Warranty and Terms

One Year Limited Warranty

APTEK sources its hardware products from parts and components that are new or equivalent to new in accordance with industry standards. APTEK warrants that the hardware products it supplied will be free from defects in materials and workmanship. The warranty term is one year on Hardware and Labor from the date of installation on all products installed by APTEK. APTEK will repair or replace products at its option as deemed necessary within the warranty period. Purchaser accepts full responsibility and ownership for the software and data. APTEK is not required to advise or remind purchaser of appropriate backup and other procedures. APTEK owns all parts removed from repaired products. APTEK uses new and reconditioned parts made by various manufacturers in performing warranty repairs and building replacement products. If APTEK repairs or replaces a product during the warranty term does not extend the warranty period.

Terms and Conditions

If you wish to return any equipment it must be within 30 days of the date you signed the APTEK order. All products must be returned in their original packaging or equivalent with all software that was sent with the product. All software registered is void from returns and credit will not be given. No returns will be taken after 30 days.
