101-12-13-17-3

The contractor shall comply with requirements of the Fort Wayne Contract Compliance Department in regard to EBB Goals, and other documentation, if requested.

Award

Award of work shall be at the sole discretion of the Utility, with consideration for the following factors being part of the determination:

1. Lowest rates per Sq Ft price quote; based on 50 sq ft and smaller, 51 to 100 sq ft, and 101 sq ft or larger
2. Availability when called. If contact cannot be made with the contractor, or if contractor does not have the necessary equipment and manpower available to perform this work within the time requested, further calling to the contractor for the specific job will not be mandatory.
3. Quality of equipment and efficiency of operation based on previous work observations by the Utility personnel;
4. In cases where bids are equal, the contractors will be rotated.

This agreement may be terminated in part or in whole, if any work performed is not in accordance with the standards established by the Utility.

The contractor hereby agrees that when notified by the Utility, the contractor will supply the equipment, manpower, and materials as necessary to complete work based on Square ft of repair at the price indicated in their quote, hereto and made a part hereof. And all work will be performed to comply with Transportation Engineering's Standards dated 8-27-15.
