**Sanitary Main Offsite Z**

Beginning at the aforementioned manhole MH-A2 located 30± feet North and 65± feet East of the Centerline of the Intersection of Schwartz Road and the proposed Oaklynn Reserve Boulevard; thence Northwesterly, along the East right-of-way of Schwartz Road, 140± L.F. of 15" PVC SDR 35 pipe to MH-Z1; thence North, within a proposed 20

foot utility easement, 295± L.F. to MH-Z2; thence North 135± L.F. to MH-Z3; thence West and crossing Schwartz Road and being within an existing 20 foot sanitary easement, 400± L.F. of 8" PVC SDR 35 pipe to MH-Y1; thence West 305± L.F. to MH-Y2 and terminating said Sanitary Main Offsite Z.

Said sewer to include: 1,905± L.F. of 8" PVC SDR 35 pipe and 1,970± L.F. of 15" PVC SDR 35 pipe; 17 (Seventeen) Manholes

2. That said sanitary sewer system shall be constructed in accordance with the standards, plans and specifications as approved by City, which are now on file in the office of Water Resources of the City, and by reference are incorporated herein and made a part thereof.
3. The City shall accept sewage therefrom when complete, in accordance with the rules and regulations of said City, and the laws, ordinances and regulations applicable thereto, now in force, or that may hereafter be adopted; however, it is understood and agreed that the City shall not accept sewage from any part or parts of the sanitary sewer system covered hereunder unless and until the entire sewer system shall have been tested and accepted by said City.
4. It is understood and agreed by and between the parties to this Contract, that the Contributor shall furnish and pay for all materials, contractual labor, equipment, permits and/or licenses for the construction of said sanitary sewer system through Fox Contractors Corp. at a cost of \$775,559.00 (Seven hundred seventy five thousand five hundred fifty nine dollars and no cents), that said Contributor shall hold the City harmless from any liability for claims connected therewith, and that said Contributor shall pay all expenses in connection with necessary inspection and testing services estimated at a cost of \$10,470.56 (Ten thousand four hundred seventy dollars and fifty six cents) and City shall waive the inspection and testing for oversizing in the amount of \$4,845.30 (Four thousand eight hundred forty five dollars and thirty cents). Therefore, the total value of said sanitary sewer system is \$790,874.86 (Seven hundred ninety thousand eight hundred seventy four dollars and eighty six cents).
5. It is further understood and agreed by and between the parties to this Contract that said Contributor shall bear the cost of 2,600± L.F. of sanitary sewer main on the basis of an 8" sewer main, including fees, the total cost of which is \$307,553.56 (Three hundred seven thousand five hundred fifty three dollars and fifty six cents). It is further understood and agreed by and between the parties to this Contract that said City shall bear the cost of material, contractual labor and equipment, as supplied by the Contractor for additional 705± L.F. of 8" sewer main and oversizing 1,970± L.F. of sewer main from an 8" sewer main to a 15" sewer main, is \$478,476.00 (Four hundred seventy eight thousand four hundred seventy six dollars and no cents). It is agreed that upon completion and within 30 days after acceptance of said sewer system by said City, the City will pay to said Fox Contractors Corp. the oversizing cost \$478,476.00 (Four hundred seventy eight thousand four hundred seventy six dollars and no cents) and shall waive the inspection and testing fees in the amount of \$4,845.30 (Four thousand eight hundred forty five dollars and thirty cents).
6. Said sanitary sewer system, when accepted by the City, will serve the following described real estate herein referred to as follows:

7. Said sewer, when constructed, will serve the benefited areas as shown on Exhibit "A." In the event any present or future owners of said described benefited areas shall at any time within 15 years after the date of this Contract desire to use said sewer by direct tap to serve such land, City through its duly constituted authorities, before permitting such use, shall require by contract or assessment, as may be appropriate, that such owner or owners of said benefited areas pay to City, a fee for connecting to the local sewer serving said property. Said fee shall be in addition to the cost of standard tap-in and inspection fees, and monthly sewage treatment charges as are customarily charged by City. The properties affected and the full amounts due per acre and parcel as stipulated on attached Exhibit "A." The amounts so collected shall be refunded to City as partial reimbursement for amounts expended to extend local sewers until such time as one of the following events occur: a period of 15 years has passed from the date of this Contract or the City has been reimbursed for the total amount subject to reimbursement, whichever event comes first. Thereafter, no reimbursements will be collected or paid.
8. It is understood and agreed that the area described above that does not result in the decommissioning and elimination of an existing septic system is subject to Area Connection Fees at the time of connection in accordance with agreements and/or resolutions on file in the Office of the Board of Public Works of said CITY. The area connection fees shall be paid on or before building sewer connections are made to the City sewer system in accordance with the applicable fees in effect at the time of connection. The area connection fees represent the installation and/or oversizing costs expended by CITY for downstream collection system and treatment facilities. (Current Shed & Rate: Northeast at \$2,600.00 per ERU - Subject to adjustments)

It is understood and agreed that the area connection fees (Current Shed and Rate: Northeast at \$2,600.00 per ERU) for the following will be waived pursuant to the City of Fort Wayne Septic Elimination Policy – Resolution # 96-12-02-09-03 so long as the following area connected to City sewer within 90 (Ninety) days from acceptance of the sewer by the City:

10415 Douglass Road  
10727 Douglass Road

8130 Schwartz Road  
8306 Schwartz Road (no 90 days)

9. The City may approve the extension of additional sanitary sewer lines from the sanitary sewer system(s) covered in this Contract without incurring financial obligations to the Contributor under this Contract.
10. Said sewer shall be constructed for disposal of sanitary sewage only and neither the parties hereto, their successors or assigns or any future owner of any land serviced by said sewer shall, at any time, discharge or permit to be discharged or to flow into said sanitary sewer any water runoff caused by natural precipitation, or anything other than sanitary sewage in accordance with the Fort Wayne Code of Ordinances.
11. Contributor represents that it is the owner of real estate described in Paragraph (6) – Contributor Area herein and for itself, its successors in title and assigns, waives and releases any and all rights which it may now or hereafter have to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by City of any territory now or hereafter owned by it as described in Paragraph (6) – Contributor Area or hereafter served by said sewer or any extension thereof.
12. In further consideration and to induce City to execute and ratify this Contract, Contributor for itself, its successors and assigns, agrees by this Contract to vest in City the permanent right, at its discretion, to annex to the City of Fort Wayne at any future time by duly authorized ordinance said real estate described in Paragraph (6) herein.
13. Contributor further agrees that any deeds, contracts, or other instruments of conveyance made by Contributor, its successors or assigns transferring or conveying any interest in and to any of the real estate described in Paragraph (6) – Contributor Area herein, shall contain the waiver and release provisions contained in this Paragraph (13), which provision

shall run with the land and the acceptance of delivery of any such instruments from Contributor, its successors and assigns to any grantee, vendor or contract purchaser shall be made subject to the terms of this Contract and shall constitute an acceptance of the foregoing provisions by said grantee, vendor or contract purchaser and their successors in title.

14. Any owner or owners of land which now or hereafter is located outside the corporate limits of City who connect into the sewer constructed hereunder shall be deemed to thereby waive his, her, their, or its rights to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by City of such land or of the territory which it is located or of the area served by said sewer (I.C. 36-9-22-2, as Added by Acts 1981, P.L. 309, 395).
15. It is further understood and agreed that, upon completion of the sanitary sewer system, the Contributor or its contractor shall file a Completion Affidavit, a Maintenance Bond and Certified Record Drawings with the Board of Public Works of said City, and shall take such action as is necessary to transfer all rights, titles and interest in said system to the City. The Maintenance Bond shall run for a minimum period of one (1) year from date of acceptance of the said system by the City and shall be in the minimum amount of \$193,889.75 (One hundred ninety three thousand eight hundred eighty nine dollars and seventy five cents).
16. Upon receipt of the Completion Affidavit, Maintenance Bond and Certified Record Drawings, and being provided with proof of dedicated easements or recorded easements, the City will make final inspection of the project. Upon finding the project to be acceptable and in full compliance with the Standards and Specifications of the Water Resources Department and the Board of Public Works, the City, through its Board of Public Works, shall issue a Letter of Acceptance of the project to Fox Contractors Corp. and to the Contributor. Upon issuance of the Letter of Acceptance, and in accordance with the terms of said letter, the sanitary sewer installed under this Contract shall form and be a part of said City sewerage system, and all rights, title and interest whatsoever in said sanitary sewer system shall pass to and remain in the City of Fort Wayne, Indiana.
17. It is further understood and agreed that if the work described above is not initiated within twelve (12) months after the date of this Contract, said Contract shall be null and void.
18. E-Verify Affidavit. Pursuant to Indiana Code 22-5-1.7, Contributor agrees and shall enroll in and verify the work eligibility status of all newly hired employees of the Contributor through the E-Verify program. E-Verify means the electronic verification of work authorization program of the Illegal Immigration Reform and Immigration Responsibility Act of 1996 (P.L. 104-208), Division C, Title IV, s.403(a), as amended, operated by the United States Department of Homeland Security or a successor work authorization program designated by the United States Department of Homeland Security or other federal agency authorized to verify the work authorization status of newly hired employees under the Immigration Reform and Control Act of 1986 (P.L. 99-603). Contributor is not required to verify the work eligibility status of all newly hired employees of Contributor through the E-verify program if the E-Verify program no longer exists.

The undersigned, on behalf of the Contributor, being first duly sworn, deposes and states that the Contributor does not knowingly employ an unauthorized alien.

IN WITNESS WHEREOF, the parties have subscribed to the instrument the day and year first above written.
