## PROJECT SUMMARY

The applicant is requesting to rezone the property in question from R1 to R2 for a two-family dwelling. The site formerly housed a single-family home with a 2-car garage. However, a demolition order was decreed by the Building Department in 2022, and was demolished in early 2023. The site is in the Lincolndale neighborhood, which was platted in 1926 and has predominantly post-war homes, with some exceptions. The applicant is hoping to construct a two-family structure on the property. The property measures about 100 feet wide by about 195 feet deep. Sewer is available to the site, but water is not. The site will require a well for water. This size lot would accommodate two separate single-family homes on separate lots, and is 1.5 times the square foot area required by ordinance.

### COMPREHENSIVE PLAN REVIEW

#### Future Growth and Development Map, Goals, and Strategies

The project site is located within the Urban Infill Area.

- The following Goals and Strategies would be applicable:  
**LUD1** - Encourage compatible infill development and redevelopment in the Urban Infill and Priority Investment Areas.

#### Overall Land Use Policies

The following Land Use Policies would be applicable and supportive of this request:

- **LUD Policy 1** Support and promote a diversity of housing types within the applicable land use categories

#### Generalized Future Land Use Map

- The project site is located within the Traditional Neighborhood land use category, which includes single-family attached residential as a secondary land use.

#### Land Use Related Action Steps

Staff determined the following Action Step would be applicable and supportive of this proposal:

- **LUD 1.3** Encourage compatible higher density residential and mixed-use development in infill areas that are near public transit routes, employment centers, institutions, and other amenities

#### Compatibility Matrix

- This proposed rezoning of R2/Two-Family Residential is considered compatible with the Traditional Neighborhood land use category.

**Other Applicable Plans:** None

### PUBLIC HEARING SUMMARY:

Presenter: Dennis Miller, applicant, presented the request as outlined above.

#### Public Comments:

Nicole Colchin (2822 Lincolndale Ave): Opposed; not suited to neighborhood; application inaccurate – no city water/needs well; concerns with quality of finished product.

Dave Egoff (2719 Lincolndale Ave): Concerned that it's not a good fit; mostly single-family homes in neighborhood; drainage.

Anthony Eberle (4805 Hatfield Rd): Opposed; houses too close; drainage issues in area; inundated with other development in area.

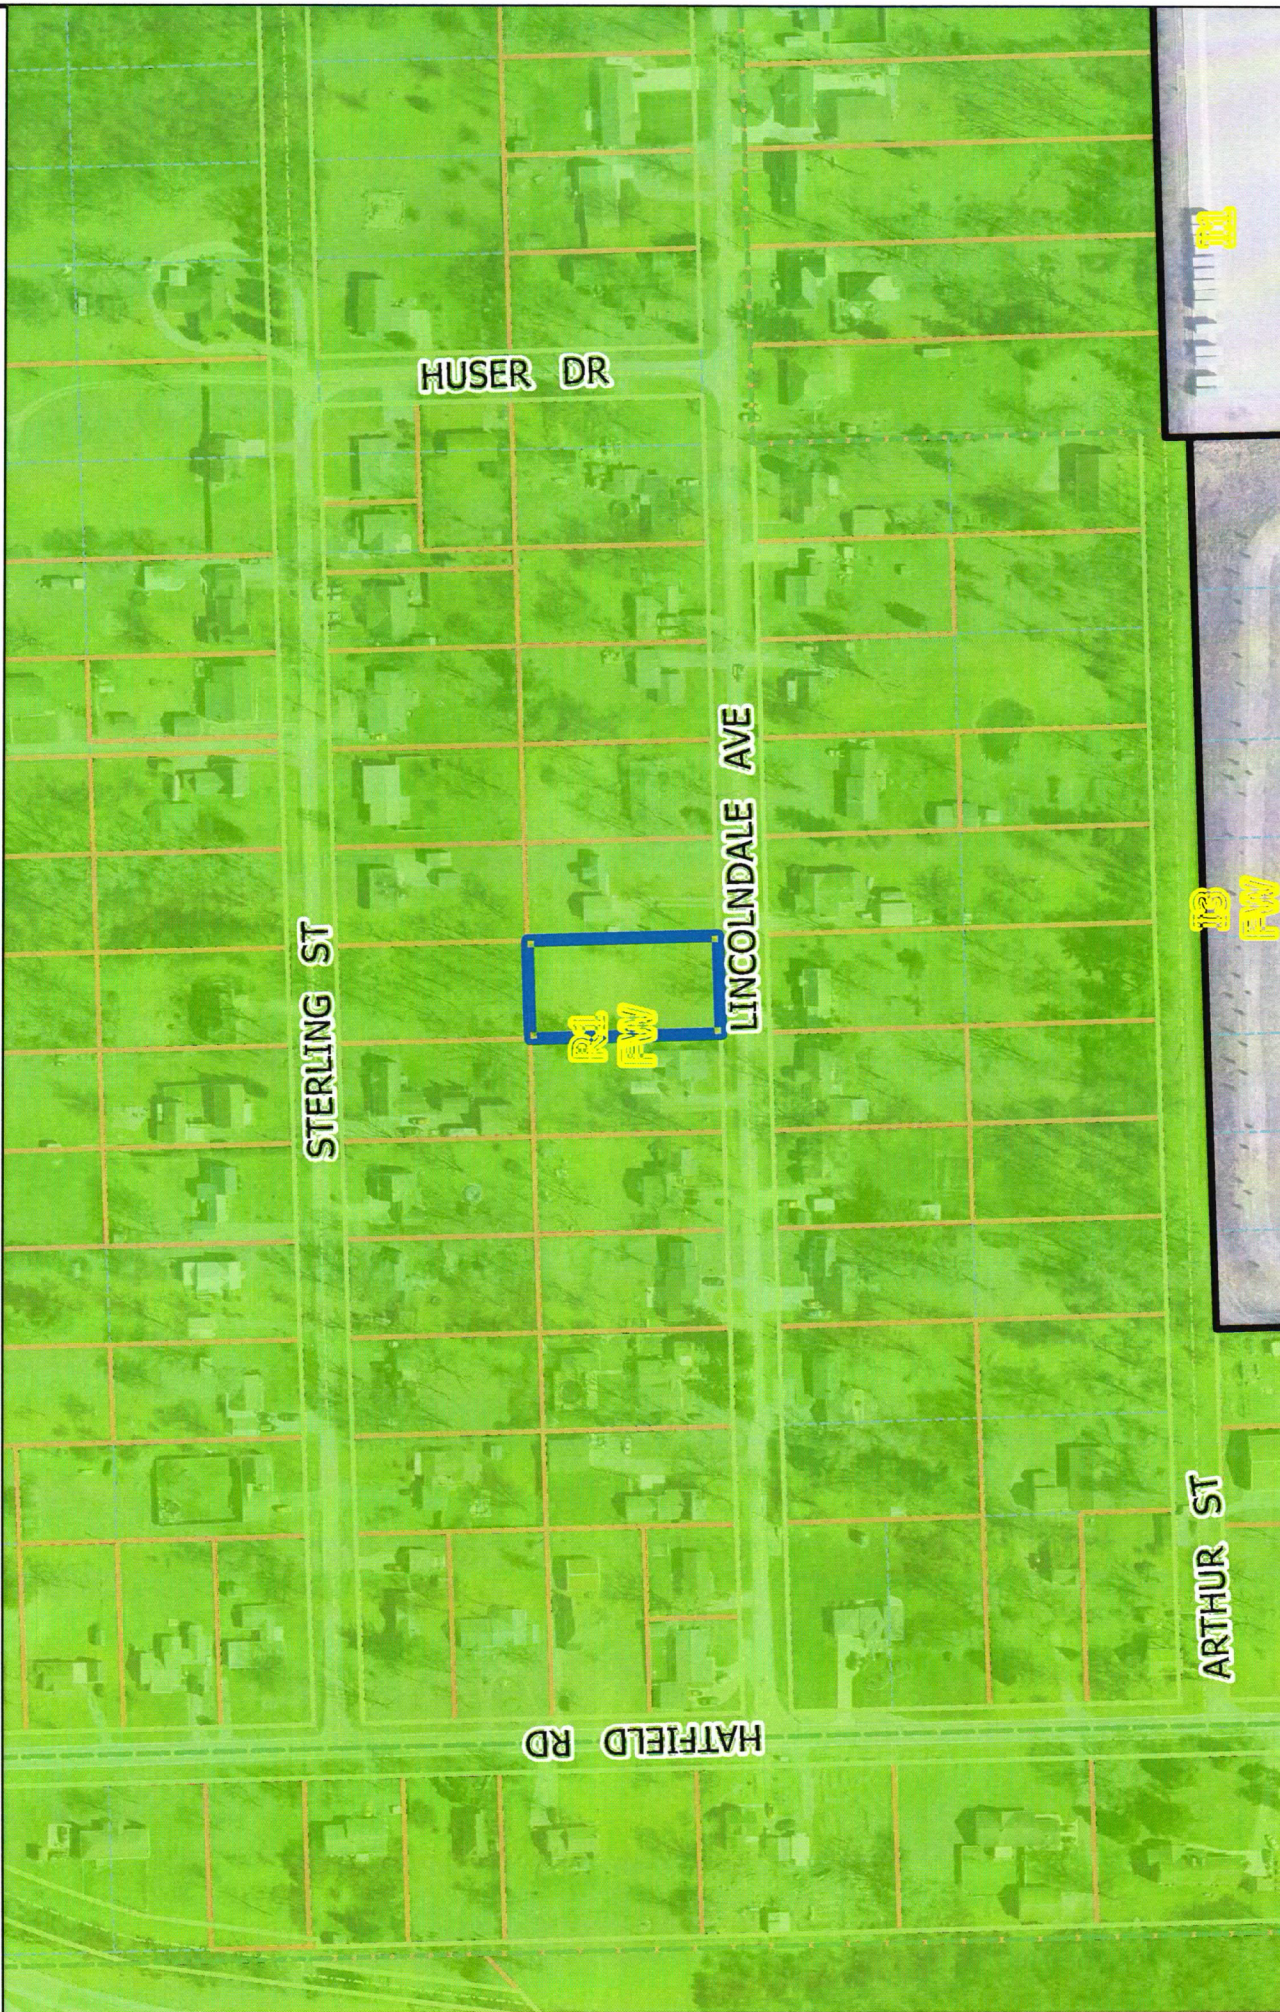

Marc Lothamer (2821 Lincolndale Ave): Opposed; will need four wells if duplexes; will need fill to build; drainage.

Rebuttal: Dennis Miller stated it will not be cheap housing, but it will be affordable. He understands there could be soil issues and will address it as needed.

SECTION 21 . T 31 . R 12

**FORT WAYNE PLAN COMMISSION**  
**Findings of Fact • August 2025**

---

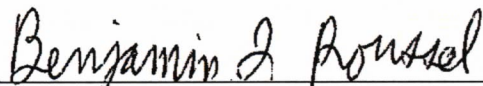

**PROPOSAL:** Rezoning Petition REZ-2025-0036 – 2832 Lincolndale Ave  
**APPLICANT:** Cedar Falls Investments  
**REQUEST:** To rezone property from R1/Single Family Residential to R2/Two-Family Residential for a proposed duplex.  
**LOCATION:** 2832 Lincolndale Avenue, 720 feet east of its intersection with Hatfield Road (Section 21 of Washington Township)  
**LAND AREA:** 0.45 acre  
**PRESENT ZONING:** R1/Single Family Residential  
**PROPOSED ZONING:** R2/Two-Family Residential

---

The Plan Commission recommends that Rezoning Petition REZ-2025-0036 be returned to Council, with a “Do Pass” recommendation and a Written Commitment, after considering the following:

1. Approval of the rezoning request will be in substantial compliance with the City of Fort Wayne Comprehensive Plan, and should not establish an undesirable precedent in the area. R2 is compatible to Lincolndale’s “Traditional Neighborhood” land use designation. The rezoning will continue the residential nature of Lincolndale Avenue.
2. Approval of the request will not have an adverse impact on the current conditions in the area, or the character of current structures and uses in the area. The current neighborhood is used residentially. As-built surveys allow verification that what is built meets zoning ordinance standards in platted neighborhoods. The attached Written Commitment will ensure that the proposed structure matches the character of the surrounding subdivision.
3. Approval is consistent with the preservation of property values in the area. This proposal will allow reinvestment in an established area of Fort Wayne. A Written Commitment will limit the number of structures and increase compatibility with the adjacent lots.
4. Approval is consistent with responsible development and growth principles based on existing uses and infrastructure in the area. City Sewer is available on site. The site is within the comprehensive plan’s “urban infill area” designation. The R2 designation enables more attainable housing and mitigates growth in the outer fringes of Allen County.

These findings approved by the Fort Wayne Plan Commission on August 18, 2025.

Benjamin J. Roussel  
Executive Director  
Secretary to the Commission

## WRITTEN COMMITMENT

THIS WRITTEN COMMITMENT ("Commitment") is made this 28 day of Aug, 2025 by Bennis Jay Miller Moran (the "Declarant").

### WITNESSETH:

**WHEREAS**, Declarant is the owner of approximately 0.22 acres of real estate located in Fort Wayne, Allen County, Indiana, the legal description of which is attached hereto as Exhibit "A" (the "Real Estate"); and

**WHEREAS**, Declarant submitted a rezoning petition with respect to the Real Estate to rezone the Real Estate from R1/Single Family Residential to an R2/Two Family Residential zoning district, bearing number REZ-2025-0036 (the "Petition"), which Petition has been approved by the City of Fort Wayne Plan Commission (the "Plan Commission") and the Fort Wayne Common Council ("City Council"); and

**WHEREAS**, Declarant has offered this Commitment, voluntarily, pursuant to Indiana Code 36-7-4-1015, for the purpose of limiting certain uses for the Real Estate; and

**WHEREAS**, in conjunction with the Petition, the Plan Commission has accepted Declarant's offer of this Commitment and its recordation with the Allen County, Indiana, Recorder's Office upon approval of the Petition by the Plan Commission and City Council.

**NOW, THEREFORE**, in consideration of the above and foregoing recitals, Declarant hereby impresses upon the Real Estate certain restrictions and covenants which shall run with the Real Estate and be binding upon Declarant and all future owners of the Real Estate, and all lessees of all or any portion of the Real Estate.

1. Building Limitation. There shall be no more than one primary structure on the real estate, containing no more than two attached dwelling units.
2. Location of Structure. The applicant shall make effort to locate the structure as close to the center of the lot as possible. The presence of site constraints like poor soils, steep terrain, or poor drainage may permit a reasonable shift, to be reviewed by the Department of Planning Services. Any site constraints will be identified on the plot plan for the primary structure by a licensed professional.
3. No Further Subdivision. The Applicant agrees to not further subdivide Lot 89 of Lincoln Dale Addition, for the purposes of a second structure or buildable residential lot.

4. Permits. No permits shall be issued under the zoning ordinance by the Zoning Administrator, or any successor agency having zoning jurisdiction over the Real Estate, until this Commitment is recorded with the Allen County Recorder. The Declarant shall deliver to the Zoning Administrator and the Plan Commission an executed and recorded copy of this Commitment.
5. Binding Effect, Modification, and Termination. This Commitment shall run with the Real Estate, and shall be binding upon the Declarant and each subsequent owner of the Real Estate and each other person acquiring an interest in the Real Estate, unless this Commitment is modified or terminated. The recitals are incorporated herein by reference and are expressly made a part of this Commitment. This Commitment may be modified or terminated only by a decision of the Plan Commission, following a public hearing held by the Plan Commission wherein notice has been given as provided by the Plan Commission's rules of procedure. The Plan Commission shall have the discretion whether to approve or deny any proposed modification or termination of this Commitment. This Commitment may be modified or terminated by the Plan Commission making findings of fact that the proposed modification or termination is required because: (a) there is a substantial change in circumstances from the time of the original Commitment; (b) the proposed modification or termination is in substantial compliance with the Comprehensive Plan; (c) the proposed modification or termination is consistent with the Plan Commission's prior approval; and (d) the application of the terms of the original Commitment would cause an unnecessary hardship absent the modification or termination. Further, pursuant to I.C. 36-7-4-1015(b)(4), this Commitment shall automatically terminate if: (i) the zoning district or classification applicable to the Real Estate is changed; or (ii) if the land use to which this Commitment relates is changed.
6. Recording. Declarant or Applicant shall, at Declarant's or Applicant's expense, record this Commitment with the Allen County Recorder and shall provide two copies of the recorded Commitment to the Zoning Administrator.
7. Enforcement. Any violation of this Commitment shall be deemed a violation of the zoning ordinance in effect at the time of the violation; provided, however, that nothing in this Commitment shall be construed as giving any person the right to compel enforcement of it by the Plan Commission or any enforcement official designated in the zoning ordinance, or any successor agency having zoning jurisdiction over the Real Estate. Pursuant to I.C. §36-7-4-1015, the Plan Commission or any enforcement official designated in the zoning ordinance, shall be entitled to all legal and equitable remedies available, including specific performance and injunctive relief, for any violation of this Commitment. The enforcement rights of the Plan Commission or any enforcement official designated in the zoning ordinance are cumulative, not exclusive. This Commitment may be enforced by any successor commission or enforcement official having zoning jurisdiction over the Real Estate.
8. Last Deeds of Record. The most recent deed of record for the Real Estate was recorded in the Office of the Recorder of Allen County, Indiana as Document Number(s) \_\_\_\_\_

9. Severability. Each covenant or restriction contained in any paragraph of this Commitment shall be severable and separate, and if any court shall rule that any particular restriction or covenant is unenforceable, such ruling shall not affect the enforceability of any other restriction or covenant under this Commitment, and such other restriction or covenant shall be enforced.
10. Governing Law. This Commitment, including the restrictions and covenants hereunder, shall be governed by the laws of the State of Indiana.
11. Effective Date. The effective date ("Effective Date") of this Commitment shall be the date of its recordation with the Office of the Recorder of Allen County, Indiana.
