MEMO

To: City of Fort Wayne Common Council

Copy: City of Fort Wayne Community Development Division

From: Stacy Haviland, Community Development Administrator, 427-2147

Subject: Council Approval of Amendment No. 1 to the contract for Construction Manager as Constructor for Riverfront Public Open Space Phase II

Date: August 3, 2023

The Community Development Division hereby requests that the Common Council consider and approve Amendment No. 1 to the contract for Construction Manager as Constructor (CMc) for Riverfront Public Open Space Phase II between Hagerman, Inc. and the City of Fort Wayne. The amendment adds a cost of \$1,402,495.00 for select demolition, storm sewer, earthwork and temporary fencing to the original contract amount of \$45,000.00 for preconstruction services. The CMc will enter into an amended contract to serve as the construction manager during the construction of the Project. The CMc will assume the risk of delivering the Project through a guaranteed maximum price contract. The CMc will be responsible for construction means and methods. The project was publicly bid in compliance with Indiana code.

Bids were received for two bid packages on July 25, 2023. There were two bidders for the earthwork bid package and one bidder for the fencing bid package (see attached bid tab). After review of the bids, we recommend acceptance of the Guaranteed Maximum Price from Hagerman in the amount of \$1,402,495.00.

Please note that this amendment only covers an early bid release for a portion of the proposed Riverfront improvements. This work has been divided into two phases so that construction can begin in order to support the Schaab Riverfront Plaza private development while we wait for permits for the remainder of the project.

The second bid release for the remaining work will follow once we receive permits from the Department of Natural Resources, Indiana Department of Environmental Management, and the U.S. Army Corps of Engineers. We anticipate receiving permit approvals in September. If received then, bidding will occur October through November with City Council approval process following in December or January.

We respectfully request your approval of this amendment so that we may proceed with the work. If you have any questions, please feel free to contact me at 427-2147.

Thank you in advance.
