DIGEST SHEET

Department of Planning Services

Title of Ordinance: Zoning Map Amendment
Case Number: REZ-2022-0043
Bill Number: Z-22-08-14
Council District: 4-Jason Arp

Introduction Date: August 23, 2022
Plan Commission
Public Hearing Date: September 12, 2022 (not heard by Council)
Next Council Action: Ordinance will return to Council after recommendation by the
Plan Commission

Synopsis of Ordinance: To rezone approximately 0.44 acres from R1/Single Family Residential to
C3/General Commercial.
Location: Lots 93 and 94 of Riverside Terrace Addition, and 1810 Nuttman Avenue
(Lot 92)
Reason for Request: To allow for the expansion of surface parking for the Clyde Theatre, along
with the property at 1833 Kinsmoor Avenue.
Applicant: Sweet Real Estate, LLC
Property Owner: Sweet Real Estate, LLC

Related Petitions: Special Use Approval from the Board of Zoning Appeals for a parking lot
adjacent to residential

Effect of Passage: Property will be rezoned to the C3/General Commercial district, which,
with a Special Use Approval, will allow for an expansion of surface
parking.
Effect of Non-Passage: The property will remain zoned R1/Single Family Residential, which
would not permit a parking lot for commercial uses.

PROJECT SUMMARY

SITE HISTORY

- The site was platted as Riverside Terrace Addition in 1925 and originally planned to be used residentially. With the exception of one residence, this portion of the plat was never developed.

STAFF DISCUSSION

The petitioner requests rezoning a portion of property from R1/Single Family Residential to C3/General Commercial to allow for access to additional parking for Quimby Village. With the success of the Clyde Theatre and other commercial uses within Quimby Village, a number of additional parking spaces are needed. The site includes three lots within Riverside Terrace (Lots 92, 93 and 94). Two are undeveloped and one has a house at 1810 Nuttman Avenue. There are no other homes to the east of 1810 Nuttman. The remaining lots along Nuttman within the Riverside Terrace plat were vacated in 2021 for a future City stormwater project. The plat of Riverside Terrace has restrictive covenants with a sunset clause ending in 1945, so there are no apparent covenant issues with the rezoning petition.

The purpose of the rezoning is to bring the real estate into a commercial zoning district because the parking is separated from the Clyde property by public right-of-way and a stand-alone parking lot is a C3/General Commercial use. The applicant is also seeking a Special Use from the Board of Zoning Appeals to have the parking adjacent to residential zoning. Quimby Village is zoned C2/Limited Commercial, and the commercial businesses to the west up to Brooklyn Avenue are zoned C3/General Commercial. Single family homes exist to the north and east of the project site, along Ozark Avenue, Kinsmoor Avenue, and Vesey Avenue. The access and zoning of the neighboring homes is not proposed to change.

The lots to be rezoned are also adjacent to a former church building at 1833 Kinsmoor (to the west of said lots), which has been purchased and will be removed. This property will be used as temporary gravel parking, and Lots 92-94 will provide an access drive to the parking lot. With the construction of the City stormwater project in the near future, the applicant desires to hold off paving until all the other improvements are complete or underway. The Board of Zoning Appeals is also reviewing a development standards variance for temporary gravel and some landscape buffer variances. The applicant intends to install a privacy fence to buffer the neighbors from headlights and other visual impacts. They will also be reaching out to the neighbors with the proposed buffering plans.

The review of the proposed parking lot will take place through a Parking Lot Permit issued by the Right-of-Way division of the Board of Works. The plan will be reviewed for setbacks, landscaping and screening and stormwater management.

The applicant may also consider a Written Commitment associated with the rezoning request to restrict some of the retail commercial uses on the new parking area that may be more of an impact to the adjacent properties.

With consideration of a Written Commitment, the Comprehensive Plan could support this development through the following objectives:

LU1. Encourage carefully planned growth by utilizing the conceptual development map as part of the community's land use decision-making process;

LU3. Use land resources efficiently by encouraging new development, revitalization and redevelopment in areas already served by infrastructure;

LU8. Use land resources efficiently by encouraging compact development alternatives in infill areas where utilities and other infrastructure currently exist.
