ARTICLE 3: PROGRESS PAYMENTS AND RETAINAGE

The **CONTRACTOR** may submit requests for payments no more often than every thirty (30) days for work performed and accepted under the contract. If the contractor is in compliance with the provisions of the contract, the Board will make payments for such work performed and completed. However, in any such case, the Board will retain five percent (5%) of the total amount owing to insure contractor's compliance with the E.B.E. provisions in Article 17 attached to this contract. Payments to the contractor are not to exceed 95% of the total contract amount until the **OWNER** has verified that the **CONTRACTOR** has made good faith efforts to attain the E.B.E. goal stipulated in Article 17.

If the contract is in excess of \$100,000, the contract will be subject to the standard Board of Public Works escrow agreement. However, payment of the final 5% of the total contract amount will be dependent upon good faith efforts to comply with the E.B.E. goals stipulated in Article 17 attached hereto, and subject to appropriate reduction in the event of non-compliance, as provided in paragraph 6 of the aforementioned Article 17.

ARTICLE 4: ACCEPTANCE AND FINAL PAYMENT

Final payment shall be due at the time the work is fully completed and accepted and the contract, including the E.B.E. provisions in Article 17 attached hereto, is fully performed. Payments to the **CONTRACTOR** are not to exceed 90% of the total contract amount until the **OWNER** has verified that the **CONTRACTOR** has made good faith efforts to attain the E.B.E. goal stipulated in Article 17.

Upon filing of a **Completion Affidavit** by the **CONTRACTOR** that the work is ready for final inspection and acceptance, the **Board of Public Works** will direct the **Engineering Department** of the

OWNER to promptly make such inspection, and will direct the **CONTRACT COMPLIANCE DEPARTMENT** of the **OWNER** to make a final recommendation on whether the **CONTRACTOR** made good faith efforts to attain the E.B.E. goal stipulated in Article 17.

When the **Project Manager and Engineer** finds the work acceptable under the contract, and the contract is fully performed, it shall so inform the **Board of Public Works**. Likewise, when the **Contract Compliance Department** determines that the **CONTRACTOR'S** efforts constitute good faith efforts to attain the E.B.E. goal as agreed in Article 17 and that all required contract compliance reports have been submitted, it shall so inform the **Board of Public Works** through an E.B.E. Compliance Final Report.

Upon receiving both the **Project Manager's** and the **Contract Compliance Department's** recommendations, the **Board of Public Works** shall issue a **final certificate** stating that the work provided for in this Contract has been completed and is accepted, and further stating that the aforementioned E.B.E. goal in Article 17 has been met. Thereupon, **the entire balance** of the Contract sum shall be due and payable to the **CONTRACTOR**; provided only that **CONTRACTOR** shall first furnish **OWNER**, if requested to do so, satisfactory evidence that all persons who have supplied labor, material, or equipment for the work have been fully paid, and all required contract compliance reports for this project have been submitted.

If **CONTRACTOR** fails to remedy the violation within the thirty (30) day period, **OWNER** shall terminate the contract for breach of contract. If **OWNER** terminates the contract,

CONTRACTOR shall, in addition to any other contractual remedies, be liable to **OWNER** for actual damages. There is a rebuttable presumption that **CONTRACTOR** did not knowingly employ an unauthorized alien if **CONTRACTOR** verified the work eligibility status of the employee through the Program.

If **CONTRACTOR** employs or contracts with an unauthorized alien but **OWNER** determines that terminating the contract would be detrimental to the public interest or public property, **OWNER** may allow the contract to remain in effect until **OWNER** procures a new contractor. **CONTRACTOR** shall, prior to performing any work, require each subcontractor to certify to **CONTRACTOR** that the subcontractor does not knowingly employ or contract with an unauthorized alien and has enrolled in the Program. Contractor shall maintain on file a certification from each subcontractor throughout the duration of the Project. If **CONTRACTOR** determines that a subcontractor is in violation of this section, **CONTRACTOR** may terminate its contract with the subcontractor for such violation. Such termination may not be considered a breach of contract by **CONTRACTOR** or the subcontractor.

ARTICLE 17: EMERGING BUSINESS ENTERPRISE

THIS AGREEMENT made and entered into by and between the **CITY OF FORT WAYNE**, hereinafter referred to as **OWNER** and, hereinafter referred to as **CONTRACTOR**,

WHEREAS, **CONTRACTOR** agrees that the goal for qualified Emerging Business Enterprises, hereinafter sometimes referred to as **E.B.E.'s** as subcontractors on this project is **10%** of the contract amount; and

WHEREAS, **OWNER** has, pursuant to Executive Order 90-01 (as amended 05-08-06), adopted a goal of at least **10%** of the contract amount to Emerging Business Enterprises as defined under said Executive Order (as amended 05-08-06); and

WHEREAS, said Executive Order (as amended 05-08-06) states:

"Section 2, Paragraph C. Each contractor shall be required to make a good faith effort to subcontract **10% of the contract amount to Emerging Business Enterprises on each construction contract he/she is awarded.**

In the event a contractor is unable to subcontract **10% of the contract amount or secure services of an Emerging Business Enterprise, he/she will be required to submit a completed Request for Waiver form on which he/she will provide a written description of the efforts taken to comply with the participation goals."**

NOW, THEREFORE, in consideration of the foregoing and of the mutual agreements hereinafter contained, the sufficiency of which consideration is hereby acknowledged, the parties hereto agree as

follows:

1. **Conditional Award** - Subject to approval by the Common Council of the City of Fort Wayne as stipulated in the construction contract to which this Article is attached, OWNER awards the construction contract to the CONTRACTOR.
2. **E.B.E. Retainage requirements** - If the contractor is in compliance with the provisions of the construction contract to which this Article is attached, the Owner will make payments for such work performed and completed. If the contract is in excess of \$100,000, the contract will be subject to the standard Board of Public Works escrow agreement. However, payments to the CONTRACTOR are not to exceed 95% of the total contract amount until the OWNER has verified that the CONTRACTOR has made good faith efforts to attain the E.B.E. goal stipulated in this Article. Payment of the final 5% of the total contract amount will be dependent upon good faith efforts to comply with this Article, and subject to reduction in the event of non-compliance as provided in paragraph 6 of this Article
3. **Request for Waiver** - If, at the time final payment application is made, contractor has not attained the ten 10% E.B.E. goal, contractor shall file with the final payment application a "Request for Waiver." Said Request for Waiver shall contain a written description of the efforts taken by Contractor to attain the 10% E.B.E. goal.
4. **Determination of Waiver Requests** - The Contract Compliance Department of the City of Fort Wayne shall examine all Requests for Waiver to determine if Contractor's efforts constitute good faith efforts to attain such goal and shall submit recommendations concerning said requests for Waiver for the final determination of the Board of Public Works of the City of Fort Wayne.
5. **Good Faith Per Se.** - In any case, a Contractor shall be deemed to have made good faith efforts at compliance where E.B.E.'s have subcontracted for every sub-contract for which there are qualified E.B.E.'s available.
6. **Consequence of noncompliance** - In the event the Board of Public Works approves a recommendation that contractor failed to make good faith efforts at compliance, the contract shall be reduced by the amount calculated as the difference between 10% and the percentage level met. Said amount shall be added to the City of Fort Wayne E.B.E. Bond Guarantee Fund and contractor agrees to accept the reduced amount as full payment under the terms of his/her contract.
7. **Waiver approved** - In the event the Board of Public Works determines that a good faith effort to comply with this Article has been made, the contract shall not be reduced, and the balance owing to the contractor shall be paid in full.

RE: Civic Center Parking Garage Reconstruction – Res. #100-8-14-13-2

Council District #5

The contractor shall furnish all labor, insurance and equipment for the completion of this project: “Civic Center Parking Garage Reconstruction” as follows: Post-tensioned slab repair, removal and replacement of traffic membrane, installation of traffic membrane topcoat, and all other work necessary for the reconstruction.

Implications of not being approved: Continued deterioration of the garage will result in more expensive repairs at a later date. If the project is not approved, people coming downtown to enjoy facilities like the Embassy and the Grand Wayne Center may not be able to use this garage - inconveniencing downtown customers.

This project was advertised to contractors on 11/22/2013 in the *News Sentinel*, 11/29/13 in the *Journal Gazette* and 11/27/13 in *Frost Illustrated*.

The contract for Resolution #100-8-14-13-2 was awarded to Shared Systems Technology, Inc., for \$453,123.00, the lowest and most responsive of two bidders and 5% below the Engineer’s estimate of \$478,027.00. The second lowest bidder was \$24,904.00 above Shared Systems Technology, Inc.

The cost of said project will be funded by proceeds from the operation of the garage.
