Title of Ordinance: Zoning Ordinance Amendment  
Case Number: REZ-2022-0014  
Bill Number: Z-22-04-10  
Council District: 5-Geoff Paddock

---

Introduction Date: April 12, 2022

Plan Commission  
Public Hearing Date: April 11, 2022 (Not heard by Council)

Next Council Action: Ordinance will return to Council after recommendation by the Plan Commission

---

Synopsis of Ordinance: To rezone approximately 0.20 acres from R2/Two Family Residential to UC/Urban Corridor

Location: 420-422 West 4<sup>th</sup> Street

Reason for Request: To rehabilitate the existing triplex into a four-unit apartment building and convert the garage into a 600 s.f. commercial storage unit.

Applicant: Wahli Enterprises, LLC

Property Owner: Ben Wahli

---

Related Petitions: none

---

Effect of Passage: Rezoning of the property will allow for multiple residential units and allow for the commercial storage unit. The development pattern and setbacks of the existing building fit more appropriately in the UC zoning district.

Effect of Non-Passage: The current zoning district allows only two residential units and would not allow the conversion of the garage. The existing use and building do not follow the current zoning district.

Monuments set are 5/8 inch round by 24 inch long steel rebars with yellow plastic caps stamped "GOU LS29500017", and set flush with the ground surface.

**(A) Availability and condition of reference monuments:**

Monuments found are described and depicted on the survey drawing.

Uncertainty created by the location of the monuments found or set on the subject property due to variations in reference monuments (monuments found on the subject property and on adjacent properties) is the difference between "measured" and "platted" or "recorded" angular or distance measurements as depicted on the survey drawing. The maximum uncertainty for this survey is 0.85 feet.

**(B) Occupation or possession lines:**

No uncertainty was created by visible occupation or possession lines.

April 28, 2022

## PROJECT SUMMARY

- The site has hosted a historic multiple family structure and a newer accessory structure in the back.
- No rezoning or Board of Zoning Appeals history was found for the site.

The applicant, Wahli Enterprises, is seeking a rezoning petition from R2 to UC. Today, the site is between predominantly nonresidential uses to the east on the Wells Street Corridor and residential uses to the west along West 4<sup>th</sup> Street. The site contains about 0.2 acres with a multiple family building and an accessory structure that can be accessed off an alley. The applicant would like to rehabilitate a multiple family building, which is not permitted in the R2 district. A UC zoning classification would permit a multiple family building. While the intent and permitted uses of the Urban Corridor does not exactly fit into the built environment of 4<sup>th</sup> Street (a brick non-arterial street with residential structures), staff believes a written commitment limiting uses to residential, professional offices, and personal services, will not set an undesirable commercial precedent for West 4<sup>th</sup> Street.

### **PUBLIC HEARING SUMMARY:**

Presenter: Ben Wahli, property owner, presented the request to Plan Commission as outlined above.

#### Public Comments:

Dennis Kruse, Mallard Cove Lane – Owns three nearby properties and is in support of the proposal.  
Gerald Hoy and Erika Hoy, 421 5<sup>th</sup> Street – Expressed concerns over parking in the area.

#### Letters of Support:

Wells Business Corridor  
Bloomingdale Neighborhood

#### Rebuttal:

10 parking spaces have been provided for the four units, which is in excess of the zoning ordinance minimum of 4 spaces.

# FORT WAYNE PLAN COMMISSION • FINDINGS OF FACT

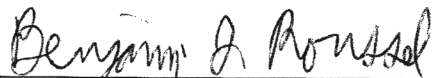

## Rezoning Petition REZ-2022-0014

APPLICANT: Wahli Enterprises, LLC  
REQUEST: To rezone the property from R2/Two Family Residential to UC/Urban Corridor  
LOCATION: The addresses of the subject property are 420 and 422 West 4<sup>th</sup> Street (Section 2 of Wayne Township).  
LAND AREA: Approximately 0.2 acre  
PRESENT ZONING: R2/Two Family Residential  
PROPOSED ZONING: UC/Urban Corridor

**The Site Committee recommends that Rezoning Petition REZ-2022-0014 be returned to Council, with a Written Commitment, with a “Do Pass” recommendation after considering the following:**

1. Approval of the request will be in compliance with Allen County-Fort Wayne Comprehensive Plan and should not establish an undesirable precedent in the area. The Comprehensive Plan supports this rezoning through the following objectives:
  - LU3. Use land resources efficiently by encouraging new development, revitalization and redevelopment in areas already served by infrastructure;
  - LU5. Encourage sustainable growth and quality development, revitalization and redevelopment by increasing and enhancing connectivity;
  - LU5.C Encourage development proposals that provide neighborhood commercial, civic, institutional and other similar uses, designed to allow adequate access for pedestrians and bicycles, in close proximity to housing.
  - LU6. Encourage carefully planned sustainable growth and coordinated development by encouraging mixed land uses.
  - LU6.C Encourage the conversion of vacant or underutilized properties into compatible mixed-use development areas.
  - LU6.D Support carefully planned, coordinated, compatible mixed-use development.
  - LU8. Use land resources efficiently by encouraging compact development alternatives in infill areas where utilities and other infrastructure currently exist.
2. Approval of the request will not have an adverse impact on the current conditions in the area, or the character of current structures and uses in the area. The proposed rezone can provide a transition between the nonresidential uses of Wells Street and the residential uses of 4<sup>th</sup> Street. A written commitment limiting incompatible uses will ensure future uses are site appropriate.
3. Approval is consistent with the preservation of property values in the area. Approval of the proposed rezoning will allow both rehabilitation and new private investment consistent with the ongoing redevelopment of the riverfront area the Bloomingdale neighborhood.
4. Approval is consistent with responsible development and growth principles based on existing uses, contextual design, and infrastructure in the area.

These findings approved by the Fort Wayne Plan Commission on April 18, 2022.
