PROJECT SUMMARY

SITE HISTORY:

- The commercial structure was constructed in 2003 for Marsh.
- Marsh vacated the structure in 2006.

STAFF DISCUSSION:

The petitioner requests a rezoning from SC/Shopping Center to C3/General Commercial to allow the structure to be reused for an entertainment facility including go-karts (electric), miniature golf, arcades and other recreation uses.

The project site is the former site of the Marsh grocery store which was constructed in 2003 and later vacated in 2006. The store has remained vacant since Marsh vacated in 2006. The intent is to repurpose the existing building into an indoor recreation facility. The requested C3 zoning is necessary for the proposed use. In discussions with the applicant they agreed to supply a written commitment restricting some uses in the C3 district but continuing to allow more typical retail uses that the SC district would allow.

The proposed rezoning property is surrounded by commercial land uses. This property is located on the southwest side of Maplecrest and Rothman Road. The applicant does not intend to make changes to the property other than general maintenance and aesthetic improvements.

The Comprehensive Plan encourages a mixture of uses so long as they are compatible. The structure has been in place since 2003 as part of a shopping center. The property has ample parking for the intended use, so no burden should be placed on the use of the parking lot. The Comprehensive Plan also encourages reinvestment in existing properties, utilizing existing infrastructure and roadways.

PUBLIC HEARING SUMMARY:

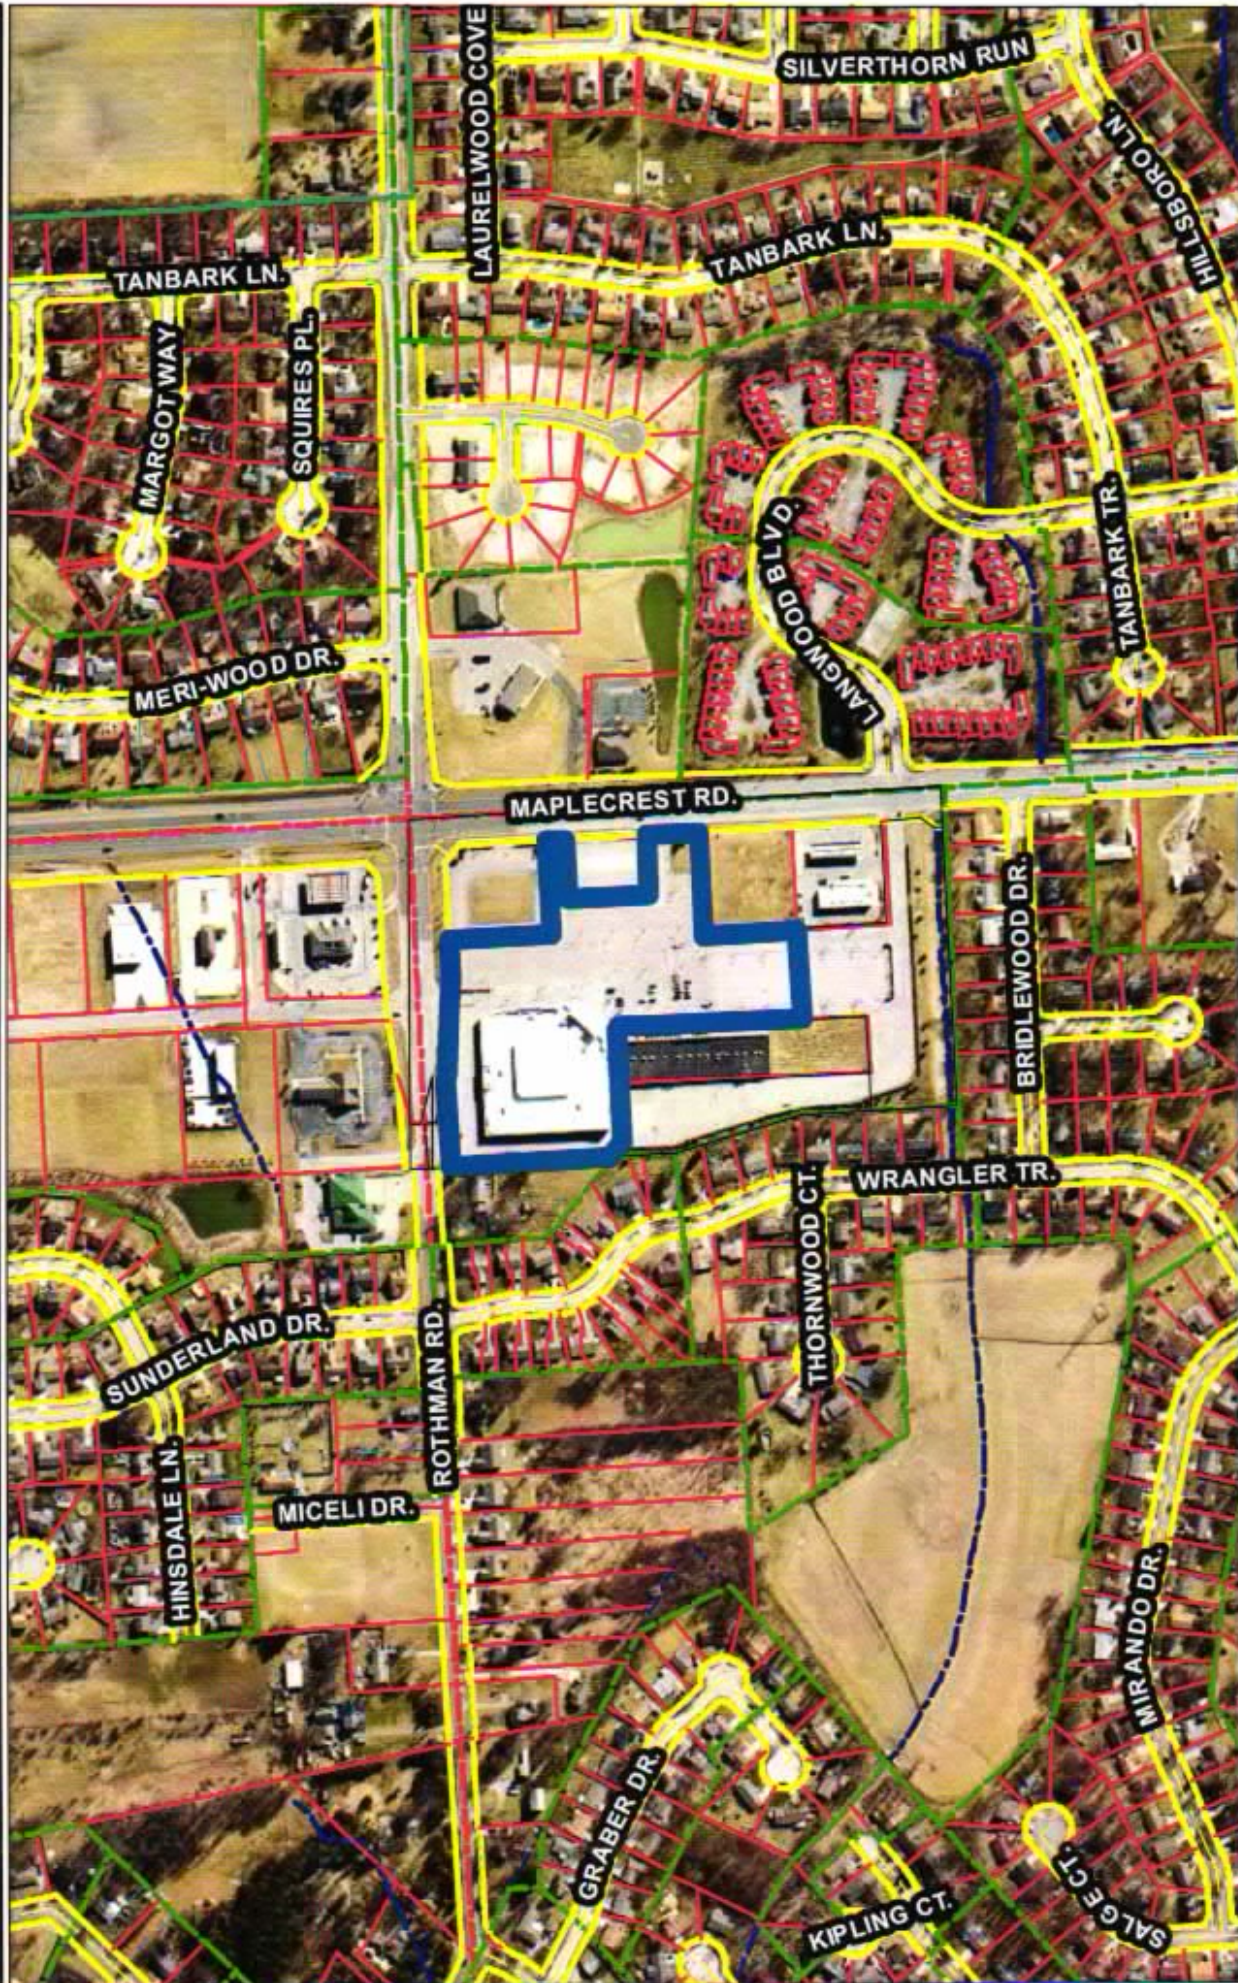

Presenter: Rob Kruger, representing the applicant, presented the proposal as outlined above.
