Thank you for considering Samsara for your fleet.

Samsara provides real-time visibility, business-relevant tools, and powerful analytics that enable customers to increase the productivity of their fleets and reduce operating costs. A solution for your fleet is proposed below.

What is included?

Samsara's fleet tracking solution includes hardware accessories and a per-gateway license. Gateway licenses provide all ongoing elements of the service, including:

- Real-time location and vehicle telematics
- Dashboard access with unlimited administrator accounts
- Driver App for iOS and Android devices with unlimited driver accounts
- Over-the-air software feature upgrades
- API access as it relates to features for integration with 3rd party systems
- Maintenance and phone support

Samsara does not include hidden costs in its licenses. If you want access to Samsara's full set of fleet features--including but not limited to WiFi hotspot and ELD capabilities--you will need to upgrade your license. Samsara reserves the right to audit usage of features unrelated to the solution as well as remove them from the Samsara Dashboard.

Payment Terms

This order form includes a license fee for the Samsara Software associated with the Hardware to be paid annually beginning on the License Start Date and, if applicable, a one-time Hardware cost to be paid upfront as of the License Start Date. The annual fees are payable by recurring transfer. All transfers made by credit card are subject to a processing fee up to 3%, subject to applicable law. Late payments are subject to a 1.5% per month late fee. If license payments are delinquent by 30 days, Samsara may suspend the Service until late payments are remitted.

License Term

The license term for the Samsara Software licenses purchased under this Order Form begins on the day Samsara activates the applicable Samsara Software license by providing you a claim number and access to the Hosted Software ("License Start Date"). If Hardware associated with a then-unactivated Samsara Software license will be shipped to you under this Order Form, such Samsara Software license will be activated on the day the Samsara Hardware ships. Notwithstanding the foregoing, if you are renewing the license term for a previously-activated Samsara Software license under this Order Form, the License Start Date for the renewal license

term shall be the day that Samsara extends your access to the Hosted Software for the renewal license term. Samsara Hardware requires a valid license to function.

Samsara may ship Hardware under this Order Form subject to a schedule as mutually agreed between the Parties or as determined by Samsara. By signing this Order Form, you confirm that each "Ship To" delivery address set forth herein is accurate and that any individual accepting delivery at that address is authorized to do so on your behalf. To the extent such Hardware is associated with then-unactivated Samsara Software licenses, the Samsara Software license term for each such Hardware device will start on the day that device ships regardless of the shipment schedule for the other such Hardware devices. If all such Hardware is shipped in one shipment, the license term for all such Hardware will be the full license term under this Order Form. If such Hardware is shipped in multiple shipments, only the license term of such Hardware in the initial shipment will be such full license term. The license term of the remaining such Hardware shipped after the initial shipment will be set to match the then-remaining license term of the initial shipment, so that the license term for all such Hardware under this Order Form expires on the same date. The total cost of the licenses for such Hardware shipped after the initial shipment will be pro-rated based on their actual license term, rounded up to the nearest month, as compared to the full license term under this Order Form. Certain payment amounts under this Order Form assume that the entire order is fulfilled at the same time and are subject to potential reduction based on the actual schedule of order fulfillment.

You agree that you will only use the features included with the Samsara Software licenses purchased under this Order Form ("Licensed Scope"). Samsara reserves the right to audit usage of Samsara Software and to remove your access to such features beyond the Licensed Scope (for example, the licensed feature scope or licensed user count, as applicable) at any time. If you would like to use features beyond the Licensed Scope, you are required to purchase the applicable Samsara Software licenses and if applicable install the applicable Hardware that include such scope. If Samsara becomes aware that you are using features beyond the Licensed Scope, Samsara reserves the right to charge you for the applicable Samsara Software licenses that include such Licensed Scope at list price, and you agree to immediately pay such amounts. Samsara further reserves the right to change, discontinue, or remove features included in a Samsara Software license at any time.

You acknowledge and agree that, during your license term, you may not downgrade your Samsara Software license plan to a lower Samsara Software license plan (e.g., downgrading your "Enterprise" license to a "Premier" license).

Support and Warranty

Samsara stands behind its Products. During the applicable warranty period, defective Hardware will be remedied pursuant to our Hardware Warranty Policy at www.samsara.com/support/hardware-warranty. Additional support information can be found at www.samsara.com/support.

Unless otherwise set forth herein, your use and access of the Hardware, Products, and Services specified herein are governed by Samsara's standard terms of service found at <https://www.samsara.com/legal/public-sector-customers-platform-terms-of-service/>, unless the Parties have entered into a separate terms of service agreement and/or a separate terms of service agreement is attached to the Order Form, in which case such separate terms of service agreement shall govern (the 'Terms of Service') provided that notwithstanding anything stated in the Terms of Service to the contrary, Customer agrees the following sections from Samsara's standard terms of
