Memo

To: Council/Purchasing
From: Larry Campbell, Fleet Manager/Director
Date: May 5, 2011
Re: Four Chassis for Street Department ITB # 3368

In regards to four single axel chassis, ITB #3368, for the Street Department: Please award to Selking International for a cost of \$97,135.55 each for a total cost of \$388,542.20. These are for 2012 trucks. Work Star model 4x2 chassis.

The purchase was proposed in the Departments CIP budgets and was approved in their 2011 budget. These units are up for replacement as they are out of life cycle resulting in high maintenance cost. Replacement unit(s) will be sold at auction after new units are put into operation.

Selking International was the lowest and most responsive bid that was sent to five different vendors throughout Indiana, four of which were local vendors.

Delivery time for these chassis is 90 days. Your consideration and approval for this purchase request is greatly appreciated.

All bidders were registered as a Buy Indiana Company. International Navistar is manufactured in the USA

Thank you Larry Campbell

G/ drive shared award letters 2011 STD street chassis.
