Re: Fox & Fox Frame Service, Body repairs

Fox & Fox does a lot of the City body repairs from accidents throughout the year. The units are bid out weekly.

How ding day works for the City is those units that were involved in an accident the previous week are to be brought in every Tuesday morning by 9:00 am, then the following process;

- Body shops throughout the city and area come in and give quotes on the units to repair.
- The body shop then sends/emails the quotes to the service writer. Quotes have to be back in by Thursday morning.
- All quotes for each unit is put to a PDF file then sent to the Fleet director for approval
- Fleet director looks over and awards to the lowest most responsive quote
- Departments are then notified to bring back in for repair.
