

AN ORDINANCE approving the purchase and installation of new core network infrastructure for the City of Fort Wayne and Allen County, for a total cost of \$192,612; from and through KSM Consulting by the City of Fort Wayne, Indiana,

Whereas, the City of Fort Wayne, City Utilities, and Allen County jointly operate computer systems and networks to benefit of all City and County departments;

Whereas, the existing core network infrastructure has been in operation for over a decade;

Whereas, the operation of core networking infrastructure is crucial for the continued operation of every City and County operation;

Whereas, the City of Fort Wayne, City Utilities, and Allen County wish to jointly contract and share the cost of purchasing and installing an upgraded replacement core network switch through KSM Consulting.

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. That the purchase of core network infrastructure and installation services for the City's computing infrastructure from KSM Consulting for a total of cost to the City of \$192,612 is hereby approved in all respects. That said purchase will be used to ensure the proper operation of the networking infrastructure throughout the City.

SECTION 2. That the City is authorized and directed to take all action necessary for the purchase of these services by and through KSM Consulting.

Subject: KSM IT Contract

Members of City Council:

This ordinance is to authorize the purchase and installation of new core network infrastructure for the joint City and County computing environment. The cost of this hardware and installation services to the City is \$192,612. Allen County will also contribute \$128,408 toward their share of this contract. The total contract will cost \$321,020.

The existing core network has passed end-of-life support and its replacement has been anticipated for several years. While our main motivation is replacing outdated equipment, we also expect to see performance and reliability improvements with the new core switch and the resumption of an active support agreement.

This enhancement is a focus area of a larger security review we've undertaken in 2021. This is one of our top priorities.

We are using KSMC as the primary contractor on this because they have lower rates through their volume purchases than the City can achieve directly. They also have negotiated better terms in each of these cases as well.

If you have any questions, please contact us.
