Parcel 2:
0.57 acres of land, more or less, as sold in previous deeds to contain, in DePonds Reserve, Section 17, Township 31 North, Range 13 East, Allen County, Indiana, being more particularly described as follows:
Commencing at a point in the center line of the Eward Road, said point being located South 67 degrees 45 minutes East a distance of 202.6 feet from the intersection of the center lines of the St. Joe and Eward Roads; thence South 29 degrees 57 minutes West a distance of 189 feet; thence South 70 degrees 15 minutes East a distance of 135.0 feet; thence North 18.4 degrees East a distance of 135 feet to the point of beginning.

SURVEYOR'S REPORT:

- In accordance with Title 865, Article 1, Rule 12, Section 1 through 36, of the Indiana Administrative Code, the following observations and opinions are submitted regarding the various uncertainties in the locations of the lines and corners established on this survey as a result of:
 - Degree of Precision and Accuracy:
 - Variations in the reference monument;
 - Discrepancies in record descriptions and plats;
 - Inconformities in lines of occupation;
 - The occupancies relative positional accuracy of the corners of the subject tract established on this survey is within the specifications for a First Survey as defined in IAC 865.
 - No variances in the reference monument;
 - Discrepancies in record descriptions and plats;
 - Inconformities in lines of occupation;
 - No variances in the reference monument;
 - Discrepancies in record descriptions of as much as 0.30 feet East West, east along the North boundary line and as much as 0.10 feet North South, east along the West boundary line, as shown herein.
 - No inconformities in lines of occupation.

The survey has been prepared to facilitate the transfer of this property and is not to be used for other purposes without the written permission of Abnormarche Consultants, Inc. Copies of this survey may be used for archival purposes only. This document is not valid without the original hand and seal and M&E reference.

2) This is a re-occupancy survey of the real estate conveyed to SAC Properties, LLC. In the deed recorded in Document Number 201506377 in the Office of the Recorder of Allen County, Indiana.

This parcel is also described in the Commitment for Title Insurance issued by Metropolitan Title of Indiana, LLC, Commitment No.: 40324468, and Commitment Date of April 22, 2024.

THEORY OF LOCATION:

The centerline of Eward Road was established between a 1-inch rod located at the intersection of the centerlines of Eward and St. Joe Roads, and a MAG Stake located at the intersection of the centerlines of Eward and Reed Roads. This line controls the location of the North boundary line.

The South boundary line was established between a line of monuments being the Gouldt rebar (GOU) located at the Southeast and Southwest boundary corners and a MAG Nail located at the Northwest corner of the South corner.

The West boundary line was established between the Gouldt rebars (GOU) located at the Southwest and Northwest (on the right-of-way line) boundary corners.

The East boundary line was established between the Gouldt rebars (GOU) located at the Southeast and Northeast (on the right-of-way line) along with rebars located at the Southeast corners of the two adjacent to the South.

A survey of the South corner by Michael W. Harris, dated September 2, 2022, was used for reference.

The base of bearings for this survey are Indiana State Plane Coordinate System East Zone, NAD 83, Geocentric Datum, NAD 83.

Subsurface and environmental conditions were not examined or considered to be part of this survey.

This survey and report do not investigate the possibility of unmineral rights.

It is not the intent of this survey of a Surveyor to abrogate ownership rights of ownership, nor file of the property.

This survey is the opinion of a Licensed Professional Surveyor in the State of Indiana as to the actual location of the lines and corners called for on the deed description. The opinion is based on the: recent field and research evidence, and established standards of Care.

CERTIFICATION:

The undersigned does hereby certify that this survey was completed under my direct supervision and to the best of my knowledge and belief, was executed according to the survey requirements set forth in 865 IAC 1-2.

Date of latest fieldwork: 06-24-24

PROJECT SUMMARY

The petitioner is requesting to rezone the parcel from RP/Planned Residential to C1/Professional Office and Personal Services and to approve a primary development plan for a parking lot expansion for a barber shop and salon. The site is located 200 feet east of the Evard and Saint Joe Road intersection. The site currently consists of a residential home on a metes and bound parcel on 1.82 acres of land. The zoning and uses surrounding the property vary from commercial to the west, south, and northwest to residential to the north and east.

The submitted development plan shows a proposed expansion on the west side of the existing residential structure. A sidewalk is shown along Evard Road. An improved access point to Evard Road is shown in the general area of the existing access point. The parking lot appears to meet current zoning ordinance requirements with the exception of landscaping will be required on the west side of the parking lot. The applicant intends to improve the current structure internally and is not proposing any building expansions at this time. A dry detention basin is proposed on the southwest corner of the site between the parking lot and the southern neighbor.

COMPREHENSIVE PLAN REVIEW

Future Growth and Development Map, Goals, and Strategies

- The project site is located within the Urban Infill Area. Development in urban infill areas should be focused on vacant lots within neighborhoods and commercial or industrial areas already served by infrastructure.
- The following Goal would be applicable and supportive of this request:
LUD1 – Encourage compatible infill development and redevelopment in the Urban Infill and Priority Investment Areas

Overall Land Use Policies

- The following Land Use Policies would be applicable and supportive of this request:
LUD Policy 4 – Nonresidential development which is adjacent to residential neighborhoods should be limited to lower intensity neighborhood commercial uses.

Generalized Future Land Use Map

- The project site is located within the Mixed Residential generalized land use category.
- Adjacent properties are categorized as Mixed Residential to the south, west, and east. The property to the north is categorized as a Traditional Neighborhood.

Overall Land Use Related Action Steps

- **LUD Goal 1** Encourage compatible infill development and redevelopment in the Urban Infill and Priority Investment Areas.

Compatibility Matrix

- This proposed use is permitted in C1/Professional Office and Personal Services which is considered compatible with Mixed Residential and Traditional Neighborhood.

Other Applicable Plans: none

Below are 5 items the Plan Commission shall pay reasonable regard to set forth by State Code. The applicant submitted answers to the questionnaire following this report.

1. The Comprehensive Plan:
2. Current conditions and the character of current structures and uses in the district:
3. The most desirable use for which the land in the district is adapted:
4. The conservation of property values throughout the jurisdiction:
5. Responsible development and growth:

PUBLIC HEARING SUMMARY:

Presenter: Kyle Black, property owner, and part of husband and wife hair stylist team, presented the request as outlined above. They plan to remodel the home interior for barbershop and salon, possibly up to 8 to 10 booths, but only 4 to start. Very low traffic, tasteful signage and lighting.

Public Comments:

None

FORT WAYNE PLAN COMMISSION • FINDINGS OF FACT

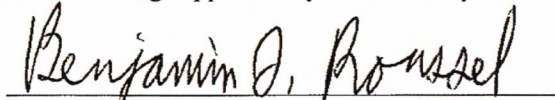

Rezoning Petition REZ-2024-0049 – Mack Four Investments

APPLICANT: Mack Four Investments, LLC
REQUEST: To rezone property from RP/Planned Residential to C1/Professional Office and Personal Services for a parking lot expansion for a barber shop and salon.
LOCATION: 4110 Evard Road, 200 feet east of its intersection of Saint Joe Road (Section 17 of St. Joseph Township)
LAND AREA: 1.82 acres
PRESENT ZONING: RP/Planned Residential
PROPOSED ZONING: C1/Professional Office and Personal Services

The Plan Commission recommends that Rezoning Petition REZ-2024-0049 be returned to Council, with a “Do Pass” recommendation after considering the following:

1. Approval of the rezoning request will be in substantial compliance with the City of Fort Wayne Comprehensive Plan, and should not establish an undesirable precedent in the area. The C1/Professional Office and Personal Services zoning will provide the opportunity to redevelop the site while providing additional commercial options along Evard Road. The project site is located within the Urban Infill Area. Development in urban infill areas should be focused on vacant lots within neighborhoods and commercial or industrial areas already served by infrastructure.
2. Approval of the request will not have an adverse impact on the current conditions in the area, or the character of current structures and uses in the area. The property is adjacent to commercial zoning to the west. The applicant intends to keep the structure residential in appearance and is not proposing any major façade changes or increase in building footprint. The rezoning is consistent with existing commercial zoning to the west and northwest.
3. Approval is consistent with the preservation of property values in the area. This proposal will allow reinvestment into the area and is adjacent to developed commercial property. The new zoning gives the property owner flexibility to invest in the property commercially.
4. Approval is consistent with responsible development and growth principles based on existing uses and infrastructure in the area. This portion of Evard Road is adjacent to commercial development to the west. The C1/Professional Office and Personal Services zoning district could act as a buffer between residential districts to the east and a more intense commercial zoning district to the west. The Comprehensive Plan encourages adjacent development in areas already served by infrastructure.

These findings approved by the Fort Wayne Plan Commission on January 27, 2025.
