- a. Title. Within ten (10) business days after the Effective Date, Seller, at Seller's sole cost and expense, shall cause to be furnished to Buyer a copy of a commitment for an ALTA Owner's Title Insurance Policy from the Title Company ("Title Commitment") insuring for the full amount of the Purchase Price. The Title Commitment shall show in Seller, good, merchantable and indefeasible title to the Premises, in fee simple, free and clear of all liens and encumbrances other than the following exceptions: (a) zoning and building laws, ordinances and regulations; (b) legal streets and highways; (c) building setback lines, rights-of-way, covenants, restrictions, conditions, and easements of record which Buyer has not objected to during its title review; and (d) the lien of property taxes which are not then due and payable (items (a) through (d) are collectively referred to as the "Permitted Exceptions"). The Title Commitment shall set forth the state of title to the Premises, together with all exceptions or conditions to such title, which would appear in an Owner's Title Insurance Policy. At closing, a Title Insurance Policy in conformance with the commitment indicating the release of all mortgage liens, if any, shall be issued to Buyer at Seller's cost. Seller shall not be responsible for the cost of any special endorsements, special coverages or any mortgagee's title insurance coverage required by Buyer.
- b. Title Review. Buyer shall have the Contingency Period to review the Title Commitment. If any objection to any matter in the commitment exists, Buyer shall deliver in writing to Seller such objections as Buyer may have to anything contained or set forth therein. Other than the mortgage liens, which shall be required to be released at closing, any item to which Buyer does not object during the Contingency Period shall be deemed to be a Permitted Exception. If Buyer raises any such objections to the title commitment within the Contingency Period, Seller shall have ten (10) days after receipt of Buyer's objections to notify Buyer that Seller will remove or cause the title insurance company to insure against any such objectionable exceptions, in which event Seller will extend the closing date for such period as shall be required to affect such cure, but not beyond forty-five (45) days. If Seller gives Buyer notice that Seller cannot cause an objectionable exception to be removed, Buyer shall have ten (10) days in which to notify Seller that Buyer will proceed with the purchase and take title to the Premises subject to such exceptions, or that Buyer will terminate this Agreement. If this Agreement is terminated following notice under the provisions of this paragraph, then neither party shall have any further rights or obligations hereunder, and each party shall bear its own costs incurred hereunder; provided, however, the Security Deposit shall be refunded to Buyer. If Buyer fails to notify Seller of any objections to the commitment within the Contingency Period, Buyer shall be deemed to have elected to proceed with the purchase and

take title to the Premises subject to such exceptions. Any such elections to proceed by Buyer shall be deemed a waiver of such exception only as to Seller and shall not serve to waive such exception as to any person or entity not a party to this Agreement.

6. SURVEY.

Within Contingency Period, Buyer shall have the right to obtain an ALTA standard survey of the Premises. If there are any objections to the Survey, Seller shall have ten (10) days after receipt of Buyer's objections to notify Buyer that Seller will remedy such objection or cause the title insurance company to insure against any such objection and provide Buyer with evidence reasonably satisfactory to Buyer that such objection will be remedied or insured against before Closing, in which event, Seller will extend the closing date for such period as shall be required to effect such remedy (but not beyond 45 days). If Seller gives Buyer notice that Seller cannot remedy the objection, Buyer shall have ten (10) days in which to notify Seller that Buyer shall proceed with the purchase and take title to the Premises notwithstanding Buyer's objection to the survey, or that Buyer shall terminate this Agreement. If this Agreement is terminated following notice under the provisions of this paragraph, then neither party shall have any further rights or obligations hereunder, and each party shall bear its own costs incurred hereunder, and the Security Deposit shall be refunded to Buyer. If Buyer proceeds to closing, the closing of this transaction shall be deemed a waiver of such objection only as to Seller and shall not serve to waive such objection as to any person or entity not a party to this Agreement.

7. CONTINGENCY PERIOD

Buyer is granted a period of one hundred fifty (150) days following the Effective Date (the "Contingency Period") in order to review the Seller's Documents, Title Commitment, Survey and inspect the Premises and perform all pre-purchase investigations as Buyer may elect (including without limitation any environmental, engineering or other studies) as well as to seek approval for any rezoning or site plan approval of the Premises to be effective only upon Closing ("Approvals") at Buyer's own expense. In the event Buyer is not satisfied, in its sole and absolute discretion, with the results of its inspections and other due diligence, then Buyer may elect to terminate this Agreement at any time prior to the expiration of the Contingency Period. Buyer shall have the right to extend the initial Contingency Period for two additional forty-five (45) day periods (all extensions will still be referenced as "Contingency Period" in this Agreement), upon written notice to Seller. If Buyer fails to notify the Seller during the Contingency Period that it is satisfied with its review or that it wants to extend the Contingency Period, or that it wants to go to Closing, then Buyer's Security Deposit will be refunded to Buyer and this contract is terminated and the parties shall have no further rights or obligations hereunder. Each of the two extensions will make 50% of the Security Deposit non-refundable to Buyer, so long as the Seller is not in default of any of the terms of this Purchase Agreement. All non-refundable Security Deposits will be applicable to Purchase Price at closing.

8. DELIVERY OF INFORMATION

Within ten (10) days after the Effective Date, Seller shall provide Buyer with copies of all documents in Seller's possession, including copies of leases, which pertain to restrictive covenants, plans, surveys, reports, tests, studies, title documentation (including copies of exception documents which may be referenced in the title commitment) and environmental reports related to the Premises, if any as are in Seller's possession (collectively, the "Seller's Documents").

9. TAXES, ASSESSMENTS AND PRORATIONS.

The taxes on the Premises, if any, shall be prorated as of the closing date (on a current/calendar year basis) based upon the latest official tax rates and credits and assessment of the Premises. The Seller's portion of such pro-ration as well as any and all unpaid taxes and assessments related to prior years shall be paid prior to Closing or credited against the Purchase Price at Closing. All transfer taxes and documentary stamps imposed on or in connection with this transaction shall be paid by Seller. Seller shall cause any and all public utilities serving the Premises to issue final bills to Seller on the basis of readings made as of Closing and all such bills shall be paid by Seller. Buyer shall be responsible for all utility bills from and after the Closing.

10. CONDEMNATION OR DAMAGE TO THE PREMISES.

Risk of loss shall remain on Seller prior to Closing. If prior to the Closing of this transaction, all or any substantial part of the Premises is condemned, damaged or destroyed, Buyer shall have the option of either applying the proceeds of any condemnation award or insurance policies to reduce the total purchase price payable by buyer hereunder, or terminating this Agreement by delivering written notice of termination pursuant to this Section to Seller within ten (10) days of the date Seller notifies Buyer in writing of such condemnation, damages or destruction.

11. POSSESSION.

Buyer shall be entitled to possession of the Premises at and upon the Closing.

12. PRE-CLOSING COVENANTS.

- a. Access/Investigation. Buyer and Seller agree that Buyer and its authorized representatives shall be provided full access to the Premises (at mutually agreeable times) during the Contingency Period (as defined above) to access and conduct such investigations as it deems necessary, regarding the Premises. Buyer shall indemnify and hold Seller harmless from and against any liability, loss or damage incurred by Seller, including attorney fees and court costs, as a result of Buyer's activities upon the Premises. Buyer shall maintain commercial liability insurance covering the activities of Buyer and its contractors, agents and employees while on the Premises in such amounts and subject to such terms as are approved by Seller, which approval Seller agrees shall not be unreasonably withheld, conditioned or delayed.

- b. Support in Seeking Approvals. Seller covenants and agrees to act in good faith and, upon Buyer's request, when legally permissible and appropriate under the circumstances, provide favorable support and such consents as Buyer may reasonably request in order to authorize Buyer to seek Approvals, including (without limitation) for the zoning and development of the Premises (provided, however, any such zonings shall become effective only upon Closing).
- c. No Encumbrances. Seller covenants and agrees that, prior to Closing, it shall not encumber the Premises with any mortgage or other liens. In addition, Seller covenants and agrees, that prior to Closing, Seller will not grant any easements, options, licenses or rights regarding the Premises or otherwise enter into any contracts regarding the lease or other aspects of the Premises which would continue in effect beyond the Closing without Buyer's prior written consent.
- d. Maintain Premises. Between the Effective Date and the Closing, Seller shall:
 - i) maintain the Premises in as good repair as exists as of the Effective Date except as otherwise provided in this Agreement, reasonable wear and tear excepted, shall perform all work required to be done and pay all amounts required to be paid under the terms of any agreement relating to the Premises, and shall timely make all repairs, maintenance and replacements of equipment or improvements, the same as though Seller were retaining the Premises so that the Premises will be in the same condition at the Closing as it is on the Effective Date, reasonable wear and tear excepted.
 - ii) continue to operate the Premises in the same manner as Seller has been doing; and promptly give Buyer copies of written notices received by Seller asserting any violation of any permits or any covenants, conditions, restrictions, laws, statutes, rules, regulations or ordinances applicable to the Premises, and perform when due Seller's obligations under the permits and applicable laws.
 - iii) not make, authorize or agree to make any capital improvements or other capital expenditures, other than emergency capital improvements or expenditures.
 - iv) not enter into any new lease of any portion of the Premises unless such new lease has been approved in writing by Buyer (which approval may be withheld in Buyer's sole discretion) nor shall Seller enter into any new contract or agreement for or relating to the use, operation and/or maintenance of any portion of the Premises without Buyer's consent unless the same may be cancelled at the Closing without cost to Buyer.

13. CLOSING CONDITIONS AND ADDITIONAL AGREEMENTS.

- a. In addition to any other conditions to Closing in this Agreement, Buyer's obligations under this Agreement are subject to the satisfaction of the following conditions (although Buyer may elect to waive any or all of such conditions) which if not satisfied on or prior to Closing may permit Buyer to terminate this Agreement, receive a refund of the Deposit and neither party will have any further obligations hereunder.

- b. No Actions. No action, proceeding or investigation shall be pending, instituted or threatened against Seller related to the transaction or the Premises, including but not limited to any action or proceeding to condemn any part of the Premises.
- c. Representations. Seller shall not be in default under any of the terms and conditions contained in this Agreement, and all representations contained herein shall be true and correct as of the date of this Agreement, and as of the date of Closing, and Seller shall execute a closing certificate certifying to such.
- d. Covenants. Seller shall have fully performed and complied with its obligations, covenants and agreements under this Agreement.

14. 1031 EXCHANGE.

At either party's request not later than five (5) business days prior to the Closing (the "Requesting Party"), the other party will take all actions reasonably requested by the Requesting Party in order to effectuate all or any part of the transactions contemplated by this Agreement as a forward or reverse like-kind exchange for the benefit of the Requesting Party in accordance with Section 1031 of the Internal Revenue Code and, in the case of a reverse exchange, Rev. Proc. 2000-37, including executing an instrument acknowledging and consenting to any assignment by the Requesting Party of its rights (but not its obligations) hereunder to a qualified intermediary or an exchange accommodation titleholder. In furtherance of the foregoing and notwithstanding anything contained in this Agreement to the contrary, the Requesting Party may assign its rights under this Agreement to a "qualified intermediary" or an "exchange accommodation titleholder" (which may be a title company selected by the Seller) in order to facilitate, at no cost or expense to the other party, a forward or reverse like-kind exchange under Section 1031 of the Internal Revenue Code; provided, however, that such assignment will not relieve the Requesting Party of any of its obligations hereunder. If so requested, the other party will issue all closing documents to the applicable qualified intermediary or exchange accommodation titleholder if so directed by the Requesting Party prior to Closing. Notwithstanding the foregoing, the other party shall not be required, solely for the purpose of the other party's cooperation with Buyer's like-kind exchange, to incur any additional cost, obligation or liability, and the Requesting Party shall indemnify, defend and hold the other party harmless from and against any and all such costs, obligations or liabilities (including reasonable attorneys' fees), proceedings and causes of actions of any kind incurred or suffered by the other party and solely attributable to such like-kind exchange transaction. In no event shall the Closing be delayed because of the Requesting Party's like-kind exchange transaction. The provisions of this Section 13 shall survive the Closing of this Agreement.

15. OBLIGATIONS OF PARTIES AT CLOSING.

At the Closing, the parties hereby shall satisfy and perform the following:

- a. Seller shall:
 - i) Deliver a Limited Warranty Deed conveying marketable title to the Premises to Buyer, free and clear of all tenancies and encumbrances, except the Permitted Exceptions,

 - vi) Deliver to Buyer possession of the Premises, free and clear of all leases, tenancies, and occupancies.
- b. Buyer shall:
- i) Deliver the closing statement and any other documents required from Buyer by the Title Company in order to issue the title policy; and

- c. The parties agree (i) to share, equally, normal closing costs of the Title Company, (ii) that Seller shall be required to pay (or provide a credit) for any unpaid 2021 or 2022 taxes which are due and payable as of the date of Closing and issuance of an Owner's title policy for the Premises; and (iii) Buyer shall be solely responsible for all of its costs related to its due diligence investigation of the Premises.

Buyer shall notify Seller whether the alternate location is viable within the thirty (30) day period described herein.

- iv) If the alternate location is not viable, Buyer may terminate this Agreement by written notice delivered to Seller within the thirty-day period and receive a return of the Security Deposit and the Termination Fee and neither party shall have any further rights or obligations to the other under this Agreement.

 - (B) Seller shall reimburse Buyer for all actual reasonable out-of-pocket expenses incurred by Buyer caused by or resulting from the change in location, in an amount not to exceed Twenty Thousand Dollars (\$20,000.00).
 - (C) In the event that Buyer shall notify Seller that the alternate location is viable then Seller shall have no obligation to pay the Termination Fee in the event that this Agreement is terminated for any reason thereafter.
- s. AS IS TRANSACTION. EXCEPT AS EXPRESSLY PROVIDED HEREIN, SELLER IS NOT MAKING AND HAS NOT AT ANY TIME MADE ANY WARRANTIES OR REPRESENTATIONS OF ANY KIND OR CHARACTER, EXPRESS OR IMPLIED, WITH RESPECT TO THE PREMISES, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OR REPRESENTATIONS AS TO HABITABILITY, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE (OTHER THAN SELLER'S LIMITED WARRANTY OF TITLE TO BE SET FORTH IN THE DEED), ZONING, TAX CONSEQUENCES, PHYSICAL OR ENVIRONMENTAL CONDITION, OPERATING HISTORY OR PROJECTIONS, VALUATION, GOVERNMENTAL APPROVALS, GOVERNMENTAL REGULATIONS, THE TRUTH, ACCURACY OR COMPLETENESS OF THE ITEMS OR ANY OTHER INFORMATION PROVIDED BY OR ON BEHALF OF SELLER TO BUYER OR ANY OTHER MATTER OR THING REGARDING THE PREMISES. UPON CLOSING, SELLER SHALL SELL AND CONVEY TO BUYER, AND BUYER SHALL ACCEPT THE PREMISES "AS IS, WHERE IS, WITH ALL FAULTS."

In the event Seller is unable to obtain all additional public approvals necessary to consummate the terms and conditions of this Agreement on or before the expiration of ninety (90) days from the Effective Date, then the Seller may terminate this Agreement by written notice to Buyer prior to the expiration of ninety (90) days from the Effective Date, Buyer shall receive a refund of the Security Deposit, Buyer shall receive the Termination Fee and neither party shall have any additional liability pursuant to this Agreement.

Mr. Chris Carmichael, Property Manager
City of Fort Wayne
200 East Berry Street, Suite 470
Fort Wayne, IN 46802

Dear Mr. Carmichael:

Regarding: Appraisal Valuation of Property Located at 1103 East Coliseum Boulevard, Fort Wayne, Allen County, Indiana

In accordance with your request (see email dated October 3, 2022, included as Exhibit "A" in Addenda), I personally inspected the above-referenced property for appraisal purposes on October 31, 2022. The property is being appraised to arrive at an opinion of its fee simple estate market value as of the date of inspection on October 31, 2022.

The property consists of a 3.37 acre (146,797 SF) land tract at the NE corner of East Coliseum Boulevard and Parnell Avenue. The building and land improvements do not contribute over the underlying land value.

This appraisal report is intended to comply with the reporting requirements set forth under Standards Rule 2-2(a) of the 2020-2022 Uniform Standards of Professional Appraisal Practice (USPAP). This report is being completed based on the scope of work outlined in this appraisal report. I am not responsible for unauthorized use of this report.

After researching and analyzing the available information considered pertinent to value, and giving consideration to its effect on value, I am of the opinion that the subject property has the following fee simple estate market value as of October 31, 2022:

**THREE MILLION ONE HUNDRED FORTY SIX THOUSAND DOLLARS
(\$3,146,000)**

Extraordinary Assumption(s)

This term is defined on page 4 in the Uniform Standards of Professional Appraisal Practice 2020-2022 Edition, published by The Appraisal Foundation, as, ***“An assignment-specific assumption as of the effective date regarding uncertain information used in an analysis which, if found to be false, could alter the appraiser’s opinions or conclusions.”***

1. The land area of 3.37 acres (146,797 SF) has been calculated from the Allen County GIS and is subject to a formal survey.
2. The land area formerly occupied by Indiana Michigan Electric Company at the northwest corner of the subject property is owned in fee simple title by the City of Fort Wayne.
3. The lease with the Red Cross of the parking area on the east side of the subject property will end as of March 15, 2023.
4. Although not noted, this appraisal assumes there are no environmental hazards associated with the underlying land.
5. There will be a small easement retained by the City of Fort Wayne around the fiber optic box located along the west property line on Parnell Avenue.

Hypothetical Condition(s)

This term is defined on page 4 in the Uniform Standards of Professional Appraisal Practice 2020-2022 Edition, published by The Appraisal Foundation, as, ***“A condition, directly related to a specific assignment, which is contrary to what is known by the appraiser to exist on the effective date of the assignment results, but is used for purpose of analysis.”*** There are no hypothetical conditions made for this report.

The accompanying report contains a description of the property and includes the methods employed in arriving at an opinion of the fee simple estate market value of the subject. The property rights appraised are all those rights included in the fee simple title to the real estate. This letter in itself is not an appraisal valuation; however, it is considered to be a part of the valuation which follows.

I do hereby certify that to the best of our knowledge and beliefs, the statements and opinion contained in this report are correct, subject to the assumptions and limiting conditions herein set forth. I also certify that we have no present or contemplated interest in the property or parties involved or in any other property that could affect the conclusions reached.
