Memo

To: City Council
From: Larry Campbell, Director of Fleet Operations
Date: January 8, 2021
Re: Diesel Fuel Lassus Brothers INC, 2021

Dear Council

In regard to the Diesel Fuel for 2021 contract with Lassus Brothers INC, estimated not to exceed \$150,000 for 65,000 Gallons. Per gallon price is of OPIS pricing which changes daily. Pricing of this commodity changes on a daily basis.

This is a unique opportunity to obtain diesel fuel for 2021 from twenty-eight local stations throughout the area. This is used by the Public safety/Fire Department and Street Department throughout the year so they do not have to drive back to the Lafayette street complex to refuel having to go out of service. Along with City Utilities departments in emergency such as a flood to keep the large pumps running.

City Fleet Management is able to download transactions from Lassus daily and import into the City Fleet management software program just like if they had fueled at the City complex.

Lassus Brothers is registered as buy Indiana and local Fort Wayne Company

Thank you Larry Campbell
