AGREEMENT BETWEEN OWNER AND CONTRACTOR

Resolution 76003

Work Order 76003

THIS AGREEMENT is by and between the Board of Public Works of the City of Fort Wayne, Indiana (hereinafter called Owner) and Salini Impregilo/S.A. Healy Joint Venture (hereinafter Contractor), a joint venture between Salini Impregilo S.p.A. and S.A. Healy Company pursuant to a Joint Venture Agreement dated January 11, 2017, each of whom shall be jointly and severally liable to Owner, both individually and as guarantors of Contractor.

Owner and Contractor, in consideration of the mutual covenants hereinafter set forth, agree as follows:

ARTICLE 1 – WORK

1.01 Contractor shall complete all Work as specified or indicated in the Contract Documents. The Work is generally described as follows:

Base Bid: Tunnel and Shafts Package includes the construction of the 3RPORT tunnel, including shafts, adits, and appurtenances. The Work includes, but is not limited to, the following: approximately 24,500 feet of CSO tunnel, with a minimum finished diameter of 16 feet; seven drop shafts; one drop structure within the Retrieval Shaft; four vent shafts; six adits with a finished diameter of 7 feet; one diversion structure and consolidation sewer; Working Shaft with a minimum excavated diameter of 33 feet through the overburden and 29 feet through rock; Pump Station Shaft with a minimum excavated diameter of 68 feet through the overburden and 64 feet through rock; and Retrieval Shaft with a minimum finished diameter of 25 feet through the overburden and 21 feet through rock.

Alternate B: East Dwenger Avenue Muck Disposal Site – Trucking & Site Preparation and Onsite Handling.

ARTICLE 2 – THE PROJECT

2.01 The Project for which the Work under the Contract Documents may be the whole or only a part is generally described as follows:

Three Rivers Protection and Overflow Reduction Tunnel (3RPORT)

ARTICLE 3 – ENGINEER

3.01 The firm of CH2M Hill Engineer's, Inc., who is hereinafter called Engineer, will assume all duties and responsibilities, and have the rights and authority assigned to Engineer in the Contract Documents in connection with the completion of the Work in accordance with the Contract Documents, during the construction phase.

3.02 The firm of Black & Veatch Corporation, who is herein called Design Engineer (Designer); will consult with, advise and assist the Engineer in connection with the completion of the work in accordance with the Contract Documents, during the construction phase, per SC-GC-1.01A59.

ARTICLE 4 – CONTRACT TIMES

4.01 Time of the Essence

A. All time limits for Milestones, if any, Substantial Completion, and completion and readiness for final payment as stated in the Contract Documents are of the essence of the Contract.

4.02 Days to Achieve Substantial Completion and Final Payment

- A. The Work for the Base Bid plus Alternate B will be substantially completed within 1,550 calendar days after the date when the Contract Times commence to run as provided in Paragraph 2.03 of the General Conditions, and completed and ready for final payment in accordance with Paragraph 14.07 of the General Conditions within 1,640 calendar days after the date when the Contract Times commence to run.
- B. Parts of the Work for the Base Bid plus Alternate B shall also adhere to the constraint dates as indicated in Section 01 32 16.23.
- C. Definition of Substantial Completion for the Base Bid Work plus Alternate B shall consist of the following:

Completion means that the tunnel, shafts, adits, consolidation sewers, diversion structures, and underground piping are completed to the satisfaction of Engineer. The following are the only items that may be completed after the work is accepted as Substantially Complete: final grading and seeding, asphalt and concrete surface restoration, and permanent fencing.

4.03 Completion Milestone

- A. Milestone date for the Base Bid plus Alternate B is as follows:

Milestone No. 1: The Pump Station Shaft will be provided to the DDPS contractor within 1,275 calendar days after the date when the Contract Times commence to run.

4.04 Liquidated Damages

- A. Contractor and Owner recognize that time is of the essence of this Agreement and that Owner will suffer financial loss if the Work is not completed and Milestones not achieved within the times specified in Paragraph 4.02 and 4.03 above, plus any extensions thereof allowed in accordance with Article 12 of the General Conditions. The parties also recognize the delays, expense, and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by Owner if the Work is not completed on time. Accordingly, instead of requiring any such proof, Owner and Contractor agree that as liquidated damages for delay (but not as a penalty), Contractor shall pay Owner the following amounts for each day that expires after the time specified in Paragraph 4.02 and 4.03 above for Milestones and Substantial Completion until the Work is substantially complete. After Substantial Completion, if Contractor shall neglect, refuse, or fail to complete the remaining Work within the Contract Time or any proper extension thereof granted by Owner, Contractor shall pay Owner the following amounts for each day that expires after the time specified in Paragraph 4.02 and 4.03 above for completion and readiness for final payment until the Work is completed and ready for final payment.

<u>Item</u>	<u>Liquidated Damages, Per day</u>
Milestone No. 1	\$20,000/day for first 30 days, \$25,000/day for days 31 – 90, and \$30,000/day after day 90
Substantial Completion of the Work	\$20,000/day for first 30 days, \$25,000/day for days 31 – 90, and \$30,000/day after day 90
Completion of all Work	\$20,000/day for first 30 days, \$25,000/day for days 31 – 90, and \$30,000/day after day 90

- B. The liquidated damages set forth herein shall not be accumulative. If Substantial Completion of the Work is not met within the time specified for final completion of all Work, the liquidated damages shall continue to be at the rate or rates specified for default on Substantial Completion until Substantial Completion is attained. If the Work is not then finally completed, the rate or rates specified for default on final completion shall apply until final completion is attained.
- C. In case of joint responsibility for delay in the completion of the Work, where two or more separate contracts are in force at the same time and cover work at the same site, liquidated damages assessed against any one contractor will be based upon the individual responsibility of that contractor for the delay as determined by, and in the judgment of, Engineer.
- D. Owner shall have the right to deduct the liquidated damages from any money in its hands, otherwise due, or to become due, to Contractor, or to initiate applicable dispute resolution procedures and to recover liquidated damages for nonperformance of this Contract within the time stipulated. If any such money is insufficient to fully satisfy the liquidated damages to which the Owner is entitled, then Contractor shall pay to owner that portion of the liquidated damages which remain after the unpaid balance of the Contract Price has been fully applied.

4.05 Incentives

- A. The Owner shall pay the Contractor an incentive payment for early substantial completion of the Work. Owner shall pay Contractor \$5,000 per day for every day the Work is substantially complete prior to the date established, in accordance with Paragraph 4.02; up to a maximum of \$450,000.

ARTICLE 5 – CONTRACT PRICE

5.01 Owner shall pay Contractor for completion of the Work in accordance with the Contract Documents an amount in current funds equal to the sum of the amounts determined pursuant to Paragraphs 5.01.A, 5.01.B, and 5.01.C below:

- A. Not used.
- B. For all Unit Price Work, an amount equal to the sum of the established unit price for each separately identified item of Unit Price Work times the actual quantity of that item as indicated in this Paragraph 5.01.B:

As provided in Paragraph 11.03 of the General Conditions, estimated quantities are not guaranteed, and determinations of actual quantities and classifications are to be made by Engineer as provided in Paragraph 9.07 of the General Conditions. Unit prices have been computed as provided in Paragraph 11.03 of the General Conditions.

See Article 5 (itemized Bid Schedule) of the Bid Form 00 41 00-4 to 00 41 00-6

TOTAL OF ALL UNIT PRICES

One Hundred Eighty-Seven Million Six Hundred Sixty-Three Thousand Dollars and Zero Cents

(\$187,663,000.00)

- C. Owner accepts Alternate B East Dwenger Avenue Muck Disposal as described in Section 01 22 00 Measurement and Payment and indicated on the Bid Form.

ARTICLE 6 – PAYMENT PROCEDURES

6.01 Submittal and Processing of Payments

- A. Contractor shall submit Applications for Payment in accordance with Article 14 of the General Conditions. Engineer will process Applications for Payment as provided in the General Conditions.

6.02 Progress Payments; Retainage

- A. Owner shall make progress payments on account of the Contract Price on the basis of Contractor's Applications for Payment within 60 days of receipt during performance of the Work as provided in Paragraph 6.02.A.1 below. All such payments will be measured by the Schedule of Values established as provided in Paragraph 2.07.A of the General Conditions (and in the case of Unit Price Work based on the number of units completed) or, in the event there is no Schedule of Values, as provided in the General Requirements.
1. Prior to Substantial Completion, progress payments will be made in an amount equal to the percentage indicated below but, in each case, less the aggregate of payments previously made and less such amounts as Engineer may determine or Owner may withhold, in accordance with Paragraph 14.02 of the General Conditions.
- a. 95% of Work completed (with the balance being retainage); and
- b. 95% of cost of materials and equipment not incorporated in the Work (with the balance being retainage).
- B. Upon Substantial Completion, Owner shall pay an amount sufficient to increase total payments to Contractor to 100% of the Work completed, less such amounts as Engineer shall determine in accordance with Paragraph 14.02.B.5 of the General Conditions and less 200% of Engineer's estimate of the value of Work to be completed or corrected as shown on the tentative list of items to be completed or corrected attached to the certificate of Substantial Completion.
- C. Escrow Agreement for Retainage
1. If the Contract is in excess of \$200,000, the contract will be subject to the standard Board of Public Works escrow agreement; unless written notice is received from Contractor prior to execution of the Agreement stating that an Escrow Account is not desired. If an Escrow Account is not desired, then the Board of Public Works, in accordance with IC 36-1-12-14, shall hold the retainage and will not pay interest on the amounts of retainage that it holds.

6.03 Final Payment

- A. Upon final completion and acceptance of the Work in accordance with Paragraph 14.07 of the General Conditions, Owner shall pay the remainder of the Contract Price as recommended by Engineers as provided in said Paragraph 14.07.

ARTICLE 7 – INTEREST

- 7.01 All moneys not paid when due as provided in Article 14 of the General Conditions shall bear interest at the rate at the maximum rate allowed by law at the place of the Project.

ARTICLE 8 – CONTRACTOR'S REPRESENTATIONS

- 8.01 In order to induce Owner to enter into this Agreement, Contractor makes the following representations:

- A. Contractor has examined and carefully studied the Contract Documents and the other related data identified in the Bidding Documents.
- B. Contractor has visited the Site and become familiar with and is satisfied as to the general, local, and Site conditions that may affect cost, progress, and performance of the Work.
- C. Contractor is familiar with and is satisfied as to all federal, state, and local Laws and Regulations that may affect cost, progress, and performance of the Work.

- D. Contractor has carefully studied all: (1) reports of exploration and tests of subsurface conditions at or contiguous to the Site and all drawings of physical conditions in or relating to existing surface or subsurface structures at or contiguous the site (except Underground Facilities), which have been identified in the Supplementary Conditions as provided in Paragraph 4.02 of the General Conditions and (2) reports and drawings of Hazardous Environmental Conditions, if any, at the Site that have been identified in the Supplementary Conditions as provided in Paragraph 4.06 of the General Conditions.
- E. Contractor has obtained and carefully studied (or assumes responsibility for having done so) all additional supplementary examinations, investigations, explorations, tests, studies, and data concerning conditions (surface, subsurface, and Underground Facilities) at or contiguous to the Site which may affect cost, progress, or performance of the Work or which relate to any aspect of means, methods, techniques, sequences, and procedures of construction to be employed by Contractor including applying the specific means, methods, techniques, sequences, and procedures of construction, if any expressly required by the Contract Documents to be employed by Contractor, and safety precautions and programs incident thereto.
- F. Contractor does not consider that further examinations, investigations, explorations, tests, studies, or data are necessary for the performance of the Work at the Contract Price, within the Contract Times, and in accordance with the other terms and conditions of the Contract Documents.
- G. Contractor is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Contract Documents.
- H. Contractor has correlated the information known to Contractor, information and observations obtained from visits to the Site, report and drawings identified in the Contract Documents, and all additional examinations, investigations, explorations, tests, studies and data with the Contract Documents.
- I. Contractor has given Design Manager written notice of all conflicts, errors, ambiguities, or discrepancies that Contractor has discovered in the Contract Documents, and the written resolution thereof provided by Design Manager is acceptable to Contractor.
- J. The Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.
- K. In connection with the performance of Work under this Contract, Contractor agrees to comply with Anti-Discrimination Under Indiana Code Chapter 5-16-6-1 and be bound by Chapter 93.036, of the Code of the City of Fort Wayne, Indiana of 1974, passed by the Common Council of the City of Fort Wayne, Indiana as General Ordinance No. G-34-78 (as amended) on December 12th, 1978. Contractor shall file a Manpower Utilization Report for this project with the Compliance Office within ten (10) days after completion of the construction or upon request of the Office of Compliance.
- L. Contractor is a joint venture between Salini Impreglio S.p.A. and S.A. Healy Company pursuant to a Joint Venture Agreement dated January 11, 2017. Salini Impregilo S.p.A. and S.A. Healy Company are jointly, severally and individually liable to Owner for the Contractor's obligations under this Agreement, including without limitation all performance obligations, monetary obligations, and all other guarantees or warranties set forth herein regardless of which member of the joint venture performs or is to perform the obligation. Furthermore, Salini Impreglio S.p.A. and S.A. Healy Company each separately guaranty the performance of Contractor under this Contract. A default under or breach of this Contract by either Salini Impregilo S.p.A. or S.A. Healy Company, individually or jointly, shall constitute a default or breach by the Contractor. Neither Salini Impregilo S.p.A nor S.A. Healy Company may assign or transfer any interest in this Contract or any interest in the Joint Venture Agreement without the prior written consent of the Owner. Furthermore, the Joint Venture Agreement shall not be terminated or the Salini Impregilo/S.A. Healy Joint Venture shall not be dissolved without the prior written consent of the Owner. Assignment of any interest in or the termination of the Joint Venture Agreement, the dissolution of the Salini Impregilo/S.A. Healy Joint Venture, or the bankruptcy filing by either Salini Impregilo S.p.A or S.A. Healy Company shall be a material default under this Contract and, notwithstanding any language to the contrary in the Contract Documents, Owner may terminate this Contract for cause without further written notice and make an

immediate claim upon the performance bond. It is expressly understood that notice to one member of the joint venture provided in accordance with this Contract shall serve as notice to both members of the joint venture and that the actions, omissions or statements of one member of the joint venture is binding upon both members of the joint venture. Furthermore, payment to one member of the joint venture pursuant to the terms of this Contract shall constitute payment to both members of the joint venture.

ARTICLE 10 – MISCELLANEOUS

10.01 Terms

- A. Terms used in this Agreement will have the meanings stated in the General Conditions.

10.02 Assignment of Contract

- A. No assignment by a party hereto of any rights under or interests in the Contract will be binding on another party hereto without the written consent of the party sought to be bound; and, specifically but without limitation, moneys that may become due and moneys that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

10.03 Successors and Assigns

- A. Owner and Contractor each binds itself, its partners, successors, assigns, and legal representatives to the other party hereto, its partners, successors, assigns, and legal representatives in respect to all covenants, agreements, and obligations contained in the Contract Documents.

10.04 Severability

- A. Any provision or part of the Contract Documents held to be void or unenforceable under any Law or Regulation shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon Owner and Contractor, who agree that the Contract Documents shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.

10.05 Contractor's Certifications

- A. Contractor certifies that it has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for or in executing the Contract. For the purposes of this Paragraph 10.05:
 - 1. "corrupt practice" means the offering, giving, receiving, or soliciting of anything of value likely to influence the action of a public official in the bidding process or in the Contract execution;
 - 2. "fraudulent practice" means an intentional misrepresentation of facts made (a) to influence the bidding process or the execution of the Contract to detriment of Owner, (b) to establish Bid or Contract prices at artificial non-competitive levels, or (c) to deprive Owner of the benefits of free and open competition;
 - 3. "collusive practice" means a scheme or arrangement between two or more Bidders, with or without the knowledge of Owner, a purpose of which is to establish Bid prices at artificial, non-competitive levels; and
 - 4. "coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the bidding process or affect the execution of the contract.

10.06 M.B.E./W.B.E. Participation

A. Indiana State Revolving Fund Loan Program

- 1. This project is being financed in whole or in part by the Indiana State Revolving Fund Loan Programs. The Contractor is required to comply with all federal and state laws, rules, regulations, and contract provisions included in Indiana Finance Authority (IFA) State Revolving Fund (SRF) documents per Article 9 of this agreement

(IFA SRF requirements and forms are available on the IFA SRF website.)

10.07 Other Provisions

- A. None.

IN WITNESS WHEREOF, Owner and Contractor have signed this Agreement (Contract/Resolution Number 76003). One counterpart has been delivered to Owner, and one counterpart delivered to Contractor. Interoffice Memo

Date: April 5, 2017
To: Common Council Members
From: Michael Kiester, Manager, City Utilities Engineering
RE: Three Rivers Protection and Overflow Reduction Tunnel (3RPORT)
Tunnel and Shafts Package – Contract/Resolution Number 76003

Michael Kiester
4.5.2017

Council District # City Wide

The contractor shall furnish all labor, insurance, equipment, materials and power for the completion of the project: Three Rivers Protection and Overflow Reduction Tunnel (3RPORT) Tunnel and Shafts Package as follows: Base Bid: Tunnel and Shafts Package includes the construction of the 3RPORT tunnel, including shafts, adits, and appurtenances. The Work includes, but is not limited to, the following: approximately 24,500 feet of CSO tunnel, with a minimum finished diameter of 16 feet; seven drop shafts; one drop structure within the Retrieval Shaft; four vent shafts; six adits with a finished diameter of 7 feet; one diversion structure and consolidation sewer; Working Shaft with a minimum excavated diameter of 33 feet through the overburden and 29 feet through rock; Pump Station Shaft with a minimum excavated diameter of 68 feet through the overburden and 64 feet through rock; and Retrieval Shaft with a minimum finished diameter of 25 feet through the overburden and 21 feet through rock. Alternate B: East Dwenger Avenue Muck Disposal Site – Trucking & Site Preparation and Onsite Handling.

Implications of not being approved: The 3RPORT project is an integral part of compliance with the Consent Decree to reduce combined sewer overflows to the St. Marys and Maumee Rivers. Failure to construct this project would prevent the Utility from reducing combined sewer overflows, thus violating our Consent Decree obligation and time commitment for the required reductions.

If Prior Approval is being Requested, Justify: N/A

This project was advertised to contractors on November 11, 2016, and November 18, 2016, in the Journal Gazette and the News Sentinel and November 16, 2016, in Frost Illustrated, Inc.

The contract for Resolution #76003 awarded to Salini Impregilo/S. A. Healy Joint Venture for \$187,663,000.00 was the lowest most responsive bidder of 5 bidders and 1% below the Engineer's estimate of \$189,400,000.00. The second lowest bidder was \$ 19,357,694.00 above Salini Impregilo / S. A. Healy JV bid.

The cost of said project funded by Sewer State Revolving Fund Bond.
