### 3. Term of Agreement

This Agreement will become effective on the date it is signed and approved by MacQueen’s authorized representative pursuant to Section 22 hereof (“Effective Date”) and, unless earlier terminated pursuant to the terms of this Agreement, it will terminate upon the Customer’s Acceptance and payment in full of the Purchase Price.

### 4. Purchase and Payment

The Customer agrees to purchase the Product specified on Exhibit A for the total purchase price of \$3,072,197.00 (“Purchase Price”). Prices are in US Funds.

**NOTE: Upon final inspection at the factory for pick-up or delivery, the customer will need to supply a “Certificate of Insurance” and “FULL PAYMENT” prior to release of the vehicle, unless prior arrangements for vehicle’s release have been made.**

### 5. Future Changes

Various state or federal regulation agencies (e.g., NFPA, DOT, EPA) may require changes to the Specifications and/or the Product and in any such event any resulting cost increases incurred to comply therewith will be added to the Purchase Price to be paid by the Customer. Any future drive train upgrades (engine, transmission, axles, etc.) or any other specification changes have not been calculated into our annual increases and will be provided at additional cost. The Company reserves the right to update pricing in response to manufacturer-imposed increases as a result of PPI inflation, not to exceed 10% of purchase price. To the extent practicable, the Company will document and itemize any such price increase for the Customer’s approval before proceeding.

### 6. Agreement Changes

The Customer may request that MacQueen incorporate a change to the Products or the Specifications for the Products by delivering a change order to MacQueen; provided, however, that any such change order must be in writing and include a description of the proposed change sufficient to permit MacQueen to evaluate the feasibility of such change (“Change Order”). Within seven (7) business days of receipt of a Change Order, MacQueen will inform the Customer in writing of the feasibility of the Change Order, the earliest possible implementation date for the Change Order, of any increase or decrease in the Purchase Price resulting from such Change Order, and of any effect on production scheduling or Delivery resulting from such Change Order. MacQueen shall not be liable to the Customer for any delay in performance or Delivery arising from any such Change Order. A Change Order is only effective when counter-signed by MacQueen’s authorized representative. Only the listed customer person(s) specified on Exhibit A may be able to authorize and sign the Change Order.

**7. Cancellation/Termination**

In the event this Agreement is cancelled or terminated by a party before completion, MacQueen may charge a cancellation fee. The following charge schedule based on costs incurred may be applied: (a) 10% of the Purchase Price after order is accepted and entered by MacQueen; (b) 20% of the Purchase Price after completion of approval drawings, and; (c) 30% of the Purchase Price upon any material requisition. The cancellation fee will increase accordingly as costs are incurred as the order progresses through engineering and into manufacturing. MacQueen endeavors to mitigate any such costs through the sale of such Product to another purchaser; however, Customer shall remain liable for the difference between the Purchase Price and, if applicable, the sale price obtained by MacQueen upon sale of the Product to another purchaser, plus any costs incurred by MacQueen to conduct any such sale.

**8. Delivery, Inspection, and Acceptance****a. Delivery**

Delivery updates will be made available, and a final firm delivery date will be provided as soon as possible.

**b. Inspection and Acceptance**
