8 permit the issuance of additional bonds ranking on a parity with the Outstanding

10 the Sewage Works will enable the City to meet the conditions for the issuance of
11 additional parity bonds and that, accordingly, the revenue bonds authorized herein
12 shall rank on a parity with the Outstanding Bonds; and

13
14 WHEREAS, the 2009 Bond Ordinance contains authority for the issuance of

25 to the refunding of all or a portion of the Refunded Bonds, providing funds for the
26 hereinafter defined Reserve Accounts, the payment of costs of issuance and all other
27

1 costs related to the refunding. The City shall apply moneys currently held for the
2 payment of debt service on the Refunded Bonds to the refunding as provided in
3 Section 7.
4

5 Each series of Refunding Bonds shall be issued in denominations of \$5,000
6 each or integral multiples thereof, numbered consecutively from 1 upward, and dated
7 as of the first day of the month in which sold or delivered, or the date of delivery, as
8 determined by the Controller, with the advice of the City's financial advisor. Interest

10 day months for a three hundred and sixty (360)-day year and shall be payable
11 semiannually on February 1 and August 1 in each year, beginning on the first
12 February 1 or the first August 1 after the date of issuance of the Bonds, as
13 determined by the Controller, with the advice of the City's financial advisor. The
14 Refunding Bonds shall be sold at a price not less than 99% of the par amount of the

16 America, at the principal office of the Paying Agent (as hereinafter defined). Such
17 Refunding Bonds shall bear interest at a rate or rates not exceeding 4% per annum
18 (the exact rate or rates to be determined by negotiation or bidding) and shall mature
19 annually, or shall be subject to mandatory sinking fund redemption if term bonds are
20 issued, on August 1 of each year over a period ending no later than August 1, 2023
21 and in such amounts which will either achieve as level annual debt service as
22 practicable taking into account the Outstanding Bonds and all other series of
23 Refunding Bonds issued under this ordinance, or maximize the reduction in
24
25
26
27
28
29
30

1 combined annual debt service for target years as recommended by the City's
2 financial advisor.

3 All or a portion of the Refunding Bonds may be issued as one or more term
4 bonds, upon election of the Purchaser (as hereinafter defined) or successful bidder
5 for the Refunding Bonds. Such term bonds shall have a stated maturity or maturities
6 of August 1, in the years as determined by the Purchaser or successful bidder, but in
7 no event later than the last serial maturity date of the Refunding Bonds as determined
8 in accordance with the above paragraph. The term bonds shall be subject to
9 mandatory sinking fund redemption and final payment(s) at maturity at 100% of the
10 principal amount thereof, plus accrued interest to the redemption date, on principal
11 payment dates which are hereinafter determined in accordance with the above
12 paragraph.

13 Each series of Refunding Bonds shall rank on a parity with the other for all
14 purposes, including the pledge of Net Revenues under this ordinance.

15 Section 2. Registrar and Paying Agent; Book-Entry Provisions. The
16 Mayor and Controller are hereby authorized to contract with a qualified financial
17 institution to serve as Registrar and Paying Agent for the Refunding Bonds
18 ("Registrar" or "Paying Agent"). The Registrar is hereby charged with the
19 responsibility of authenticating the Refunding Bonds. The Controller is hereby
20 authorized to enter into such agreements or understandings with the Registrar as will
21 enable the institution to perform the services required of a registrar and paying agent.
22 The Controller is further authorized to pay such fees as the Registrar may charge for
23 the services it provides as Registrar and Paying Agent and such fees may be paid
24
25
26
27
28

1 from the Sewage Works Sinking Fund established to pay the principal of and interest
2 on the Refunding Bonds as fiscal agency charges. Upon agreement with the
3 Purchaser, the Controller may serve as Registrar and Paying Agent and, in that case,
4 shall be charged with all duties of Registrar and Paying Agent under this ordinance.
5

6 The principal of the Refunding Bonds shall be payable at the principal
7 corporate trust office of the Paying Agent. All payments of interest on the
8 Refunding Bonds shall be paid by check, mailed one business day prior to the
9 interest payment date to the registered owners thereof as the names appear as of the
10 fifteenth day of the month preceding the interest payment date ("Record Date") and
11 at the addresses as they appear on the registration books kept by the Registrar or at
12 such other address as is provided to the Paying Agent in writing by such registered
13 owner. If payment of principal or interest is made to a depository, payment shall be
14 made by wire transfer on the payment date in same-day funds. If the payment date
15 occurs on a date when financial institutions are not open for business, the wire
16 transfer shall be made on the next succeeding business day. The Paying Agent shall
17 be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such
18 payments are received at the depository by 2:30 p.m. (New York City time). All
19 payments on the Refunding Bonds shall be made in any coin or currency of the
20 United States of America, which on the date of such payment, shall be legal tender
21 for the payment of public and private debts.
22
23

24 Each Refunding Bond shall be transferable or exchangeable only upon the
25 books of the City kept for that purpose at the principal corporate trust office of the
26 Registrar by the registered owner in person, or by its attorney duly authorized in
27
28
29
30

1 writing, upon surrender of such Refunding Bond together with a written instrument
2 of transfer or exchange satisfactory to the Registrar duly executed by the registered
3 owner, or its attorney duly authorized in writing, and thereupon a new fully
4 registered Refunding Bond or Refunding Bonds in an authorized aggregate principal
5 amount and of the same maturity, shall be executed and delivered in the name of the
6 transferee or transferees or the registered owner, as the case may be, in exchange
7 therefor. The costs of such transfer or exchange shall be borne by the City. The
8 City, Registrar and Paying Agent for the Refunding Bonds may treat and consider
9 the person in whose name such Refunding Bonds are registered as the absolute
10 owner thereof for all purposes including for the purpose of receiving payment of, or
11 on account of, the principal thereof and interest due thereon.
12

13
14 The Registrar and Paying Agent may at any time resign as Registrar and
15 Paying Agent upon giving thirty (30) days' notice in writing to the City and by first
16 class mail to each registered owner of the Refunding Bonds then outstanding, and
17 such resignation will take effect at the end of such thirty (30) day period or upon the
18 earlier appointment of a successor registrar and paying agent by the City. Any such
19 notice to the City may be served personally or sent by registered mail. The Registrar
20 and Paying Agent may be removed at any time as Registrar and Paying Agent by the
21 City, in which event the City may appoint a successor registrar and paying agent.
22 The City shall notify each registered owner of the Refunding Bonds then outstanding
23 by first class mail of the removal of the Registrar and Paying Agent. Notices to the
24 registered owners of the Refunding Bonds shall be deemed to be given when mailed
25
26
27
28
29
30

1 by first class mail to the addresses of such registered owners as they appear on the
2 registration books kept by the Registrar.

3
4 Upon the appointment of any successor registrar and paying agent by the
5 City, the Controller is authorized and directed to enter into such agreements and
6 understandings with such successor registrar and paying agent as will enable the
7 institution to perform the services required of a registrar and paying agent for the
8 Refunding Bonds. The Controller is further authorized to pay such fees as the
9 successor registrar and paying agent may charge for the services it provides as
10 registrar and paying agent and such fees may be paid from the Sewage Works
11 Sinking Fund continued in Section 13 hereof.
12

13 Any predecessor registrar and paying agent shall deliver all of the Refunding
14 Bonds and any cash or investments in its possession with respect thereto, together
15 with the registration books, to the successor registrar and paying agent.

16 Interest on the Refunding Bonds shall be payable from the interest payment
17 date to which interest has been paid next preceding the authentication date of the
18 Refunding Bonds unless the Refunding Bonds are authenticated after the Record
19 Date and on or before such interest payment date in which case they shall bear
20 interest from such interest payment date, or unless the Refunding Bonds are
21 authenticated on or before the Record Date preceding the first interest payment date,
22 in which case they shall bear interest from the original date until the principal shall
23 be fully paid.
24

25 The City has determined that it may be beneficial to the City to have the
26 Refunding Bonds held by a central depository system pursuant to an agreement
27

1 between the City and The Depository Trust Company, New York, New York
2 ("Depository Trust Company") and have transfers of the Refunding Bonds effected
3 by book-entry on the books of the central depository system ("Book Entry System").
4 The Refunding Bonds may be initially issued in the form of a separate single
5 authenticated fully registered Refunding Bond for the aggregate principal amount of
6 each separate maturity of the Refunding Bonds. In such case, upon initial issuance,
7 the ownership of such Refunding Bonds shall be registered in the register kept by the
8 Registrar in the name of CEDE & CO., as nominee of the Depository Trust
9 Company.
10

11 With respect to the Refunding Bonds registered in the register kept by the
12 Registrar in the name of CEDE & CO., as nominee of the Depository Trust
13 Company, the City and the Paying Agent shall have no responsibility or obligation to
14 any other holders or owners (including any beneficial owner ("Beneficial Owner"))
15 of the Refunding Bonds with respect to (i) the accuracy of the records of the
16 Depository Trust Company, CEDE & CO., or any Beneficial Owner with respect to
17 ownership questions, (ii) the delivery to any bondholder (including any Beneficial
18 Owner) or any other person, other than the Depository Trust Company, of any notice
19 with respect to the Refunding Bonds including any notice of redemption, or (iii) the
20 payment to any bondholder (including any Beneficial Owner) or any other person,
21 other than the Depository Trust Company, of any amount with respect to the
22 principal of, or premium, if any, or interest on the Refunding Bonds except as
23 otherwise provided herein.
24
25
26
27
28
29
30

1 principal of and premium, if any, and interest on such Refunding Bonds and all
2 notices with respect to such Refunding Bonds shall be made and given, respectively,
3 to the Depository Trust Company as provided in a representation letter from the City
4 to the Depository Trust Company.
5

6 Upon receipt by the City of written notice from the Depository Trust
7 Company to the effect that the Depository Trust Company is unable or unwilling to
8 discharge its responsibilities and no substitute depository willing to undertake the
9 functions of the Depository Trust Company hereunder can be found which is willing
10 and able to undertake such functions upon reasonable and customary terms, then the
11 Refunding Bonds shall no longer be restricted to being registered in the register of
12 the City kept by the Registrar in the name of CEDE & CO., as nominee of the
13 Depository Trust Company, but may be registered in whatever name or names the
14 bondholders transferring or exchanging the Refunding Bonds shall designate, in
15 accordance with the provisions of this ordinance.
16

17 If the City determines that it is in the best interest of the bondholders that
18 they be able to obtain certificates for the fully registered Refunding Bonds, the City
19 may notify the Depository Trust Company and the Registrar, whereupon the
20 Depository Trust Company will notify the Beneficial Owners of the availability
21 through the Depository Trust Company of certificates for the Refunding Bonds. In
22 such event, the Registrar shall prepare, authenticate, transfer and exchange
23 certificates for the Refunding Bonds as requested by the Depository Trust Company
24 and any Beneficial Owners in appropriate amounts, and whenever the Depository
25 Trust Company requests the City and the Registrar to do so, the Registrar and the
26
27
28
29
30

1 City will cooperate with the Depository Trust Company by taking appropriate action
2 after reasonable notice (i) to make available one or more separate certificates
3 evidencing the fully registered Refunding Bonds of any Beneficial Owner's
4 Depository Trust Company account or (ii) to arrange for another securities
5 depository to maintain custody of certificates for and evidencing the Refunding
6 Bonds.
7

8 If the Refunding Bonds shall no longer be restricted to being registered in the
9 name of a Depository Trust Company, the Registrar shall cause the Refunding Bonds
10 to be printed in blank in such number as the Registrar shall determine to be necessary
11 or customary; provided, however, that the Registrar shall not be required to have
12 such Refunding Bonds printed until it shall have received from the City
13 indemnification for all costs and expenses associated with such printing.
14

15 In connection with any notice or other communication to be provided to
16 bondholders by the City or the Registrar with respect to any consent or other action
17 to be taken by bondholders, the City or the Registrar, as the case may be, shall
18 establish a record date for such consent or other action and give the Depository Trust
19 Company notice of such record date not less than fifteen (15) calendar days in
20 advance of such record date to the extent possible.
21

22 So long as the Refunding Bonds are registered in the name of the Depository
23 Trust Company or CEDE & CO. or any substitute nominee, the City and the
24 Registrar and Paying Agent shall be entitled to request and to rely upon a certificate
25 or other written representation from the Beneficial Owners of the Refunding Bonds
26 or from the Depository Trust Company on behalf of such Beneficial Owners stating
27
28
29
30

1 the amount of their respective beneficial ownership interests in the Refunding Bonds
2 and setting forth the consent, advice, direction, demand or vote of the Beneficial
3 Owners as of a record date selected by the Registrar and the Depository Trust
4 Company, to the same extent as if such consent, advice, direction, demand or vote
5 were made by the bondholders for purposes of this ordinance and the City and the
6 Registrar and Paying Agent shall for such purposes treat the Beneficial Owners as
7 the bondholders. Along with any such certificate or representation, the Registrar
8 may request the Depository Trust Company to deliver, or cause to be delivered, to
9 the Registrar a list of all Beneficial Owners of the Refunding Bonds, together with
10 the dollar amount of each Beneficial Owner's interest in the Refunding Bonds and
11 the current addresses of such Beneficial Owners.
12

13
14 Section 3. Redemption of Refunding Bonds. The Refunding Bonds
15 maturing on an after August 1, 2021 are redeemable at the option of the City, on
16 February 1, 2021, and on any date thereafter, on thirty (30) days' notice, in whole or
17 in part, in the order of maturity as determined by the City and by lot within a
18 maturity, at face value, without any premium, plus in each case accrued interest to
19 the date fixed for redemption.
20

21 If any Refunding Bond is issued as a term bond, the Paying Agent shall credit
22 against the mandatory sinking fund requirement for the Refunding Bonds maturing
23 as term bonds, and corresponding mandatory redemption obligation, in the order
24 determined by the City, any Refunding Bonds maturing as term bonds which have
25 previously been redeemed (otherwise than as a result of a previous mandatory
26 redemption requirement) or delivered to the Registrar for cancellation or purchased
27
28
29
30

1 for cancellation by the Paying Agent and not theretofore applied as a credit against
2 any redemption obligation. Each Refunding Bond maturing as a term bond so
3 delivered or cancelled shall be credited by the Paying Agent at 100% of the principal
4 amount thereof against the mandatory sinking fund obligation on such mandatory
5 sinking fund date, and any excess of such amount shall be credited on future

There is hereby continued within the Sinking Fund, the SRF Reserve Account ("SRF Reserve Account"). Any moneys accumulated as a reserve in the SRF Reserve Account for the Refunded Bonds may be credited to and made a part of the Trust Account under the Escrow Agreement and used for the refunding of the Refunded Bonds. The respective Reserve Accounts shall constitute the margin for safety and a protection against default in the payment of principal and interest on the respective Outstanding Bonds, the Refunding Bonds and any Parity Bonds which they respectively secure, and moneys in the respective Reserve Accounts shall be used to pay current principal and interest on the respective Outstanding Bonds, the Refunding Bonds and any Parity Bonds which they respectively secure to the extent that moneys in the Bond and Interest Account, after applied on a pro rata basis to any Outstanding Bonds, Refunding Bonds and Parity Bonds, are insufficient for that purpose. Moneys in the Improvement Fund shall be transferred to the Sinking Fund if necessary to prevent a default in the payment of principal of or interest on the then outstanding bonds or, if necessary, to eliminate any deficiencies in credits to or minimum balance in the Reserve Accounts of the Sinking Fund or may be transferred to the Operation and Maintenance Fund to meet unforeseen contingencies in the operation, repair and maintenance of the Sewage Works.

Section 15. Investments. The Sinking Fund shall be deposited in and maintained as a separate account or accounts from all other accounts of the City. Bonds. For these purposes, the interest rate on variable rate debt shall be

assumed to be the average interest rate thereon in the preceding calendar year.

Such rates or charges shall, if necessary, be changed and readjusted from

time to time so that the revenues therefrom shall always be sufficient to meet the

expenses of Operation and Maintenance (as defined in the Financial Assistance

Agreement) of the Sewage Works and the requirements of the Sinking Fund. The

rates or charges so established shall apply to any and all use of such Sewage Works

by and service rendered to the City and all departments thereof and shall be paid

semiannually by the City or the various departments thereof as the charges accrue.

Section 18. Additional Bond Provisions. The City reserves the right to

authorize and issue additional Parity Bonds, payable out of the Net Revenues of its

Sewage Works, ranking on a parity with the Refunding Bonds, for the purpose of

and the balance in the SRF Reserve Account shall equal not less than the SRF Reserve Requirement, calculated to include principal and interest requirements on the Refunding Bonds, any then outstanding parity bonds and the additional Parity Bonds proposed to be issued, provided this condition shall be deemed satisfied if any required amount is to be provided from the proceeds of the newly issued Parity Bonds or other funds of the City over a period of no longer than five (5) years following the delivery of the Parity Bonds.

(c) The Net Revenues of the Sewage Works in the fiscal year immediately preceding the issuance of any such Parity Bonds shall be not less than one hundred twenty-five percent (125%) of the maximum annual interest and principal requirements of the then outstanding bonds, any then outstanding parity bonds and the additional Parity Bonds proposed to be issued; or, prior to the issuance of the Parity Bonds, the sewage rates and charges shall be increased or the service area or customer base shall be expanded sufficiently so that said increased rates and charges and/or volume applied to the previous fiscal year's operations would have produced Net Revenues for said year equal to not less than one hundred twenty-five percent (125%) of the maximum annual interest and principal requirements of the then outstanding parity bonds and the additional Parity Bonds proposed to be issued. refunding bonds issued prior to, but part of the overall plan to eliminate such non-compliance.

Section 19. Further Covenants. For the purpose of further safeguarding the interests of the holders of the Refunding Bonds, it is specifically provided as follows:

(a) So long as any of the Refunding Bonds are outstanding, the City shall at all times maintain its Sewage Works in good condition and operate the same in an efficient manner and at a reasonable cost.

(b) So long as any of the Refunding Bonds herein authorized are outstanding, the City shall maintain insurance coverage, including fidelity bonds, to protect the Sewage Works and its operations on the insurable parts of the Sewage Works of a kind and in an amount such as would normally be carried by private companies engaged in a similar type of business, and, so long as any of the Outstanding Bonds are owned by the Authority as part of its SRF Program such insurance shall be acceptable to the Authority. All insurance shall be placed with responsible insurance companies qualified to do business under the laws of the State of Indiana, provided, however, such insurance requirement may be satisfied, in part or in whole, through the City's self insurance program. Insurance proceeds and condemnation awards shall be used to replace or repair the property, provided, for so long as any of the Outstanding Bonds are owned by the Authority as part of its SRF Program, the Authority may consent to a different use of such proceeds.

(c) So long as any of the Refunding Bonds are outstanding, the City shall not mortgage, pledge, sell or otherwise encumber the Sewage Works, or any portion thereof nor shall it sell, lease or otherwise dispose of any part thereof, except to replace equipment which may become worn out or obsolete, provided however, only with the prior written consent of the Authority so long as any of the Outstanding Bonds are owned by the Authority as part of its SRF Program.

(d) So long as any of the Outstanding Bonds are outstanding and owned by the Authority as part of its SRF Program, the City shall not borrow any money, enter into any contract or agreement or incur any other liabilities in connection with the Sewage Works, other than for normal operating expenditures, without the prior written consent of the Authority if such undertaking would involve, commit or use the revenues of the Sewage Works.

(e) Except as hereinbefore provided in Section 18 hereof, so long as any of the Refunding Bonds herein authorized are outstanding, no additional bonds or other obligations pledging any portion of the revenues of the Sewage Works shall be authorized, executed, or issued by the City except such as shall be made subordinate and junior in all respects to the Refunding Bonds herein authorized, unless all of the Refunding Bonds herein authorized are redeemed, retired or defeased pursuant to Section 16 hereof coincidentally with the delivery of such additional bonds or other obligations.

(f) The City shall take all action or proceedings necessary and proper to require connection of all property where liquid and solid waste, sewage, night soil or

1 industrial waste is produced with available sanitary sewers. The City shall, insofar
2 as possible, cause all such sanitary sewers to be connected with the Sewage Works.

3 (g) The provisions of this ordinance shall constitute a contract by and
4 between the City and the owners of the Refunding Bonds herein authorized, and after
5 the issuance of the Refunding Bonds, this ordinance shall not be repealed or
6 amended in any respect which will adversely affect the rights of the owners of the
7 Refunding Bonds nor shall the Common Council adopt any law, ordinance or
8 resolution which in any way adversely affects the rights of such Refunding Bond
9 owners so long as any of the Refunding Bonds or the interest thereon remain unpaid.
10 Except for the changes set forth in Section 20(a)-(f), this ordinance may be amended,
11 however, without the consent of Refunding Bond owners, if the Common Council
12 determines, in its sole discretion, that such amendment would not adversely affect
13 the owners of the Refunding Bonds.
14

15 (h) The provisions of this ordinance shall be construed to create a trust in
16 the proceeds of the sale of the Refunding Bonds herein authorized for the uses and
17 purposes herein set forth, and the owners of the Refunding Bonds shall retain a lien
18 on such proceeds until the same are applied in accordance with the provisions of this
19 ordinance and of the governing Act. The provisions of this ordinance shall also be
20 construed to create a trust in the portion of the Net Revenues herein directed to be set
21 apart and paid into the Sinking Fund for the uses and purposes of said fund as in this
22 ordinance set forth. The owners of the Refunding Bonds shall have all of the rights,
23 remedies and privileges set forth in the provisions of the governing Act hereinbefore
24 referred to, including the right to have a receiver appointed to administer the Sewage

1 Works, in the event of default in the payment of the principal of or interest on any of
2 the Refunding Bonds herein authorized or in the event of default in respect to any of
3 the provisions of this ordinance or the governing Act.

4 Section 20. Amendments with Consent of Bondholders. Subject to the
5 terms and provisions contained in this section, and not otherwise, the owners of not
6 less than sixty-six and two-thirds percent (66 2/3%) in aggregate principal amount of
7 the Refunding Bonds issued pursuant to this ordinance and then outstanding shall
8 have the right from time to time, anything contained in this ordinance to the contrary
9 notwithstanding, to consent to and approve the adoption by the Common Council of
10 the City of such ordinance or ordinances supplemental hereto or amendatory hereof,
11 as shall be deemed necessary or desirable by the City for the purpose of modifying,
12 altering, amending, adding to or rescinding in any particular manner any of the terms
13 or provisions contained in this ordinance, or in any supplemental ordinance;
14 provided, however, that nothing herein contained shall permit or be construed as
15 permitting:

16 (a) An extension of the maturity of the principal of or interest on, or any
17 mandatory sinking fund redemption date for, any Refunding Bond issued pursuant to
18 this ordinance; or

19 (b) A reduction in the principal amount of any Refunding Bond or the
20 redemption premium or the rate of interest thereon; or

21 (c) The creation of a lien upon or a pledge of the revenues or Net
22 Revenues of the sewage works ranking prior to the pledge thereof created by this
23 ordinance; or

1 (d) A preference or priority of any Refunding Bond or Refunding Bonds
2 issued pursuant to this ordinance over any other Refunding Bond or Refunding
3 Bonds issued pursuant to the provisions of this ordinance; or
4

5 (e) A reduction in the aggregate principal amount of the Refunding
6 Bonds required for consent to such supplemental ordinance; or

7 (f) A reduction in the Reserve Requirement.

8 If the owners of not less than sixty-six and two-thirds percent (66 2/3%) in
9 aggregate principal amount of the Refunding Bonds outstanding at the time of
10 adoption of such supplemental ordinance shall have consented to and approved the
11 adoption thereof by written instrument to be maintained on file in the office of the
12 Clerk of the City, no owner of any Refunding Bond issued pursuant to this ordinance
13 shall have any right to object to the adoption of such supplemental ordinance or to
14 object to any of the terms and provisions contained therein or the operation thereof,
15 or in any manner to question the propriety of the adoption thereof, or to enjoin or
16 restrain the Common Council of the City from adopting the same, or from taking any
17 action pursuant to the provisions thereof. Upon the adoption of any supplemental
18 ordinance pursuant to the provisions of this section, this ordinance shall be, and shall
19 be deemed, modified and amended in accordance therewith, and the respective
20 rights, duties and obligations under this ordinance of the City and all owners of
21 Refunding Bonds then outstanding, shall thereafter be determined, exercised and
22 enforced in accordance with this ordinance, subject in all respects to such
23 modifications and amendments. Notwithstanding anything contained in the
24 foregoing provisions of this ordinance, the rights and obligations of the City and of
25
26
27
28
29
30

1 the owners of the Refunding Bonds authorized by this ordinance, and the terms and
2 provisions of the Refunding Bonds and this ordinance, or any supplemental or
3 amendatory ordinance, may be modified or altered in any respect with the consent of
4 the City and the consent of the owners of all the Refunding Bonds then outstanding.
5

6 Section 21. Tax Covenants. In order to preserve the exclusion of interest
7 on the Refunding Bonds from gross income for federal tax purposes under
8 Section 103 of the Internal Revenue Code of 1986 as existing on the date of issuance
9 of the Refunding Bonds ("Code") and as an inducement to purchasers of the
10 Refunding Bonds, the City represents, covenants and agrees that:

11 (a) Since the date of issuance of the Refunded Bonds and until the earlier
12 of the last date of the reasonably expected economic life of the projects constructed
13 with funds from the Refunded Bonds or the latest maturity date of the Refunding
14 Bonds ("Combined Measurement Period"), the sewage works will be available for
15 use by members of the general public. Use by a member of the general public means
16 use by natural persons not engaged in a trade or business. During the Combined
17 Measurement Period, no person or entity other than the City or another state or local
18 governmental unit will use more than 10% of the proceeds of the Refunding Bonds
19 or property financed by the Refunded Bond proceeds other than as a member of the
20 general public. During the Combined Measurement Period, no person or entity other
21 than the City or another state or local governmental unit will own property financed
22 by 1994 Bond proceeds or will have any actual or beneficial use of such property
23 pursuant to a lease, a management or incentive payment contract, arrangements such
24 as take-or-pay or output contracts or any other type of arrangement that conveys
25
26
27
28
29
30

1 other special legal entitlements and differentiates that person's or entity's use of such
2 property from use by the general public, unless such uses in the aggregate relate to
3 no more than 10% of the proceeds of the Refunding Bonds. If the City enters into a
4 management contract for the sewage works, the terms of the contract will comply
5 with IRS Revenue Procedure 97-13, as it may be amended, supplemented or
6 superseded for time to time, so that the contract will not give rise to private business
7 use under the Code and the Regulations, unless such use in aggregate relates to no
8 more than 10% of the proceeds of the Refunding Bonds.
9

10 (b) No more than 10% of the principal of or interest on the Refunding
11 Bonds over the Combined Measurement Period will be (under the terms of the
12 Refunding Bonds, this ordinance or any underlying arrangement), directly or
13 indirectly, secured by an interest in property used or to be used for any private
14 business use or payments in respect of any private business use or payments in
15 respect of such property or to be derived from payments (whether or not to the City)
16 in respect of such property or borrowed money used or to be used for a private
17 business use.
18

19 (c) No more than 5% of the Refunding Bond proceeds will be loaned to
20 any person or entity other than another state or local governmental unit. No more
21 than 5% of the Refunding Bond proceeds will be transferred, directly or indirectly, or
22 deemed transferred to a nongovernmental person in any manner that would in
23 substance constitute a loan of the Refunding Bond proceeds.
24

25 (d) The City reasonably expects, as of the date hereof, that the Refunding
26 Bonds will not meet either the private business use test described in paragraph (a)
27

1 and (b) above or the private loan test described in paragraph (c) above for the
2 Combined Measurement Period.

3 (e) During the Combined Measurement Period, more than 5% of the
4 proceeds of the Refunding Bonds will be attributable to private business use as
5 described in (a) and private security or payments described in (b) attributable to
6 unrelated or disproportionate private business use. For this purpose, the private
7 business use test is applied by taking into account only use that is not related to any
8 government use of proceeds of the issue (Unrelated Use) and use that is related but
9 disproportionate to any governmental use of those proceeds (Disproportionate Use).
10

11 (f) The City will not take any action nor fail to take any action with
12 respect to the Refunding Bonds that would result in the loss of the exclusion from
13 gross income for federal tax purposes on the Refunding Bonds pursuant to
14 Section 103 of the Code, nor will the City act in any other manner which would
15 adversely affect such exclusion. The City covenants and agrees not to enter into any
16 contracts or arrangements which would cause the Refunding Bonds to be treated as
17 private activity bonds under Section 141 of the Code.
18

19 (g) It shall not be an event of default under this ordinance if the interest
20 on any Refunding Bond is not excludable from gross income for federal tax purposes
21 or otherwise pursuant to any provision of the Code which is not currently in effect
22 and in existence on the date of issuance of the Refunding Bonds.
23

24 (h) The City represents that it will rebate any arbitrage profits to the
25 United States in accordance with Section 148(f) of the Code with respect to the
26 Bonds.
27

1 (i) These covenants are based solely on current law in effect and in
2 existence on the date of delivery of such Refunding Bonds.

3 Section 22. Noncompliance with Tax Covenants. Notwithstanding any
4 other provisions of this ordinance, the covenants and authorizations contained in this
5 ordinance ("Tax Sections") which are designed to preserve the exclusion of interest
6 on the Refunding Bonds from gross income under federal law ("Tax Exemption")
7 need not be complied with if the City receives an opinion of nationally recognized
8 bond counsel that any Tax Section is unnecessary to preserve the Tax Exemption.
9

10 Section 23. Conflicting Ordinances. All ordinances and parts of
11 ordinances in conflict herewith are hereby repealed; provided, however, that this
12 ordinance shall not be construed as modifying, amending or repealing the Prior
13 Ordinances or as adversely affecting the rights of the holders of the aforementioned
14 Outstanding Bonds or the Refunded Bonds.
15

16 Section 24. Headings. The headings or titles of the several sections shall
17 be solely for convenience of reference and shall not affect the meaning, construction
18 or effect of this ordinance.
19

20 Section 25. Effective Date. This ordinance shall be in full force and effect
21 from and after its passage and approval by the Mayor.

19 THE CITY SHALL NOT BE OBLIGATED TO PAY THIS BOND OR THE
20 INTEREST HEREON EXCEPT FROM THE HEREINAFTER DESCRIBED SPECIAL
21 FUND, AND NEITHER THIS BOND NOR THE ISSUE OF WHICH IT IS A PART
22 SHALL IN ANY RESPECT CONSTITUTE A CORPORATE INDEBTEDNESS OF THE
23 CITY WITHIN THE PROVISIONS AND LIMITATIONS OF THE CONSTITUTION OF
24 THE STATE OF INDIANA.

25 This bond is [the only] one of an authorized issue of bonds of the City [of like date,
26 tenor and effect, except as to rates of interest [series designation] and dates of maturity;]
27 aggregating _____ Dollars (\$) [for
28 this series]; numbered consecutively from 1 up; issued for the purpose of refunding certain
29 Refunded Bonds (as defined in the hereinafter defined Ordinance) and to pay costs of
30 issuance and incidental expenses[, including a premium for a debt service reserve surety].
This bond is issued pursuant to an Ordinance adopted by the Common Council of the City
on the _____ day of _____, 2012, entitled "An Ordinance concerning the refunding by
the City of Fort Wayne of certain outstanding sewage works revenue bonds; authorizing the
issuance of sewage works refunding revenue bonds for such purpose; providing for the
collection, segregation and distribution of the revenues of the sewage works and the
safeguarding of the interests of the owners of the sewage works refunding revenue bonds
authorized herein; other matters connected therewith; and repealing ordinances inconsistent
herewith" ("Ordinance"), and in accordance with the provisions of Indiana law, including
without limitation Indiana Code 5-1-5 and Indiana Code 36-9-23, each as in effect on the
date of delivery of the bonds (collectively, "Act"), the proceeds of which bonds are to be
applied solely to the refunding of the Refunded Bonds, including the incidental expenses
incurred in connection therewith.

1 Pursuant to the provisions of the Act and the Ordinance, the principal of and interest
2 on this bond and all other bonds of said issue, [including the Sewage Works Refunding
3 Revenue Bonds of 20__, Series __ ("Series __ Bonds")] and any bonds hereafter issued
4 on a parity therewith are payable solely from the Sewage Works Sinking Fund continued by
5 the Ordinance ("Sinking Fund") to be provided from the Net Revenues (defined as the gross
6 revenues after deduction only for the payment of the reasonable expenses of operation,
7 repair and maintenance) of the sewage works of the City. This bond and the issue of which
8 it is a part rank on a parity with the Outstanding Bonds as defined in the Ordinance [and the
9 Series __ Bonds].

10 Pursuant to the Ordinance and the Escrow Agreement defined therein, the City has
11 set aside securities (purchased from proceeds of the bonds of this issue and funds on hand
12 of the sewage works), and certain cash in a Trust Account to provide payment of the
13 principal of and interest [and redemption premium] on the Refunded Bonds by the purchase
14 of obligations of the United States of America.

15 The City irrevocably pledges the entire Net Revenues of the sewage works to the
16 prompt payment of the principal of and interest on the bonds authorized by the Ordinance,
17 of which this is one, and any bonds ranking on a parity therewith, including the Outstanding
18 Bonds, [and the Series __ Bonds] to the extent necessary for that purpose, and covenants
19 that it will cause to be fixed, maintained and collected such rates and charges for services
20 rendered by the utility as are sufficient in each year for the payment of the proper and
21 reasonable expenses of Operation and Maintenance (as defined in the Financial Assistance
22 Agreement as defined in the Ordinance), of the sewage works and for the payment of the
23 sums required to be paid into the Sinking Fund under the provisions of the Act and the
24 Ordinance. If the City or the proper officers thereof shall fail or refuse to so fix, maintain
25 and collect such rates or charges, or if there be a default in the payment of the interest on or
26 principal of this bond, the owner of this bond shall have all of the rights and remedies
27 provided for in the Act, including the right to have a receiver appointed to administer the
28 works and to charge and collect rates sufficient to provide for the payment of this bond and
29 the interest hereon.

30 The City further covenants that it will set aside and pay into its Sinking Fund
monthly, as available, or more often if necessary, a sufficient amount of the Net Revenues
of the works for payment of (a) the interest on all bonds which by their terms are payable
from the revenues of the sewage works, as such interest shall fall due, (b) the necessary
fiscal agency charges for paying bonds and interest, (c) the principal of all bonds which by
their terms are payable from the revenues of the sewage works, as such principal shall fall
due, and (d) an additional amount as a margin of safety to [create and] maintain the debt
service reserve required by the Ordinance. Such required payments shall constitute a first
charge upon all the Net Revenues of the sewage works, on a parity with the Outstanding
Bonds [and the Series __ Bonds].

The bonds of this issue maturing on and after August 1, 2021, are redeemable at the
option of the City on February 1, 2021, or any date thereafter, on thirty (30) days' notice, in
whole or in part, in the order of maturity as determined by the City and by lot within a

1 maturity, at face value, without any premium, plus accrued interest to the date fixed for
2 redemption.

3 [The bonds maturing on _____ 1, 20__ are subject to mandatory sinking fund

9 *Final Maturity]

10 Each Five Thousand Dollars (\$5,000) principal amount shall be considered a
11 separate bond for purposes of optional [and mandatory] redemption. If less than an entire
12 maturity is called for redemption, the bonds to be redeemed shall be selected by lot by the
13 Registrar. [If some bonds are to be redeemed by optional redemption and mandatory
14 sinking fund redemption on the same date, the Registrar shall select by lot the bonds for
15 optional redemption before selecting the bonds by lot for mandatory sinking fund
16 redemption.]

17 Notice of such redemption shall be mailed to the address of the registered owner as
18 shown on the registration records of the City as of the date which is forty-five (45) days
19 prior to such redemption date not less than thirty (30) days prior to the date fixed for

that purpose at the [principal corporate trust] office of the Registrar by the registered owner

2 and consider the person in whose name this bond is registered as the absolute owner hereof
3 for all purposes including for the purpose of receiving payment of, or on account of, the
4 principal hereof and interest due hereon.

5 This bond is subject to defeasance prior to redemption or payment as provided in the
6 Ordinance referred to herein. THE OWNER OF THIS BOND, BY THE ACCEPTANCE
7 HEREOF, HEREBY AGREES TO ALL THE TERMS AND PROVISIONS CONTAINED
8 IN THE ORDINANCE. The Ordinance may be amended without the consent of the
9 owners of the bonds as provided in the Ordinance if the Common Council determines, in its
10 sole discretion, that the amendment shall not adversely affect the rights of any of the
11 owners of the bonds.

12 The bonds maturing in any one year are issuable only in fully registered form in the
13 denomination of \$5,000 or any integral multiple thereof.

14 It is hereby certified and recited that all acts, conditions and things required to be
15 done precedent to and in the execution, issuance and delivery of this bond have been done

RE: Sewer Refunding Bond Authorization

Herewith you will find an ordinance authorizing the issuance of sewer refunding revenue bonds in an aggregate amount not to exceed \$28,750,000, to be repaid over a period ending no later than August 1, 2023 and at an interest rate not to exceed 4% (four percent).

The proposed refunding bonds provide the funding necessary to refund four existing Sewer Utility Bonds issued in years 2002 and 2003. The bonds may be refunded in total, in series or not at all depending on the bond market conditions at the time of each proposed issuance. Proceeds from the bond will also fund the debt service reserve requirements and other issuance costs. The reason for considering this action now is the fact that the interest rate structure prevailing in the market at this time is much better than in 2002-2003. It is common to refinance long term bonds when the interest rates are favorable. At current bond market interest rates, net savings of between \$1 million and \$2 million are likely.

Umbaugh & Associates, LLP will provide financial advisory services to select the optimal combination, sequence and bond market conditions for this refunding opportunity.
