed development does not occur, the approximate current year tax rates
 2 for this site would be \$2.8936/\$100.

In order to be considered an Economic Revitalization Area (ERA), the area must be within the corporate limits of the City of Fort Wayne and must have become undesirable for, or impossible of, normal development and occupancy because of a lack of development, cessation of growth, deterioration of improvements or character of occupancy, age, obsolescence, substandard buildings, or other factors which have impaired values or prevent a normal development of property or use of property. It also includes any area where a facility or group of facilities that are technologically, economically, or energy obsolete is located and where the obsolescence may lead to a decline in employment and tax revenues.

How does the property for which you are requesting designation meet the above definition of an ERA?
The property is located within the City of Fort Wayne Corporate limits. The property has been vacant with the former owners for just over 7 years and over 10 years with the owner prior to that. The site has been a dumping ground for materials that would be difficult or costly to dispose of and has also been used as a storage location for large building equipment. The development of the new facility would vastly improve the site as well as make the area more appealing to companies to build sites on other lots in the area.
