4 WHEREAS, the Common Council has previously adopted Ordinance
5 No. S-37-16 on April 26, 2016; this ordinance will amend and restate

7 and provide other changes recommended by counsel;

8 NOW, THEREFORE, BE IT ORDAINED BY THE COMMON
9 COUNCIL OF THE CITY OF FORT WAYNE, INDIANA, THAT:

10 Section 1. The Common Council hereby authorizes and requests
11 that the Board of Trustees of the Legacy Fund instruct the financial institution
12 serving as the trustee of the Legacy Fund to establish a subaccount within
13 the Legacy Fund ("Legacy Fund Subaccount") as follows:

14 Reserve Fund for the Fort Wayne Municipal Building Corp. First
15 Mortgage Bonds, Series 2006 (Amended)

16 Funds in an amount equal to the Reserve Requirement will be held
17 and restricted in the Legacy Fund Subaccount to serve as the Reserve Fund
18 containing the Reserve Requirement for the Amended Bonds. The Common
19 Council, on behalf of the City and the beneficiaries of the Legacy Fund,
20 hereby pledges the funds held as the Reserve Fund in the Legacy Fund
21 Subaccount to the payment of the Amended Bonds, agrees that the Legacy
22 Fund Subaccount and the funds contained therein shall be considered part of
23 the trust estate securing the Amended Bonds under the Indenture, and
24 hereby grants and perfects, in favor of the Trustee, a security interest in the
25 Legacy Fund Subaccount. Such funds held as the Reserve Fund in the
26 Legacy Fund Subaccount shall be used in accordance with the Indenture
27 only to pay principal and interest on the Amended Bonds to the extent the
28 Sinking Fund (as defined in the Indenture) does not contain sufficient funds
29 for such payments, and may not be used for any other purpose. If any
30

1 portion of the Legacy Fund Subaccount is used to pay the Amended Bonds
2 under the Indenture, the Legacy Fund Subaccount will be replenished to a
3 level equal to the Reserve Requirement from available funds held under the
4 Indenture. If the Legacy Fund Subaccount is still in need of funds to attain a
5 balance equal to the Reserve Requirement, the Common Council shall
6 consider an appropriation of funds from the Legacy Fund to attain a balance
7 in the Legacy Fund Subaccount equal to the Reserve Requirement. Such
8 deficiency and an appropriation from the Legacy Fund shall be considered by
9 the Common Council within six (6) months after the deficiency is created.

10 If the Trustee for the Amended Bonds requires funds from the Legacy
11 Fund Subaccount, which represents the Reserve Fund for the Amended
12 Bonds, in order to provide for the payment of principal of or interest on the
13 Amended Bonds, a request shall be filed by the Trustee with the City's
14 Controller. The City agrees to make funds available to the Trustee, from the
15 Legacy Fund Subaccount, within four (4) business days of the filing of such
16 request. The request filed with the City's Controller may be made in writing,
17 via e-mail or by phone, followed up either in writing or via e-mail. The
18 request shall state the amount needed from Legacy Fund Subaccount, which
19 represents the Reserve Fund for the Amended Bonds, and the instructions
20 for wiring the funds to the Trustee.

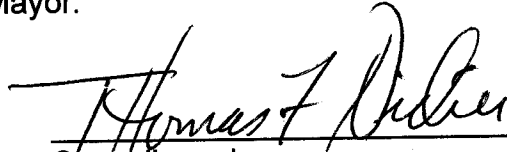

21 Any final payments made on the Amended Bonds, whether at maturity
22 or upon earlier redemption, shall not be made from the Legacy Fund
23 Subaccount if the Pledged Funds under the Indenture are available and
24 sufficient to make such final payments. When the Amended Bonds are no
25 longer outstanding or defeased under the terms of the Indenture, the Legacy
26 Fund Subaccount which satisfies the Reserve Requirement for the Reserve
27 Fund shall cease to exist, and such funds shall remain a part of the Legacy
28 Fund and shall no longer be subject to the lien of the Indenture or this
29 ordinance.
