From: Michael Kiester, Manager, City Utilities Engineering / ESS
RE: Huth Drive/Rosewood/Dicke Road/Aboite Center Road Area Septic Elimination
Work Order 76139

Council District # 4

The contractor shall furnish all labor, insurance, equipment, materials and power for the completion of the project: Huth Drive/Rosewood/Dicke Road/Aboite Center Road Area Septic Elimination as follows:

A septic elimination project along Aboite Center Rd, Huth Dr, Rosewood, and Dicke Rd. There are 63 homes that will be included in this project. The project is low pressure grinder system and will have 6,193 LF of 2" HDPE that will be Horizontally directionally drilled.

Implications of not being approved: There are 63 homes in this community that are currently being serviced by aging and failing private septic systems that require frequent pumping to facilitate their sanitary sewer needs. The homeowners have requested, thru the petitioning process, to be connected to Fort Wayne city sewers and thus eliminating the need for these septic systems. This project increases the quality of our waterways and increases individual property values. Failure to perform this project would lead to diminishing water quality and likely health department actions that would result in very costly improvements which would be solely borne by individual property owners.

If Prior Approval is being Requested, Justify: N/A

This project was advertised to contractors on August 12, 2016, August 19, 2016 in the Journal Gazette and the News Sentinel and August 17, 2106 in Frost Illustrated, Inc.

The contract for Resolution #76139 awarded to Rothenberger Co for \$514,053.85 was the lowest most responsive bidder of 3 bidders and 14% below the Engineer's estimate of \$603,375.00. The second lowest bidder was \$129,813.15 above Rothenberger Co's bid.

The cost of said project funded by Sewer Utility.

10.06 Emerging Business Enterprise (EBE) Participation

EBE Retainage Requirements – If the Contractor is in compliance with the provisions of the construction Contract the Owner will make payments for such work performed and completed. Pursuant to Executive Order 90-01 (amended 5-8-06); the Owner will retain five percent (5%) of the Contract Price to ensure compliance with the EBE participation requirements. Upon final inspection and acceptance of the Work, and determination by the Fort Wayne Board of Public Works that the Contractor has made a good faith effort to subcontract ten percent (10%) of the Contract Price to emerging business enterprises, the Contractor will be paid in full.

In the event there is a determination that good faith compliance with these EBE participation requirements has not occurred, appropriate reduction in the final payment pursuant to paragraph 10.06.E will be made.

If the Contract Price is in excess of **\$200,000**, the contract will be subject to the standard Board of Public Works escrow agreement. However, payments to the Contractor are not to exceed **95%** of the total Contract Price until the Owner has verified that the Contractor has made good faith efforts to attain the **10%** EBE goal stipulated in here within. Payment of the final **5%** of the total Contract Price will be dependent upon acceptance of the Work, in accordance with Paragraph 14.07 of the General Conditions, and good faith efforts to comply with these EBE participation requirements; subject to reduction in the event of non-compliance as provided in paragraph 10.06.E.

- A. **Request for Waiver** – If, at the time final payment application is made, Contractor has not attained the ten percent (**10%**) EBE goal, Contractor shall file with the final payment application a “Request for Waiver.” Said Request for Waiver shall contain a written description of the efforts taken by Contractor to attain the ten percent (**10%**) EBE goal.
- B. **Determination of Waiver Requests** – The Contract Compliance Department of the City of Fort Wayne shall examine all Requests for Waiver to determine if Contractor’s efforts constitute good faith efforts to attain such goal and shall submit recommendations concerning said requests for Waiver for the final determination of the Board of Public Works of the City of Fort Wayne.
- C. **Good Faith Efforts**. – In determining whether or not the Contractor used “good faith” efforts, the following shall be considered:
1. Whether the contract can be subdivided as determined by the Engineer and Administrator of Contract Compliance;
 2. Availability of certified EBE businesses to participate as subcontractors;
 3. Non-competitive price quotes received from EBE firms. The Board of Public Works’ determination for granting a reduction or waiver of the goal because of higher quotes from EBE firms will be based on factors that include, but are not limited to the following:
 - a. The Engineer’s estimate for the work under a specific contract;
 - b. The Contractor’s own estimate for the work under the subcontract;
 - c. An average of the valid prices quoted for the subcontract;
 - d. Demonstrated increase in other contract costs as a result of sub-contracting to EBE firm(s).
 4. Documented measures taken by the Contractor to comply with the EBE participation goal;
 5. EBE subcontractor failed to fulfill their obligation in regard to the time delivery of goods and/or services. Also in regards to the quality of the goods and/or services set forth in the bid specifications.

6. Such other matters as the Board of Public Works deems relevant.

D. **Consequences of Noncompliance** – In the event the Board of Public Works approves a recommendation that Contractor failed to make good faith efforts at compliance, the Contract Price shall be reduced by the amount calculated as the difference between the EBE participation goal of 10% and the actual participation level met by the Contractor, but in no case shall it be reduced by more than 5%. Said amount shall be added to the City of Fort Wayne EBE Bond Guarantee Fund and Contractor agrees to accept the reduced amount as full payment under the terms of his/her Contract.

E. **Waiver Approved** – In the event the Board of Public Works determines that a good faith effort to comply with these EBE participation requirements has been made, the Contract Price shall not be reduced, and the balance owing to the Contractor shall be paid in full.
