In order to be considered an Economic Revitalization Area (ERA), the area must be within the corporate limits of the City of Fort Wayne and must have become undesirable for, or impossible of, normal development and occupancy because of a lack of development, cessation of growth, deterioration of improvements or character of occupancy, age, obsolescence, substandard buildings, or other factors which have impaired values or prevent a normal development of property or use of property. It also includes any area where a facility or group of facilities that are technologically, economically, or energy obsolete is located and where the obsolescence may lead to a decline in employment and tax revenues.

How does the property for which you are requesting designation meet the above definition of an ERA?

Economic factors post-COVID caused a cessation of growth in this industry. Slowly these economic factors have grown back and new opportunities with new international partners have become possible. To continue to meet returning and future demand as new diversified opportunities in this partnership new personal property equipment needs purchased and installed.

WHEREAS, said project will create 76 full-time jobs with an average annual salary of \$52,028 and ten part-time jobs with an average annual salary of \$21,069 for a total created annual payroll of \$1,164,883, and retain 79 full-time jobs with a total annual payroll of \$4,735,048 with the average retained full-time annual salary being \$59,937; and

WHEREAS, the total estimated project cost is \$3,518,855; and

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. That, the Resolution previously designating the above described property as an “Economic Revitalization Area” is confirmed in all respects.

SECTION 2. That, the hereinabove described property is hereby declared an “Economic Revitalization Area” pursuant to I.C. 6-1.1-12.1, said designation to begin on the effective date of this Resolution and shall terminate on December 31, 2026, unless otherwise automatically extended in five year increments per I.C. 6-1.1-12.1-9.

SECTION 3. That, said designation of the hereinabove described property as an “Economic Revitalization Area” shall apply to a deduction of the assessed value of personal property for new manufacturing equipment improvements to be made between March 1, 2026 and December 31, 2030. Should any delays occur, an updated timeframe will be communicated to the Allen County Assessor and Allen County Auditor by Community Development staff in writing.

SECTION 4. That, the estimate of the number of individuals that will be employed or whose employment will be retained and the estimate of the annual salaries of those individuals and the estimate of the value of the new manufacturing equipment, all contained in Petitioner’s Statement of Benefits are reasonable and are benefits that can be reasonably expected to result from the proposed described installation of the new manufacturing equipment.

SECTION 5. The current year approximate tax rates for taxing units within the City would be:

- (a) If the proposed new manufacturing equipment is not installed, the approximate current year tax rates for this site would be \$2.8141/\$100.

SECTION 6. Pursuant to I.C. 6-1.1-12.1, it is hereby determined that the deduction from the assessed value of the new manufacturing equipment shall be for a period of seven years.

SECTION 7. The deduction schedule from the assessed value of new manufacturing equipment pursuant to I.C. 6-1.1-12.1-17 shall look like this:

Year of Deduction	Percentage
1	100%
2	77%

This report must be submitted to the Allen County Auditor's Office, and the City of Fort Wayne's Community Development Division and must be included with the deduction application.
